NEW YORK--(BUSINESS WIRE)--Dec. 4, 2020-- SL Green Realty Corp. (NYSE: SLG), Manhattan's largest office landlord, announced today that its board of directors has increased SL Green's annual ordinary dividend by 2.8%, to \$3.64 per share on its common stock and OP units. The ordinary dividend will be paid in cash on a monthly basis. Shareholders can elect to receive the total dividend in the form of all cash or all stock, subject to proration if either option is oversubscribed.

"All of us at SL Green have worked tirelessly to navigate the unprecedented challenges of the pandemic. As a result of these efforts, we are now in a position to not only increase our ordinary dividend, but to also issue a special dividend. We will continue to work aggressively to generate value that directly benefits our shareholders," said **Matt DiLiberto, Chief Financial Officer**.

To mitigate the dilutive impact of the stock issued in the special dividend, the board of directors also authorized a reverse stock split, which will be effective on January 20, 2021. The split ratio for the reverse stock split will be determined promptly after the close of business on January 7, 2021.

Additional information about the special dividend and the reverse stock split will be filed by SL Green on a Current Report on Form 8-K, which will be available on the Securities and Exchange Commission website at [www.sec.gov](http://www.sec.gov).

The board of directors also declared the quarterly dividend on the company's Series I Preferred Stock for the period October 15, 2020 through and including January 14, 2021, of \$0.40625 per share, payable in cash, which is the equivalent of an annualized dividend of \$1.625 per share.
