NEW YORK--(BUSINESS WIRE)--Jun. 30, 2020-- SL Green Realty Corp. (NYSE: SLG), Manhattan's largest office landlord, together with its joint venture partner, today announced that it has entered into a contract to sell 400 East 58th Street, a 126-unit residential building in the Sutton Place neighborhood of Manhattan, for a gross valuation of \$62.0 million. The transaction is expected to close during the third quarter of 2020, subject to customary closing conditions, and generate net cash proceeds to SL Green of approximately \$20.0 million. SL Green owns a 90.0% interest in the joint venture.

"The sale of 400 East 58th Street is a continuation of the business plan we have successfully executed over the last several years to dispose of non-core assets at attractive market values and re-invest the proceeds into our development projects and our share repurchase program. The transaction further serves to demonstrate the continued demand for New York City real estate assets," said **David Schonbraun, Chief Investment Officer of SL Green.**

SL Green acquired the building in 2012 as part of an eight-building portfolio of retail and multi-family properties. The 16-story property also includes approximately 3,800 square feet of commercial space. The rental units are currently 97.0% occupied.

Simon Ziff and Marc Sznajderman of Ackman-Ziff Real Estate Group represented SL Green in the transaction.
