The property is comprised of two adjoined buildings totaling 8 stories and 267,000 square feet, occupying the full western block-front on Sixth Avenue from 19th Street to 20th Street in Midtown South. The transaction is expected to close in the second quarter of 2021, subject to customary closing conditions, and generate net cash proceeds to SL Green of approximately \$312.5 million.

"New York City's revitalization continues as does the demand for Class A office buildings," said **Harrison Sitomer, Senior Vice President**. The property is currently 94% leased and anchored by multi-national enterprise software company, Infor, through 2030, following a recently executed renewal and extension. SL Green acquired the Property in 2012 for \$173.0 million and completed its redevelopment in 2015, including a new lobby, elevators, state-of-the-art building systems and a one-of-a-kind penthouse rooftop that includes outdoor amenity and event space.
