RECKSON OPERATING PARTNERSHIP, L.P.
(a Delaware limited partnership)

Debt Securities

UNDERWRITING AGREEMENT

June 11, 2002

First Union Securities, Inc.
301 South College Street
Floor DC8
Charlotte, North Carolina 20888

Ladies and Gentlemen:

Reckson Operating Partnership, L.P., a Delaware limited partnership (the "Operating Partnership"), proposes to issue and sell up to \$200,000,000 aggregate initial public offering price of its debt securities ("Debt Securities") from time to time, in or pursuant to one or more offerings on terms to be determined at the time of sale.

The terms and rights of any particular issuance of Debt Securities shall be as specified in the Terms Agreement (as defined below) relating thereto and in or pursuant to the indenture and any supplements or amendments thereto (the "Indenture") identified in such Terms Agreement.

Whenever the Operating Partnership determines to make an offering of Debt Securities through First Union Securities, Inc. ("First Union") or through an underwriting syndicate managed by First Union, and the Operating Partnership will enter into an agreement (each, a "Terms Agreement") providing for the sale of such Debt Securities to, and the purchase and offering thereof by, First Union and such other underwriters, if any, selected by First Union (the "Underwriters", which term shall include First Union, whether acting as sole Underwriter or as a member of an underwriting syndicate, as well as any Underwriter substituted pursuant to Section 10 hereof); provided, that, the Operating Partnership is not obligated, and shall have complete and absolute discretion to determine if and when, to make any offering, to make any offering through First Union or any other person, or to enter into any Terms Agreement. Prior to execution of a Terms Agreement, this Underwriting Agreement shall not be construed as an obligation of the Operating Partnership to sell any Debt Securities or as an obligation of any of the Underwriters to purchase Debt Securities. The obligation of the Operating Partnership to issue and sell any Debt Securities and the obligation of any of the Underwriters to purchase any Debt Securities shall be evidenced by the Terms Agreement with respect to the Underwritten Securities (as defined below) specified therein. The Terms Agreement relating to the offering of Debt Securities shall specify the aggregate principal amount of Debt Securities to be initially issued (the "Initial Underwritten Securities"), the name of each Underwriter participating in such offering (subject to substitution as provided in Section 10 hereof), the name of any Underwriter other than First Union acting as co-manager in connection with such offering, if any, the aggregate principal amount of Initial Underwritten Securities which each such Underwriter

severally agrees to purchase, whether such offering is on a fixed or variable price basis and, if on a fixed price basis, the initial offering price, the price at which the Initial Underwritten Securities are to be purchased by the Underwriters, the form, time, date and place of delivery and payment of the Initial Underwritten Securities and any other material variable terms of the Initial Underwritten Securities. In addition, if applicable, such Terms Agreement shall specify whether the Operating Partnership has agreed to grant to the Underwriters an option to purchase additional Debt Securities to cover over-allotments, if any, and aggregate principal amount of Debt Securities subject to such option (the "Option Underwritten Securities"). As used herein, the term "Underwritten Securities" shall include the Initial Underwritten Securities and all or any portion of any Option Underwritten Securities. The Terms Agreement, which shall be substantially in the form of Exhibit A hereto, may take the form of an exchange of any standard form of written telecommunication between the Operating Partnership and First Union, acting for itself and, if applicable, as representative of any other Underwriters. Each offering of Underwritten Securities through First Union as sole Underwriter or through an underwriting syndicate managed by First Union will be governed by this Underwriting Agreement, as supplemented by the applicable Terms Agreement.

Reckson Associates Realty Corp., a Maryland corporation (the "Company") and the Operating Partnership have filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (No. 333-67129), for the registration of certain securities, including the Debt Securities, under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the Commission under the 1933 Act (the "1933 Act Regulations"), and the Company and the Operating Partnership have filed such post-effective amendments thereto as may be required prior to the execution of the applicable Terms Agreement. Such registration statement (as so amended, if applicable) has been declared effective by the Commission. Such registration statement (as so amended, if applicable), including the information, if any, deemed to be a part thereof pursuant to Rule 430A(b) of the 1933 Act Regulations (the "Rule 430A Information") or Rule 434(d) of the 1933 Act Regulations (the "Rule 434 Information"), is referred to herein as the "Registration Statement"; and the final prospectus constituting a part thereof and the applicable prospectus supplement relating to the offering of the Underwritten Securities, in the form first furnished to the Underwriters by the Operating Partnership for use in connection with the offering of the Underwritten Securities, are collectively referred to herein as the "Prospectus"; provided, however, that all references to the "Registration Statement" and the "Prospectus" shall be deemed to include all documents incorporated therein by reference pursuant to the Securities Exchange Act of 1934, as amended (the "1934 Act"), prior to the execution of the applicable Terms Agreement; provided, further, that if the Operating Partnership files a registration statement with the Commission pursuant to Section 462(b) of the 1933 Act Regulations (the "Rule 462(b) Registration Statement"), then, after such filing, all references to "Registration Statement" shall be deemed to include the Rule 462(b) Registration Statement; provided, however, a prospectus supplement shall be deemed to have supplemented the Prospectus only with respect to the offering of the Underwritten Securities to which it relates, and provided, further, that if the Operating Partnership elects to rely upon Rule 434 of the 1933 Act Regulations, then all references to "Prospectus" shall be deemed to include the final or preliminary prospectus and the applicable term sheet or abbreviated term sheet (the "Term Sheet"), as the case may be, in the form first furnished to the Underwriters by the Operating Partnership in reliance upon Rule 434 of the 1933 Act Regulations, and all references in this

Underwriting Agreement to the date of the Prospectus shall mean the date of the Term Sheet. A "preliminary prospectus" shall be deemed to refer to any prospectus used before the registration statement became effective and any prospectus that omitted, as applicable, the Rule 430A Information, the Rule 434 Information or other information to be included upon pricing in a form of prospectus filed with the Commission pursuant to Rule 424(b) of the 1933 Act Regulations, that was used after such effectiveness and prior to the execution and delivery of the applicable Terms Agreement. For purposes of this Underwriting Agreement, all references to the Registration Statement, Prospectus, Term Sheet or preliminary prospectus or to any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system ("EDGAR"). Capitalized terms used but not otherwise defined herein shall have the meanings given to those terms in the Prospectus.

All references in this Underwriting Agreement to financial statements and schedules and other information which is "contained," "included" or "stated" (or other references of like import) in the Registration Statement, Prospectus or preliminary prospectus shall be deemed to mean and include all such financial statements and schedules and other information which is or deemed to be incorporated by reference in the Registration Statement, Prospectus or preliminary prospectus, as the case may be; and all references in this Underwriting Agreement to amendments or supplements to the Registration Statement, Prospectus or preliminary prospectus shall be deemed to mean and include the filing of any document under the 1934 Act which is or is deemed to be incorporated by reference in the Registration Statement, Prospectus or preliminary prospectus, as the case may be.

The term "Subsidiary" means a corporation or a partnership a majority of the outstanding voting stock, partnership or membership interests, as the case may be, of which is owned or controlled, directly or indirectly, by the Operating Partnership or by one or more other Subsidiaries of the Operating Partnership.

Each of the Registration Statement and any Rule 462(b) Registration Statement has become effective under the 1933 Act and no stop order suspending the effectiveness of the Registration Statement or any Rule 462(b) Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Operating Partnership, are contemplated by the Commission or the state securities authority of any jurisdiction, and any request on the part of the Commission for additional information has been complied with. No order preventing or suspending the use of the Prospectus has been issued and no proceeding for that purpose has been

instituted or, to the knowledge of the Operating Partnership, threatened by the Commission or the state securities authority of any jurisdiction.

At the respective times the Registration Statement, any Rule 462(b) Registration Statement and any post-effective amendments thereto (including the filing of the Operating Partnership's most recent Annual Report on Form 10-K with the Commission (the "Annual Report on Form 10-K")) became effective and at each Representation Date, the Registration Statement, any Rule 462(b) Registration Statement and any amendments and supplements thereto complied and will comply in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission under the Indenture Act (the "1939 Act Regulations") and did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading. At the date of the Prospectus, and at each Representation Date, the Prospectus, and any amendments and supplements thereto did not and will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The aggregate of all pending legal or governmental proceedings to which the Operating Partnership or any Subsidiary is a party or of which any of their respective assets, properties or operations is the subject which are not described in the Registration Statement and the Prospectus, including ordinary routine litigation incidental to the business, could not reasonably be expected to result in a Material Adverse Effect.

(16) Accuracy of Exhibits. There are no contracts or documents which are required to be described in the Registration Statement, the Prospectus or the documents incorporated by reference therein or to be filed as exhibits thereto which have not been so described and/or filed as required and the descriptions thereof or references thereto are correct in all Material respects.

(17) REIT Qualification. At all times since January 1, 1995 the Company has been, and upon the sale of the applicable Underwritten Securities, the Company will continue to be, organized and operated in conformity with the requirements for qualification as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the "Code"), and its proposed method of operation will enable it to continue to meet the requirements for taxation as a real estate investment trust under the Code, and no actions have been taken (or not taken which are required to be taken) which would cause such qualification to be lost.

(18) Investment Company Act. Each of the Company, the Operating Partnership and any Significant Subsidiary is not, and upon the issuance and sale of the Underwritten Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be, an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act").

(19) Intellectual Property. To the knowledge of the Operating Partnership, neither the Operating Partnership nor any Subsidiary is required to own, possess or obtain the consent of any holder of any trademarks, service marks, trade names or copyrights not

now lawfully owned, possessed or licensed in order to conduct the business now operated by such entity, and none of the Operating Partnership or any Subsidiary has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any such proprietary rights, and which infringement or conflict (if the subject of any unfavorable decisions, ruling or finding) singly or in the aggregate would result in any Material Adverse Effect.

(20) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency or any other entity or person is necessary or required for the performance by the Operating Partnership of its obligations under this Underwriting Agreement, the applicable Terms Agreement, the Indenture or in connection with the transactions contemplated under this Underwriting Agreement, such Terms Agreement or the Indenture, except such as have been already obtained or as may be required under state securities laws or under the by-laws and rules of the National Association of Securities Dealers, Inc. Each of the Operating Partnership and the Subsidiaries possesses such certificates, permits, licenses, approvals, consents and other authorizations (collectively, "Governmental Licenses") issued by the appropriate federal, state, local or foreign regulatory agencies or bodies necessary to conduct the business now operated by them except for such Governmental Licenses, the failure to obtain would not, singly or in the aggregate, result in a Material Adverse Effect. The Operating Partnership and the Subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, singly or in the aggregate, result in a Material Adverse Effect. All of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not result in a Material Adverse Effect. Neither the Operating Partnership nor any Subsidiary has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would result in a Material Adverse Effect.

(22) Title to Property. The Operating Partnership, the Subsidiaries or any joint venture partnership in which the Operating Partnership owns an interest, as the case may be, have good and marketable fee simple title or leasehold title, as the case may be, to all real property and related improvements and other assets owned or leased, or represented to be owned or leased, as applicable, by the Operating Partnership or the Subsidiaries, and good title to all other properties owned by them, and any improvements thereon and all other assets that are required for the effective operation of such properties in the manner in which they currently are operated, free and clear of all liens, encumbrances, claims, security interests and defects, except such as are Permitted Encumbrances (as defined below). All liens, charges, encumbrances, claims or restrictions on or affecting any of the Properties and the assets of any of the Operating Partnership, the Subsidiaries or any joint venture partnership in which the Operating Partnership owns an interest that

are required to be disclosed in the Prospectus are disclosed therein. Each of the Properties comply with all applicable codes, laws and regulations and (including, without limitation, building and zoning codes, laws and regulations and laws relating to access to the Properties), except if and to the extent disclosed in the Prospectus and except for such failures to comply that would not in the aggregate have a Material Adverse Effect. There are in effect for the assets of each of the Operating Partnership, the Subsidiaries or any joint venture partnership in which the Operating Partnership owns an interest, insurance policies covering the risks and in amounts that are commercially reasonable for the types of assets owned by them and that are consistent with the types and amounts of insurance typically maintained by prudent owners of properties similar to such assets in the markets in which such assets are located, and none of the Operating Partnership, the Subsidiaries or any joint venture partnership in which the Operating Partnership owns an interest has received from any insurance company notice of any material defects or deficiencies affecting the insurability of any such assets or any notices of cancellation or intent to cancel any such policies. The Operating Partnership has no knowledge of any pending or threatened, litigation, moratorium, condemnation proceedings, zoning change, or other similar proceeding or action that could in any manner affect the size of, use of, improvements on, construction on, access to or availability of utilities or other necessary services to the Properties, except such proceedings or actions that would not have a Material Adverse Effect. All of the leases and subleases material to the business of the Operating Partnership and the Subsidiaries considered as one enterprise, and under which the Operating Partnership or any Subsidiary holds Properties described in the Prospectus, are in full force and effect, and neither the Operating Partnership nor any Subsidiary has received any notice of any material claim of any sort that has been asserted by anyone adverse to the rights of the Operating Partnership nor any Subsidiary under any of the leases or subleases mentioned above, or affecting or questioning the rights of the Operating Partnership or any Subsidiary of the continued possession of the leased or subleased premises under any such lease or sublease. (24) Tax Returns. Each of the Operating Partnership and any Subsidiary has filed all federal, state, local and foreign income tax returns which have been required to be filed (except in any case in which an extension has been granted or the failure to so file would not have a Material Adverse Effect) and has paid all taxes required to be paid and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except, in all cases, for any such tax, assessment, fine or penalty that is being contested in good faith.

(25) Environmental Consultants. (27) Absence of Regulation M Violation. None of the Company, the Operating Partnership, the Subsidiaries, nor any of their respective directors, officers, members or controlling persons, has taken or will take, directly or indirectly, any action resulting in a violation of Regulation M under the 1934 Act, or designed to cause or result in, or that

has constituted or that reasonably might be expected to constitute, the stabilization or manipulation of the price of any security of the Operating Partnership to facilitate the sale or resale of the Securities.

(b) Officers' Certificates. Any certificate signed by any authorized representative of the Operating Partnership and delivered to any Underwriter or to counsel for the Underwriters in connection with the offering of the Underwritten Securities shall be deemed a representation and warranty by such entity or person, as the case may be, to each Underwriter as to the matters covered thereby on the date of such certificate and, unless subsequently amended or supplemented, at each Representation Date subsequent thereto.

SECTION 2. Sale and Delivery to Underwriters; Closing.

(a) Underwritten Securities. The several commitments of the Underwriters to purchase the Underwritten Securities pursuant to the applicable Terms Agreement shall be deemed to have been made on the basis of the representations and warranties herein contained and shall be subject to the terms and conditions herein set forth.

(b) Option Underwritten Securities. In addition, subject to the terms and conditions set forth therein, the Operating Partnership, as applicable, may grant, if so provided in the applicable Terms Agreement, an option to the Underwriters, severally and not jointly, to purchase up to the aggregate principal amount of the Option Underwritten Securities set forth therein at a price per Option Underwritten Security equal to the price per Initial Underwritten Security, less an amount equal to any interest paid or payable on the Initial Underwritten Securities but not payable on the Option Underwritten Securities. Such option, if granted, will expire 30 days after the date of such Terms Agreement, and may be exercised in whole or in part from time to time only for the purpose of covering over-allotments which may be made in connection with the offering and distribution of the Initial Underwritten Securities upon notice by First Union to the Operating Partnership setting forth the aggregate principal amount of Option Underwritten Securities as to which the several Underwriters are then exercising the option and the time, date and place of payment and delivery for such Option Underwritten Securities. Any such time and date of payment and delivery (each, a "Date of Delivery") shall be determined by First Union, but shall not be later than seven full business days after the exercise of said option, nor in any event prior to the Closing Time, unless otherwise agreed upon by First Union and the Operating Partnership. If the option is exercised as to all or any portion of the Option Underwritten Securities, each of the Underwriters, severally and not jointly, will purchase that proportion of the total aggregate principal amount of Option Underwritten Securities then being purchased which the aggregate principal amount of Initial Underwritten Securities each such Underwriter has severally agreed to purchase as set forth in such Terms Agreement bears to the total aggregate principal amount of Initial Underwritten Securities, subject to such adjustments as First Union in its discretion shall make to eliminate any sales or purchases of a fractional aggregate principal amount of Option Underwritten Securities.

(c) Payment. Payment of the purchase price for, and delivery of, the Initial Underwritten Securities shall be made at the office of Sidley Austin Brown & Wood LLP, or at such other place as shall be agreed upon by First Union and the Operating Partnership, at 10:00 a.m. (Eastern time) on the third (fourth, if the pricing occurs after 4:30 p.m. (Eastern time) on

any given day) business day after the date of the applicable Terms Agreement (unless postponed in accordance with the provisions of Section 10 hereof), or such other time not later than ten business days after such date as shall be agreed upon by First Union and the Operating Partnership (such time and date of payment and delivery being herein called "Closing Time"). In addition, in the event that the Underwriters have exercised their option, if any, to purchase any or all of the Option Underwritten Securities, payment of the purchase price for, and delivery of such Option Underwritten Securities, shall be made at the above-mentioned offices of Sidley Austin Brown & Wood LLP, or at such other place as shall be agreed upon by First Union and the Operating Partnership on the relevant Date of Delivery as specified in the notice from First Union to the Operating Partnership.

Payment shall be made to the Operating Partnership by wire transfer of Federal funds or similar same day funds payable to the order of the Operating Partnership against delivery to First Union for the respective accounts of the Underwriters of the Underwritten Securities to be purchased by them. It is understood that each Underwriter has authorized First Union, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Underwritten Securities which it has severally agreed to purchase. First Union, individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Underwritten Securities to be purchased by any Underwriter whose check has not been received by the Closing Time or the relevant Date of Delivery, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) Denominations; Registration. The Underwritten Securities shall be in such denominations and registered in such names as First Union may request in writing at least one full business day prior to the Closing Time or the relevant Date of Delivery, as the case may be. The Underwritten Securities will be made available for examination and packaging by First Union in The City of New York not later than 10:00 a.m. (Eastern time) on the business day prior to the Closing Time or the relevant Date of Delivery, as the case may be.

SECTION 3. Covenants of the Operating Partnership.

The Operating Partnership covenants with First Union and with each Underwriter participating in the offering of Underwritten Securities, as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Operating Partnership, subject to Section 3(b), will comply with the requirements of the 1933 Act Regulations, including Rule 430A and Rule 434, and will notify First Union immediately, and confirm the notice in writing, of (i) the effectiveness of any post-effective amendment to the Registration Statement or the filing of any supplement or amendment to the Prospectus, (ii) the receipt of any comments from the Commission, (iii) any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information, and (iv) the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Underwritten Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes. The Operating Partnership will promptly effect the filings

necessary pursuant to Rule 424 and will take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 424 was received for filing by the Commission and, in the event that it was not, it will promptly file the Prospectus. The Operating Partnership will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) Filing of Amendments. At any time when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act in connection with sales of the Underwritten Securities, the Operating Partnership will give First Union notice of its intention to file or prepare any amendment to the Registration Statement (including any filing under Rule 462(b) of the 1933 Act Regulations), any Term Sheet or any amendment, supplement or revision to either the prospectus included in the Registration Statement at the time it became effective or to the Prospectus, whether pursuant to the 1933 Act, the 1934 Act or otherwise, will furnish First Union with copies of any such documents a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which First Union or counsel for the Underwriters shall reasonably object.

(c) Delivery of Registration Statements. The Operating Partnership has furnished or will deliver to First Union and counsel for the Underwriters, without charge, a signed copy of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also deliver to First Union and counsel for the Underwriters, without charge, conformed copies of the Registration Statement as originally filed and of each amendment thereto for each of the Underwriters. If applicable, the copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) Delivery of Prospectuses. The Operating Partnership will deliver to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter may reasonably request, and the Operating Partnership hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Operating Partnership will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act and prior to 4:00 p.m. New York City time on the New York business day next succeeding the date of the applicable Terms Agreement, such number of copies of the Prospectus as such Underwriter may reasonably request. If applicable, the Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(e) Continued Compliance with Securities Laws. The Operating Partnership will comply with the 1933 Act and the 1933 Act Regulations and the 1934 Act and the 1934 Act Regulations so as to permit the completion of the distribution of the Underwritten Securities as contemplated in this Underwriting Agreement and the applicable Terms Agreement and in the Registration Statement and the Prospectus. If at any time when the applicable preliminary prospectus or Prospectus is required by the 1933 Act or the 1934 Act to be delivered in

connection with sales of the Securities, any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriter or for the Operating Partnership, to amend the Registration Statement in order that the Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or to amend or supplement the applicable preliminary prospectus or Prospectus in order that the applicable preliminary prospectus or Prospectus will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the applicable preliminary prospectus or Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, the Operating Partnership will promptly prepare and file with the Commission, subject to Section 3(b), such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement, applicable preliminary prospectus or the Prospectus comply with such requirements, and the Operating Partnership will furnish to the Underwriters and counsel for the Underwriters, without charge, such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(f) Blue Sky Qualifications. The Operating Partnership will use its best efforts, in cooperation with the Underwriters, to qualify the Underwritten Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as First Union may designate and to maintain such qualifications in effect for a period of not less than one year from the date of the applicable Terms Agreement; provided, however, that the Operating Partnership shall not be obligated to file any general consent to service of process or to qualify or register as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or registered, or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject. In each jurisdiction in which the Underwritten Securities have been so qualified or registered, the Operating Partnership will file such statements and reports as may be required by the laws of such jurisdiction to continue such qualification in effect for a period of not less than one year from the date of such Terms Agreement.

(g) Earnings Statement. The Operating Partnership will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its security holders as soon as practicable an earnings statement (in form complying with Rule 158 of the 1933 Act Regulations) for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(h) Reporting Requirements. The Operating Partnership, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(i) Restriction on Sale of Securities. Between the date of the applicable Terms Agreement and the Closing Time and/or such other date specified in such Terms Agreement, the Operating Partnership and any other entity or person named in the applicable Terms Agreement

will not, without the prior written consent of First Union, directly or indirectly, issue, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, the securities specified in such Terms Agreement subject to any conditions listed therein.

(j) REIT Qualification. The Company will use its best efforts to continue to meet the requirement to qualify as a "real estate investment trust" under the Code for each of its taxable years.

(k) Use of Proceeds. The Operating Partnership will use the net proceeds received by it from the sale of the Underwritten Securities in the manner specified in the Prospectus under "Use of Proceeds."

(l) Exchange Act Filings. During the period from each Closing Time until March 31, 2005, the Operating Partnership will deliver to First Union, (i) promptly upon their becoming available, copies of all current, regular and periodic reports of the Operating Partnership mailed to its unitholders or filed with any securities exchange or with the Commission or any governmental authority succeeding to any of the Commission's functions, and (ii) such other information concerning the Operating Partnership as First Union may reasonably request.

(m) No Manipulation of Market for Securities. Except for the authorization of actions permitted to be taken by the Underwriters as contemplated herein or in the Prospectus, the Operating Partnership will not (a) take, directly or indirectly, any action designed to cause or to result in, or that might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Operating Partnership to facilitate the sale or resale of the Underwritten Securities, and (b) until the Closing Date, or the Date of Delivery, if any, (i) sell, bid for or purchase the Underwritten Securities or pay any person any compensation for soliciting purchases of the Underwritten Securities or (ii) pay or agree to pay to any person any compensation for soliciting another to purchase any other securities of the Operating Partnership.

(p) Rule 462(b) Registration Statement. If the Operating Partnership elects to rely upon Rule 462(b), the Operating Partnership shall file a Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) by 10:00 P.M., Washington, D.C. time, on the date of this Agreement, and the Company shall at the time of filing either pay to the Commission the filing fee for the Rule 462(b) Registration Statement or give irrevocable instructions for the payment of such fee pursuant to Rule 111(b) under the 1933 Act.

SECTION 4. Payment of Expenses.

(a) Expenses. The Operating Partnership will pay all expenses incident to the performance of its obligations under this Underwriting Agreement and each applicable Terms Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) as originally filed and of each amendment thereto, (ii) the preparation, printing and delivery to the Underwriters of this Underwriting Agreement, any Terms Agreement, any Agreement among Underwriters, the Indenture and such other documents as may be required in connection with the offering, purchase, sale and delivery of the Underwritten Securities, (iii) the preparation, issuance and delivery of the Underwritten Securities to the Underwriters, (iv) the fees and disbursements of the Operating Partnership's

(b) Termination of Agreement. If the applicable Terms Agreement is terminated by First Union in accordance with the provisions of Section 5 or Section 9(b) hereof, the Operating Partnership shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters' Obligations.

The obligations of the Underwriters to purchase and pay for the Underwritten Securities pursuant to the applicable Terms Agreement are subject to the accuracy of the representations and warranties of the Operating Partnership contained in Section 1 hereof or in certificates of any officer or authorized representative of the Operating Partnership delivered pursuant to the provisions hereof, to the performance by the Operating Partnership of its covenants and other obligations hereunder, and to the following further conditions:

(h) Over-Allotment Option. In the event that the Underwriters are granted an over-allotment option by the Operating Partnership in the applicable Terms Agreement and the Underwriters exercise their option to purchase all or any portion of the Option Underwritten Securities, the representations and warranties of the Operating Partnership contained herein and the statements in any certificates furnished by the Operating Partnership hereunder shall be true and correct as of each Date of Delivery, and, at the relevant Date of Delivery, First Union shall have received:

(1) A certificate dated such Date of Delivery, of the President or a Vice President of the Company, as general partner of the Operating Partnership, and the chief financial officer or chief accounting officer of the Company, as general partner of the Operating Partnership, confirming that the certificate delivered at the Closing Time pursuant to Section 5(d) hereof remains true and correct as of such Date of Delivery.

(2) The favorable opinion of Sidley Austin Brown & Wood LLP, counsel for the Operating Partnership, in form and substance satisfactory to counsel for the Underwriters, dated such Date of Delivery, relating to the Option Underwritten Securities and otherwise to the same effect as the opinion required by Section 5(b) hereof.

(3) The favorable opinion of Clifford Chance Rogers & Wells LLP, counsel for the Underwriters, dated such Date of Delivery, relating to the Option Underwritten Securities and otherwise to the same effect as the opinion required by Section 5(c) hereof.

(4) A letter from Ernst & Young LLP, in form and substance satisfactory to First Union and dated such Date of Delivery, to the effect that they reaffirm the statements made in the letter furnished pursuant to Subsection (e) of this Section 5, except that the "specified date" on the letter furnished pursuant to this paragraph shall be a date not more than three business days prior to such Date of Delivery.

(i) Additional Documents. At Closing Time and at each Date of Delivery, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Underwritten Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained.

(j) Termination of Terms Agreement. If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, the applicable Terms Agreement (or, with respect to the Underwriters' exercise of any applicable over-allotment option for the purchase of Option Underwritten Securities on a Date of Delivery after the Closing Time, the obligations of the Underwriters to purchase the Option Underwritten Securities on such Date of Delivery) may be terminated by First Union by notice to the Operating Partnership at any time at or prior to the Closing Time (or such Date of Delivery, as applicable), and such termination shall be without liability of any party to any other party except as provided in Section 4, and except that Sections 1, 6 and 7 shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) Indemnification of Underwriters. The Operating Partnership agrees to indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act, and any director, officer, employee or affiliate thereof, as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement or a material fact contained in the Registration Statement (or any amendment thereto), including the information deemed to be part of the Registration Statement pursuant to Rule 430A(b) of the 1933 Act Regulations, if applicable, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation or of any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever for which indemnification is provided under subsection (1) above, if such settlement is effected with the written consent of the indemnifying party, which consent shall not be unreasonably withheld; and

(3) against any and all expense whatsoever (including without limitation, the fees and disbursements of counsel chosen by First Union) reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceedings by any governmental agency or body, commenced or threatened, or any

claim whatsoever for which indemnification is provided under subsection (1) above, to the extent that any such expense is not paid under subsection (1) or (2) above; provided, however, that the indemnity agreement provided for in this Section 6(a) shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Operating Partnership by any Underwriter through First Union expressly for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto); provided, however, that neither the Company nor the Operating Partnership shall be required to indemnify any Underwriter with respect to any preliminary prospectus to the extent that any loss, claim, damage or expense of such Underwriter results solely from an untrue statement of a material fact contained in, or the omission of a material fact from, such preliminary prospectus which untrue statement or omission was corrected in the Prospectus and identified to such Underwriter in writing and which corrected Prospectus was furnished by the Company to such Underwriter pursuant to Section 3(d) hereof but it shall be established that such Prospectus was not sent or given by such Underwriter to the purchaser of the Underwritten Securities at or prior to the written confirmation of such sale and such correction would have cured the defect giving rise to such loss, claim, damage or expense.

(b) Indemnification of the Operating Partnership. Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Operating Partnership, and each person, if any, who controls the Operating Partnership within the meaning of Section 15 of the 1933 Act, and any employee or affiliate thereof, against any and all loss, liability, claim, damage, and expense described in the indemnity contained in subsection (a) of this Section 6, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Operating Partnership by such Underwriter through First Union expressly for use in the Registration Statement (or any amendment thereto) or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto).

(c) Actions against Parties; Notification; Settlement without Consent if Failure to Reimburse. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may participate at its own expense in the defense of such action. If it so elects within a reasonable time after receipt of such notice, an indemnifying party, jointly with any other indemnifying parties receiving such notice, may assume the defense of such action with counsel chosen by it and reasonably approved by the other indemnifying parties defendant in such action and reasonably approved by the indemnified party (who shall not, except with the consent of the indemnified party, be counsel to an indemnifying party), unless such other indemnifying parties or an indemnified party reasonably object to such assumption on the ground that the named parties to any such action (including any impleaded parties) include both such indemnified party and an indemnifying party, and such indemnified party reasonably believes that there may be legal defenses available to it which are

different from or in addition to those available to such indemnifying party. If an indemnifying party assumes the defense of such action, the indemnifying parties shall not be liable for any fees and expenses of counsel for the indemnified parties incurred thereafter in connection with such action. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgement (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

SECTION 7. Contribution.

In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, the Operating Partnership, on the one hand, and the Underwriters, on the other, shall contribute to the aggregate losses, liabilities claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Operating Partnership and the Underwriters, as incurred, in such proportions that the Underwriters are responsible for that portion represented by the percentage that the underwriting discount appearing on the cover page of the Prospectus bears to the initial public offering price appearing thereon and the Operating Partnership are responsible for the balance. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under Section 6(c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits allocation referred to in the first sentence of this Section 7 but also the relative fault of the Operating Partnership, on the one hand, and the Underwriters on the other, in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Operating Partnership, on the one hand, or such Underwriters, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Operating Partnership and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this Section shall be deemed to include any legal or other expenses reasonably incurred by such

indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Underwritten Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. Notwithstanding the foregoing, no person guilty of fraudulent misrepresentation (within the meaning of section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as such Underwriter, and each employee or affiliate of the Operating Partnership and each person, if any, who controls the Operating Partnership within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as the Operating Partnership.

The Underwriters' obligations to contribute pursuant to this Section 7 are several in proportion to their respective underwriting commitments and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Underwriting Agreement or the applicable Terms Agreement or in certificates of authorized representatives of the Operating Partnership submitted pursuant hereto or thereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Operating Partnership, and shall survive delivery of and payment for the Underwritten Securities.

SECTION 9. Termination.

(a) Underwriting Agreement. This Underwriting Agreement (excluding the applicable Terms Agreement) may be terminated for any reason at any time by the Operating Partnership or by First Union upon the giving of 30 days' prior written notice of such termination to the other party hereto.

(b) Terms Agreement. First Union may terminate the applicable Terms Agreement, by notice to the Operating Partnership, at any time at or prior to the Closing Time or any relevant Date of Delivery, if (i) there has been, since the time of execution of such Terms Agreement or since the respective dates as of which information is given in the Prospectus, any material adverse change in the condition, financial or otherwise, or in the earnings, business affairs or business prospects of the Operating Partnership and any Subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, in each case the effect of which is such as to make it, in the judgment of First Union, impracticable or inadvisable to market the Underwritten Securities, or (ii) there has occurred any material adverse change in the financial markets in the United States or internationally or any outbreak of hostilities or acts of terrorism involving the United States or there is a declaration by the United States of a national emergency or war or escalation thereof or other calamity or crisis, or any change or development involving a prospective change in national or international political, financial, or economic

conditions, in each case the effect of which is such as to make it, in the judgment of First Union, impracticable or inadvisable to market the Underwritten Securities or to enforce contracts for the sale of the Underwritten Securities, or (iii) trading in any securities of the Operating Partnership has been suspended or limited by the Commission or the New York Stock Exchange, or if trading generally on the New York Stock Exchange or the American Stock Exchange or in the over-the-counter market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by either of said exchanges or by such system or by order of the Commission, the NASD or any other governmental authority, or (iv) a banking moratorium has been declared by either Federal or New York authorities.

(c) Liabilities. If this Underwriting Agreement or the applicable Terms Agreement is terminated pursuant to this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7, 8 and 13 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Default by One or More of the Underwriters.

If one or more of the Underwriters shall fail at the Closing Time or the relevant Date of Delivery, as the case may be, to purchase the Underwritten Securities which it or they are obligated to purchase under the applicable Terms Agreement (the "Defaulted Securities"), then First Union shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, First Union shall not have completed such arrangements within such 24-hour period, then:

(a) if the aggregate principal amount of Defaulted Securities does not exceed 10% of the aggregate principal amount of Underwritten Securities to be purchased on such date pursuant to such Terms Agreement, the non-defaulting Underwriters named in such Terms Agreement shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations under such Terms Agreement bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the aggregate principal amount of Defaulted Securities exceeds 10% of the aggregate principal amount of Underwritten Securities to be purchased pursuant to such Terms Agreement, such Terms Agreement (or, with respect to the Underwriters' exercise of any applicable over-allotment option for the purchase of Option Underwritten Securities on a Date of Delivery after the Closing Time, the obligations of the Underwriters to purchase, and the Company to sell, such Option Underwritten Securities on such Date of Delivery) shall terminate without liability on the part of any non-defaulting Underwriter except as provided by Section 9(c).

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in (i) a termination of the applicable Terms Agreement or (ii) in the case of a Date of Delivery after the Closing Time, a termination of the obligations of the Underwriters and the Company with respect to the related Option Underwritten Securities, as the case may be, either First Union or the Operating Partnership shall have the right to postpone the Closing Time or the relevant Date of Delivery, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement or the Prospectus or in any other documents or arrangements.

SECTION 11. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to First Union at 301 South College Street, Floor DC8, Charlotte, North Carolina 20888, attention: Registration Department; and notices to the Operating Partnership shall be directed to them at 225 Broadhollow Road, Melville, New York 11747, attention of Scott H. Rechler, Co-Chief Executive Officer.

SECTION 12. Parties.

This Underwriting Agreement and the applicable Terms Agreement shall each inure to the benefit of and be binding upon the parties hereto and, upon execution of such Terms Agreement, any other Underwriters and their respective successors. Nothing expressed or mentioned in this Underwriting Agreement or such Terms Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters, the Operating Partnership and their respective successors and the controlling persons and officers and directors referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Underwriting Agreement or such Terms Agreement or any provision herein or therein contained. This Underwriting Agreement and such Terms Agreement and all conditions and provisions hereof and thereof are intended to be for the sole and exclusive benefit of the parties hereto and thereto and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Underwritten Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

SECTION 13. Governing Law and Time.

THIS UNDERWRITING AGREEMENT AND ANY APPLICABLE TERMS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED IN SAID STATE. SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

SECTION 14. Effect of Headings.

The Article and Section headings herein and the Table of Contents are for convenience only and shall not affect the construction hereof.

SECTION 15. Counterparts.

This Underwriting Agreement and the applicable Terms Agreements may be executed in one or more counterparts, and if executed in more than one counterpart, the executed counterparts shall constitute a single instrument.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Operating Partnership a counterpart hereof, whereupon this Underwriting Agreement, along with all counterparts, will become a binding agreement between First Union and the Operating Partnership in accordance with its terms.

FORM OF OPINION OF THE COMPANY'S AND THE
OPERATING PARTNERSHIP'S COUNSEL
TO BE DELIVERED PURSUANT TO
SECTION 5(b)

(1) The Company has been duly incorporated and is validly existing as a corporation and is in good standing with the State Department of Assessment and Taxation of Maryland. The Company has the corporate power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under, or as contemplated under, the Underwriting Agreement and the applicable Terms Agreement and is duly qualified or registered as a foreign corporation to transact business and is in good standing in the jurisdictions indicated on Schedule I hereto.

(2) The Operating Partnership has been duly organized and is validly existing as a limited partnership and is in good standing with the Secretary of State of Delaware. The Operating Partnership has the partnership power and authority to own, lease and operate its properties and to conduct its business as described in the Prospectus and to enter into and perform its obligations under, or as contemplated under, the Underwriting Agreement and the applicable Terms Agreement and is duly qualified or registered as a foreign corporation to transact business and is in good standing in the jurisdictions indicated on Schedule I hereto.

(3) All the outstanding Units have been duly authorized for issuance by the Operating Partnership to the holders of Units and, assuming that the holders of Units, as limited partners of the Operating Partnership do not participate in the control of the business of the Operating Partnership, the Units will represent valid and, subject to the qualifications set forth herein, fully paid and non-assessable limited partner interests in the Operating Partnership, as to which the holders of Units, in their capacity as limited partners of the Operating Partnership, will have no liability in excess of their obligations to make contributions to the Operating Partnership, their obligations to make other payments provided for in the Operating Partnership Agreement and their share of the Operating Partnership's assets and undistributed profits (subject to the obligation of a limited partner of the Operating Partnership to repay any funds wrongfully distributed to it). No Units are reserved for any purpose and except for the "put rights" accorded to Odyssey Partners, L.P., under Section 12.4 of the Second Amended and Restated Agreement of Limited Partnership of the Omni Partnership, and the rights of the holders of the Series B common units, Series A, B, C, D, E and F preferred units of limited partner interest in the Operating Partnership, and as otherwise described in the Registration Statement, to our knowledge, there are no outstanding securities convertible into or exchangeable for any Units and no outstanding options, rights (preemptive or otherwise) or warrants to purchase or subscribe for Units or any other securities of the Operating Partnership arising by operation of law or under the organizational documents of the Operating Partnership or any contracts to which the Operating Partnership is a party of which we are aware.

(4) Each Significant Subsidiary has been duly incorporated or organized and is validly existing as a corporation, limited partnership or other legal entity, as the case may be, in good standing under the laws of the jurisdiction of its incorporation or organization, as the case may be, and has the partnership or limited liability company power and authority to own, lease and operate its properties and to conduct the business in which it is engaged or proposes to engage as described in the Prospectus and is duly qualified or registered as a foreign corporation, limited partnership or other legal entity, as the case may be, to transact business and is in good standing in the jurisdictions indicated on Schedule I hereto. Except as otherwise stated in the Registration Statement and the Prospectus, all of the issued and outstanding capital stock or other equity interests, as the case may be, of each Significant Subsidiary has been duly authorized and is validly issued, fully paid and non-assessable.

(5) The Underwriting Agreement and the applicable Terms Agreement has been duly authorized, executed and delivered by the Operating Partnership.

(6) The Indenture has been duly authorized, executed and delivered by the Operating Partnership and constitutes a valid and legally binding agreement, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture has been duly qualified under the Trust Indenture Act.

(7) The Underwritten Securities have been duly authorized by the Operating Partnership and, when issued and delivered pursuant to the Indenture, the Underwriting Agreement and the applicable Terms Agreement against payment of the requisite consideration therefor, such Underwritten Securities will have been duly executed and delivered by the Operating Partnership and will constitute valid and legally binding obligations of the Operating

Partnership entitled to the benefits provided by the Indenture, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights generally and to general equity principles.

(8) The Underwritten Securities being sold pursuant to the applicable Terms Agreement and the Indenture conform, in all material respects, to the statements relating thereto contained in the Prospectus and are in substantially the form filed or incorporated by reference, as the case may be, as an exhibit to the Registration Statement.

(9) The information in the Prospectus under "Description of Debt Securities," "Description of Notes" and "Federal Income Tax Considerations," and such other information in the Prospectus Supplement or in any Annual Report on Form 10-K of the Company as may be agreed upon from time to time by the Company and First Union, to the extent that it constitutes matters of law, descriptions of statutes, rules or regulations, summaries of legal matters, the Operating Partnership's legal proceedings, or legal conclusions, has been reviewed by us and is correct in all material respects and fairly summarizes the information required to be disclosed therein.

(10) To our knowledge, neither the Company, the Operating Partnership nor any of the Significant Subsidiaries is in violation of its charter, by-laws, partnership agreement, or other organizational document, as the case may be, and to our knowledge no default by the Operating Partnership or any Significant Subsidiary exists in the due performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument that is filed or incorporated by reference as an exhibit to the Registration Statement, except for such defaults that would not have Material Adverse Effect, and except that we express no opinion concerning whether there has been a default under any such contract, indenture, mortgage, loan agreement, note, lease or other agreement or instrument with regard to insurance coverage for acts of terrorism.

(11) The execution, delivery and performance of the Underwriting Agreement, the applicable Terms Agreement and the Indenture and consummation of the transactions contemplated in the Underwriting Agreement and such Terms Agreement and in the Registration Statement and the Prospectus (including the issuance and sale of the Underwritten Securities) and compliance by the Operating Partnership or any Significant Subsidiary with its obligations thereunder do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Operating Partnership or any Significant Subsidiary pursuant to, any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or any other agreement or instrument, filed or incorporated by reference as an exhibit to the Registration Statement to which the Operating Partnership or any Significant Subsidiary is a party or by which it or any of them may be bound, or to which any of the assets, properties or operations of the Operating Partnership or any Significant Subsidiary is subject, except for such conflicts, breaches, defaults, events or liens, charges or encumbrances that would not result in a Material Adverse Effect, nor will such action result in any violation of the provisions of the charter, by-laws, or agreement of limited partnership, as applicable, of the Operating Partnership or any Significant Subsidiary or any applicable Delaware Revised Uniform Limited Partnership Act,

Maryland, New York, or U.S. federal laws, statute, rule, regulations, judgment, order, writ or decree, known to us, of any Delaware, Maryland, New York or U.S. federal government, government instrumentality or court, domestic or foreign, having jurisdiction over the Operating Partnership or any Significant Subsidiary or any of their assets, properties or operations.

(12) To our knowledge, except as disclosed in the Prospectus, there are no pending or threatened actions, suits or proceedings against or affecting any of the Operating Partnership or any Subsidiary or any of their respective properties or other assets that, if determined adversely to any such entity would individually or in the aggregate have a Material Adverse Effect or would materially adversely affect the ability of the Operating Partnership to perform its obligations under the Underwriting Agreement and the applicable Terms Agreement.

(13) At all times since January 1, 1995, the Company has been organized and conducts its business in a manner that will enable it to qualify as (and has timely taken all necessary steps to maintain qualification) as a real estate investment trust under the Internal Revenue Code of 1986, as amended (the "Code"). The proposed method of operation, as described in the Prospectus, of the Company will enable the Company to continue to meet the requirements for taxation as a real estate investment trust under the Code and to the best of our knowledge, no actions have been taken (or not been taken which are required to be taken) which could cause such qualification to be lost for any of its subsequent taxable years.

(14) The descriptions in the Registration Statement of the \$50,000,000 6.00% Note due 2007 to be issued pursuant to the Indenture, dated as of March 26, 1999 between the Company, Reckson Associates Realty Corp. and The Bank of New York as well as contracts and other documents filed as exhibits to the Operating Partnership's Annual Report on Form 10-K to which the Operating Partnership or any Subsidiary is a party, are accurate in all material respects. To our knowledge, there are no franchises, contracts, indentures, mortgages, loan agreements, notes, leases or other instruments required to be described or referred to in the Registration Statement or to be filed as exhibits thereto other than those described or referred to therein or filed or incorporated by reference as exhibits thereto.

(15) The Registration Statement was declared effective under the 1933 Act as of March 11, 1999. Any required filing of the Prospectus pursuant to Rule 424(b) has been made in the manner and within the time period required by Rule 424(b). To our knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act or proceedings therefor initiated or threatened by the Commission.

(16) The Registration Statement, the Prospectus, excluding the documents incorporated by reference therein, and each amendment or supplement to the Registration Statement and the Prospectus, excluding the documents incorporated by reference therein, as of their respective effective or issue dates (other than the financial statements, supporting schedules or other financial data included or incorporated by reference therein or the Trustee's Statement of Eligibility on Form T-1, as to which we express no opinion), complied as to form in all material respects with the requirements of the 1933 Act and the 1933 Act Regulations and the Trust Indenture Act and 1939 Act Regulations.

(17) The documents incorporated by reference in the Prospectus (other than the financial statements, supporting schedules or other financial data included or incorporated by reference therein, as to which we express no opinion), when they were filed with the Commission, (or, if later, upon the filing of an amendment thereto), complied as to form in all material respects with the requirements of the 1934 Act and the rules and regulations of the Commission thereunder.

(18) No filing with, or authorization, approval, consent, license, order registration, qualification or decree of, any Delaware, Maryland, New York or U.S. federal court or governmental authority or agency is necessary or required for the performance by the Operating Partnership of its obligations under the Underwriting Agreement or the applicable Terms Agreement or in connection with the transactions contemplated under the Underwriting Agreement or such Terms Agreement other than under the 1933 Act, the 1933 Act Regulations, the Trust Indenture Act or the 1939 Act Regulations, which have been obtained, or as may be required under the by-laws and rules of the NASD, state securities or blue sky laws.

(19) The Operating Partnership is not an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "1940 Act").

Nothing has come to our attention that would cause us to believe that the Registration Statement (other than financial statements, supporting schedules and other financial data included or incorporated by reference therein or omitted therefrom and for statistical information derived from such financial statements, schedules or other financial data or the Trustee's Statement of Eligibility of Form T-1, as to which we have not been requested to comment), at the time the Registration Statement or any post-effective amendment thereto (including the filing of the Operating Partnership's Annual Report on Form 10-K with the Commission) became effective or at the date of the applicable Terms Agreement, contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or that the Prospectus or any amendment or supplement thereto (other than financial statements, supporting schedules and other financial data included or incorporated by reference therein or omitted therefrom and for statistical information derived from such financial statements, schedules or other financial data, as to which we have not been requested to comment), at the time the Prospectus was issued, at the time any such amended or supplemented prospectus was issued or at the Closing Time, included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

In rendering such opinion, such counsel may rely as to matters of fact (but not as to legal conclusions), to the extent they deem proper, on certificates of authorized representatives of the Operating Partnership and public officials. Such opinion shall not state that it is to be governed or qualified by, or that it is otherwise subject to, any treatise, written policy or other document relating to legal opinions, including, without limitation, the Legal Opinion Accord of the ABA Section of Business Law (1991).

[FORM OF ACCOUNTANTS' COMFORT LETTER PURSUANT TO SECTION 5(e)]

We are independent public accountants with respect to the Company within the meaning of the 1933 Act and the applicable published 1933 Act Regulations.

(i) in our opinion, the audited financial statements and the related financial statement schedules included or incorporated by reference in the Registration Statement and the Prospectus comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the published rules and regulations thereunder;

(ii) on the basis of procedures (but not an examination in accordance with generally accepted auditing standards) consisting of a reading of the unaudited interim [consolidated] financial statements of the Company for the [three month periods ended _____, ____, and _____, ____, the three and six month periods ended _____, ____, and _____, ____, and the three and nine month periods ended _____, ____, and _____, ____], included or incorporated by reference in the Registration Statement and the Prospectus (collectively, the "10-Q Financials")](1) [, a reading of the unaudited interim [consolidated] financial statements of the Company for the ____-month periods ended _____, ____/ and _____, ____, included in the Registration Statement and the Prospectus (the "____-month financials")](2) [, a reading of the latest available unaudited interim [consolidated] financial statements of the Company],(3) a reading of the minutes of all meetings of the stockholders and directors of the Company [and its subsidiaries] and the Committees of the Company's Board of Directors [and any subsidiary committees] since [day after end of last audited period], inquiries of certain officials of the Company [and its subsidiaries] responsible for financial and accounting matters, a review of interim financial information in accordance with standards established by the American Institute of Certified Public Accountants in Statement on Auditing Standards No. 71, Interim Financial Information ("SAS 71"),(4)

1 Include the appropriate dates of the 10-Q Financials.

2 Include if non-10-Q interim financial statements are included in the Registration Statement and the Prospectus.

3 Include if the most recent unaudited financial statements are not included in the Registration Statement and the Prospectus.

4 Note that a review in accordance with Statements on Auditing Standards ("SAS") No. 71 is required for an accountant to give negative assurance on interim financial information. A review in accordance with SAS No. 71 will only be performed at the request of the Company and the accountant's report, if any, related to that review will be addressed only to the Company. Many companies have a SAS No. 71 review performed in connection with the preparation of their 10-Q financial statements. See Codification of Statements on Auditing Standards, AU ss. 722 for a description of the procedures that constitute such a review. The comfort letter itself should recite that the review was performed and a copy of the report, if any, should be attached to the comfort letter. Any report issued pursuant to SAS No. 71

with respect to the [description of relevant periods](5) and such other inquiries and procedures as may be specified in such letter, nothing came to our attention that caused us to believe that:

[(A) the 10-Q Financials incorporated by reference in the Registration Statement and the Prospectus do not comply as to form in all material respects with the applicable accounting requirements of the 1934 Act and the 1934 Act Regulations applicable to unaudited financial statements included in Form 10-Q or any material modifications should be made to the 10-Q Financials incorporated by reference in the Registration Statement and the Prospectus for them to be in conformity with generally accepted accounting principles;](6)

[() the ____-month financials included in the Registration Statement and the Prospectus do not comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the 1933 Act Regulations applicable to unaudited interim financial statements included in registration statements or any material modifications should be made to the ____-month financials included in the Registration Statement and the Prospectus for them to be in conformity with generally accepted accounting principles;](7)

() at [_____, ____ and at](8) a specified date not more than five days(9) prior to the date of the applicable Terms Agreement, there was any change in the _____ of the Company [and its subsidiaries] or any decrease in the _____ of the Company [and its subsidiaries] or any increase in the

that is mentioned in the Registration Statement should also be included in the Registration Statement as an exhibit. If a review in accordance with SAS No. 71 has not and will not be performed by the accountants, they should be prepared to perform certain agreed-upon procedures on the interim financial information and to report their findings thereon in the comfort letter. See Codification of Statements on Auditing Standards, AU ss. 622 for a discussion of reports related to the accountant's performance of agreed-upon procedures. Any question as to whether a review in accordance with SAS No. 71 will be performed by the accountants should be resolved early.

5 The relevant periods include all interim unaudited condensed consolidation financial statements included or incorporated by reference in the Registration Statement and the Prospectus.

6 Include if the 10-Q Financials are incorporated by reference in the Registration Statement and the Prospectus.

7 Include if unaudited financial statements, not just selected unaudited data, are included in the Registration Statement and the Prospectus.

8 Include, and insert the date of most recent balance sheet of the Company, if those statements are more recent than the unaudited financial statements included in the Registration Statement and the Prospectus.

9 According to Example A of SAS No. 72, the specified date should be five calendar days prior to the date of the applicable Terms Agreement. However, in unusual circumstances, five business days may be used.

_____ of the Company [and its subsidiaries,](10) in each case as compared with amounts shown in the latest balance sheet included in the Registration Statement and the Prospectus, except in each case for changes, decreases or increases that the Registration Statement and the Prospectus disclose have occurred or may occur; or

() [for the period from _____, ____ to _____, ____ and](11) for the period from _____, ____ to a specified date not more than five days prior to the date of the applicable Terms Agreement, there was any decrease in _____, _____ or _____, (12) in each case as compared with the comparable period in the preceding year, except in each case for any decreases that the Registration Statement and the Prospectus discloses have occurred or may occur;

(iii) based upon the procedures set forth in clause (ii) above and a reading of the [Selected Financial Data] included in the Registration Statement and the Prospectus [and a reading of the financial statements from which such data were derived,](13) nothing came to our attention that caused us to believe that the [Selected Financial Data] included in the Registration Statement and the Prospectus do not comply as to form in all material respects with the disclosure requirements of Item 301 of Regulation S-K of the 1933 Act [, that the amounts included in the [Selected Financial Data] are not in agreement with the corresponding amounts in the audited [consolidated] financial statements for the respective periods or that the financial statements not included in the Registration Statement and the Prospectus from which certain of such data were derived are not in conformity with generally accepted accounting principles];(14)

10 The blanks should be filled in with significant balance sheet items, selected by the banker and tailored to the issuer's industry in general and operations in particular. While the ultimate decision of which items should be included rests with the banker, comfort is routinely requested for certain balance sheet items, including long-term debt, stockholders' equity, capital stock and net current assets.

11 Include, and insert dates to describe the period from the date of the most recent financial statements in the Registration Statement and the Prospectus to the date of the most recent unaudited financial statements of the Company, if those dates are different. Regardless of whether this language is inserted or not, the period including five days prior to the date of the applicable Terms Agreement should run from the date of the last financial statement included in the Registration Statement and the Prospectus, not from the later one that is not included in the Registration Statement and the Prospectus.

12 The blanks should be filled in with significant income statements items, selected by the banker and tailored to the issuer's industry in general and operations in particular. While the ultimate decision of which items should be included rests with the banker, comfort is routinely requested for certain income statement items, including net sales, total and per share amounts of income before extraordinary items and of net income.

13 Include only if there are selected financial data that have been derived from financial statements not included in the Registration Statement and the Prospectus.

14 In unusual circumstances, the accountants may report on "Selected Financial Data" as described in SAS No. 42, Reporting on Condensed Financial Statements and Selected Financial Data, and include

(iv) we have compared the information in the Registration Statement and the Prospectus under selected captions with the disclosure requirements of Regulation S-K of the 1933 Act and on the basis of limited procedures specified herein. Nothing came to our attention that caused us to believe that this information does not comply as to form in all material respects with the disclosure requirements of Items 302, 402 and 503(d), respectively, of Regulation S-K;

[(v) based upon the procedures set forth in clause (ii) above, a reading of the unaudited financial statements of the Company for [the most recent period] that have not been included in the Registration Statement and the Prospectus and a review of such financial statements in accordance with SAS 71, nothing came to our attention that caused us to believe that the unaudited amounts for _____ for the [most recent period] do not agree with the amounts set forth in the unaudited consolidated financial statements for those periods or that such unaudited amounts were not determined on a basis substantially consistent with that of the corresponding amounts in the audited [consolidated] financial statements;](15)

[(vi)] we are unable to and do not express any opinion on the [Pro Forma Combining Statement of Operations] (the "Pro Forma Statement") included in the Registration Statement and the Prospectus or on the pro forma adjustments applied to the historical amounts included in the Pro Forma Statement; however, for purposes of this letter we have:

(A) read the Pro Forma Statement;

(B) performed [an audit] [a review in accordance with SAS 71] of the financial statements to which the pro forma adjustments were applied;

(C) made inquiries of certain officials of the Company who have responsibility for financial and accounting matters about the basis for their determination of the pro forma adjustments and whether the Pro Forma Statement complies as to form in all material respects with the applicable accounting requirements of Rule 11-02 of Regulation S-X; and

in their report in the Registration Statement and the Prospectus the paragraph contemplated by SAS No. 42.9. This situation may arise only if the Selected Financial Data do not include interim period data and the five-year selected data are derived entirely from financial statements audited by the auditors whose report is included in the Registration Statement and the Prospectus. If the guidelines set forth in SAS No. 42 are followed and the accountant's report as included in the Registration Statement and the Prospectus includes the additional language prescribed by SAS No. 42.9, the bracketed language may be eliminated.

15 This language should be included when the Registration Statement and the Prospectus include earnings or other data for a period after the date of the latest financial statements in the Registration Statement and the Prospectus, but the unaudited interim financial statements from which the earnings or other data is derived is not included in the Registration Statement and the Prospectus. The blank should be filled in with a description of the financial statement item(s) included.

(D) proved the arithmetic accuracy of the application of the pro forma adjustments to the historical amounts in the Pro Forma Statement; and

on the basis of such procedures and such other inquiries and procedures as specified herein, nothing came to our attention that caused us to believe that the Pro Forma Statement included in the Registration Statement does not comply as to form in all material respects with the applicable requirements of Rule 11-02 of Regulation S-X or that the pro forma adjustments have not been properly applied to the historical amounts in the compilation of those statements;(16) and

[(vii)] in addition to the procedures referred to in clause (ii) above, we have performed other procedures, not constituting an audit, with respect to certain amounts, percentages, numerical data and financial information appearing in the Registration Statement and the Prospectus, which are specified herein, and have compared certain of such items with, and have found such items to be in agreement with, the accounting and financial records of the Company;(17) and

[(viii)] in addition, we [comfort on a financial forecast that is included in the Registration Statement and the Prospectus.(18)]

16 If an audit or a review in accordance with SAS No. 71 has not been performed by the accountants with respect to the underlying historical financial statements, or if negative assurance on the Company's pro forma financial statements is not otherwise available, the accountants should be requested to perform certain other procedures with respect to such pro forma financial statements. See Example O of SAS No. 72.

17 This language is intended to encompass all other financial/numerical information appearing in the Registration Statement and the Prospectus for which comfort may be given, including (but not limited to) amounts appearing in the Registration Statement and the Prospectus narrative and other summary financial data appearing in tabular form (e.g., the capitalization table).

18 Accountants' services with respect to a financial forecast may be in one of three forms: an examination of the forecast, a compilation of the forecast or the application of agreed-upon procedures to the forecast. If the accountant is to perform an examination of the forecast included in the Registration Statement and the Prospectus, delivery of the related report should be treated separately in Section 5(f) as follows (remember to change subsequent letters accordingly):

(f) At the time that the applicable Terms Agreement is executed by the Company, you shall have received from _____ a report, dated such date, in form and substance satisfactory to you, together with signed or reproduced copies of such report for each of the other Underwriters, stating that, in their opinion, the forecasted financial statements for the [relevant period or periods] included in the Registration Statement and the Prospectus are presented in conformity with guidelines for presentation of a forecast established by the AICPA, and that the underlying assumptions provide a reasonable basis for management's forecast.

If the accountant is to perform a compilation of the forecasted financial statements included in the Registration Statement and the Prospectus, delivery of the related report should be treated separately in Section 5(e) as follows:

(f) At the time that the applicable Terms Agreement is executed by the Company, you shall have received from _____ a report, dated such date, in form and substance satisfactory to you, together with signed or reproduced copies of such report of each of the other Underwriters, stating that they have compiled the forecasted financial statements for the [relevant period or periods] included in the Registration Statement and the Prospectus in accordance with the guidelines established by the AICPA.

Finally, if the accountant is to perform agreed-upon procedures on a forecast included in the Registration Statement and the Prospectus, SAS No. 72 requires that the accountant first prepare a compilation report with respect to the forecast and attach that report to the comfort letter. The accountant may then report on specific procedures performed and findings obtained.

RECKSON OPERATING PARTNERSHIP, L.P.

6.00% Note due 2007

Reckson Operating Partnership, L.P., a limited partnership duly organized and existing under the laws of Delaware (the "Issuer," which term includes any successor thereto under the Indenture (as defined on the reverse hereof)), for value received, hereby promises to pay to Cede & Co. c/o The Depository Trust Company, or its registered assigns, the principal amount of \$50,000,000 on June 15, 2007 (the "Stated Maturity Date"), unless redeemed on any Redemption Date (as defined on the reverse hereof) in accordance with the provisions set forth on the reverse hereof (the Stated Maturity Date or any Redemption Date is referred to herein as the "Maturity Date" with respect to the principal repayable on such date) and to pay interest on the outstanding principal amount hereof semiannually in arrears on June 15 and December 15 of each year, commencing on December 15, 2002 (each, an "Interest Payment Date"), at the rate of 6.00% per annum, until payment of said principal has been made or duly provided for. Interest on this Note on an Interest Payment Date will accrue from and including the immediately preceding Interest Payment Date to which interest has been paid or duly provided for, or from and including June 17, 2002 if no interest has been paid or duly provided for, to but excluding the applicable Interest Payment Date or the Maturity Date, as the case may be. Interest on this Note will be computed on the basis of a 360-day year consisting of twelve 30-day months.

The interest so payable and punctually paid or duly provided for on any Interest Payment Date will be paid to the Holder in which name this Note (or one or more predecessor Notes) is registered in the Security Register at the close of business on the "Regular Record Date" for such payment, which shall be the June 1 or December 1, as the case may be, immediately preceding such Interest Payment Date (regardless of whether such day is a Business Day (as defined below)). Any such interest not so

punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and shall be paid to the Person in whose name this Note (or one or more predecessor Notes) is registered at the close of business on a subsequent Special Record Date for the payment of such defaulted interest (which shall be not more than 15 days and not less than 10 Business Days prior to the date of the payment of such defaulted interest) established by notice given by mail by or on behalf of the Issuer to the Holders of the Notes not less than 10 days preceding such subsequent Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in the Indenture.

The principal of, and the Make-Whole Amount (as defined on the reverse hereof), if any, with respect to, this Note payable on the Maturity Date will be paid against presentation and surrender of this Note at the office or agency of the Issuer maintained for that purpose in The City of New York. The Issuer hereby initially designates the Corporate Trust Office of the Trustee at 101 Barclay Street, Floor 21 West, New York, New York 10286 as the office to be maintained by it where Notes may be presented for payment, registration of transfer or exchange and where notices or demands to or upon the Issuer in respect of the Notes or the Indenture may be served.

If any Interest Payment Date or the Maturity Date falls on a day that is not a Business Day, the payment required to be made on such date will, instead, be made on the next Business Day with the same force and effect as if it were made on the date such payment was due, and no interest shall accrue on

the amount so payable for the period from and after such Interest Payment Date or the Maturity Date, as the case may be. "Business Day" means any day, other than a Saturday, a Sunday or other day on which banking institutions in The City of New York are authorized or required by law, regulation or executive order to be closed.

Payments of principal, Make-Whole Amount, if any, and interest in respect of this Note will be made in such coin or currency of the United States of America as at the time of payment is legal tender for the payment of public and private debts (i) in the case of payments on the Maturity Date, in immediately available funds and (ii) in the case of payments on an Interest Payment Date, at the option of the Issuer, by check mailed to the Holder entitled thereto at the applicable address appearing in the Security Register or by transfer of immediately available funds to an account maintained by the payee with a bank located in the United States of America; provided, however, that so long as Cede & Co. is the Holder of this Note, payments of interest on an Interest Payment Date will be made in immediately available funds.

Reference is made to the further provisions of this Note set forth on the reverse hereof. Such further provisions shall for all purposes have the same effect as though fully set forth at this place.

This Note shall not be entitled to the benefits of the Indenture or be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been executed by manual signature by the Trustee.

IN WITNESS WHEREOF, the Issuer has caused this Note to be signed manually or by facsimile by an authorized signatory.

[REVERSE OF NOTE]

RECKSON OPERATING PARTNERSHIP, L.P.

6.00% Note due 2007

This Note is one of a duly authorized issue of debentures, notes, bonds, or other evidences of indebtedness of the Issuer (hereinafter called the "Securities") of the series hereinafter specified, all issued or to be issued under and pursuant to an Indenture, dated as of March 26, 1999 (the "Indenture"), duly executed and delivered by the Issuer and Reckson Associates Realty Corp., a Maryland corporation ("Reckson Associates"), as guarantor, if applicable, to The Bank of New York, as trustee (the "Trustee," which term includes any successor trustee under the Indenture with respect to the series of Securities of which this Note is a part), and reference is hereby made to the Indenture, and all modifications and amendments and indentures supplemental thereto relating to the Notes, for a description of the rights, limitations of rights, obligations, duties, and immunities thereunder of the Trustee, the Issuer and the Holders of the Notes and the terms upon which the Notes are authenticated and delivered. The Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may accrue interest (if any) at different rates or formulas and may otherwise vary as provided in the Indenture. This Note is one of a series of Securities designated as the "6.00% Notes due 2007" of the Issuer, initially limited (except as permitted under the Indenture) in aggregate principal amount to \$50,000,000. The Notes are not guaranteed by Reckson Associates.

The Issuer may redeem this Note, at any time in whole or from time to time in part, at the option of the Issuer, at a redemption price equal to the sum of (i) the principal amount being redeemed plus accrued interest thereon to the date fixed for redemption (the "Redemption Date") and (ii) the Make-Whole Amount, if any, with respect thereto (the "Redemption Price"); provided, however, that interest installments due on an Interest Payment Date which is on or prior to the Redemption Date will be payable to the Holder hereof (or one or more predecessor Notes) as of the close of business on the Regular Record Date preceding such Interest Payment Date. If notice has been given as provided in the Indenture and funds for the redemption of this Note or any part thereof called for redemption shall have been made available on the Redemption Date, this Note or such part thereof will cease to bear interest on the Redemption Date referred to in such notice and the only right of the Holder will be to receive payment of the Redemption Price. Notice of any optional redemption of any Notes will be given to the Holder hereof (in accordance with the provisions of the Indenture), not more than 60 nor less than 30 days prior to the Redemption Date. The notice of redemption will specify, among other things, the Redemption Price and the principal amount of Notes to be redeemed. In the event of redemption of this Note in part only, a new Note of like tenor for the unredeemed portion hereof and otherwise having the same terms and provisions as this Note shall be issued by the Issuer in the name of the Holder hereof upon the presentation and surrender hereof.

"Make-Whole Amount" means the excess, if any, of (i) the aggregate present value as of the Redemption Date of each dollar of principal being redeemed and the amount of interest (exclusive of interest accrued to the Redemption Date) that would have been payable in respect of each such dollar if such redemption had not been made, determined by discounting, on a semi-annual basis, such principal and interest at the Reinvestment Rate (determined on the third Business Day preceding the date such notice of redemption is given) from the respective dates on which such principal and interest would have been payable if such redemption had not been made, to the Redemption Date over (ii) the aggregate principal amount being redeemed.

"Reinvestment Rate" means 0.25% plus the arithmetic mean of the yields under the heading "Week Ending" published in the most recent Statistical Release under the caption "Treasury Constant Maturities" for the maturity (rounded to the nearest month) corresponding to the remaining life to maturity, as of the Redemption Date, of the principal being redeemed. If no maturity exactly corresponds to such maturity, yields for the two published maturities most closely corresponding to such maturity shall be calculated pursuant to the immediately preceding sentence and the Reinvestment Rate shall be interpolated or extrapolated from such yields on a straight-line basis, rounding each of such relevant periods to the nearest month. For the purpose of calculating the Reinvestment Rate, the most recent Statistical Release published prior to the date of determination of the Make-Whole Amount shall be used.

"Statistical Release" means the statistical release designated "H.15 (519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States government securities adjusted to constant maturities or, if such statistical release is not published at the time of any determination under the indenture, then such other reasonably comparable index designated by the Issuer.

This Note is not subject to repayment at the option of the Holder thereof. Furthermore, this Note is not entitled to the benefit of, and is not subject to, any sinking fund.

In case an Event of Default with respect to this Note shall have occurred and be continuing, the principal hereof may be declared, and upon such declaration shall become, due and payable, in the manner, with the effect, and subject to the conditions, provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Issuer and, if applicable, the Guarantor, and the rights of the Holders of the Securities under the Indenture at any time by the Issuer and, if applicable, the Guarantor, and the Trustee with the consent of the Holders of a majority in the aggregate principal amount of Securities of any series issued under the Indenture at the time Outstanding and affected thereby. Furthermore, provisions in the Indenture permit the Holders of a majority in the aggregate principal amount of the Outstanding Securities of any series, in certain instances, to waive, on behalf of all of the Holders of Securities of such series, certain past defaults under the Indenture and their consequences. Any such waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and other Notes issued upon the registration of transfer hereof or in exchange hereof, or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or the Indenture shall alter or impair the obligation of the Issuer, which is absolute and unconditional, to pay the principal of, and Make-Whole Amount, if any, with respect to, and interest on, this Note in the manner, at the respective times, at the rate and in the coin or currency herein prescribed.

This Note is issuable only in fully registered form, without coupons, in denominations of \$1,000 and integral multiples thereof. This Note may be exchanged for a like aggregate principal amount of Notes of other authorized denominations at the office or agency of the Issuer in The City of New York, in the manner and subject to the limitations provided herein and in the Indenture, but without the payment of any charge except for any tax or other governmental charge imposed in connection therewith.

Upon due presentment for registration of transfer of this Note at the office or agency of the Issuer in The City of New York, one or more new Notes of authorized denominations in an equal aggregate principal amount will be issued to the transferee in exchange therefor, subject to the limitations provided

herein and in the Indenture, but without payment of any charge except for any tax or other governmental charge imposed in connection therewith.

The Issuer or the Trustee and any authorized agent of the Issuer or the Trustee may deem and treat the Person in whose name this Note is registered as the Holder and absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notation of ownership or other writing hereon), for the purpose of receiving payment of, or on account of, the principal of or Make-Whole Amount, if any, with respect to, or subject to the provisions on the face hereof, interest on, this Note and for all other purposes, and none of the Issuer, the Trustee or any authorized agent of the Issuer or the Trustee shall be affected by any notice to the contrary.

The Indenture and this Note shall be deemed to be a contract under the laws of the State of New York, and for all purposes shall be governed by and construed in accordance with the laws of such State, without giving effect to any conflict of law principles.

Capitalized terms used but not otherwise defined herein shall have the respective meanings assigned to them in the Indenture.

Ladies and Gentlemen:

This opinion is furnished in connection with the Registration Statement on Form S-3 (File No. 333-67129) filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act"), relating to the registration of Debt Securities of Reckson Operating Partnership, L.P., a Delaware limited partnership (the "Operating Partnership"), in an aggregate initial public offering price not to exceed \$500,000,000 (the "Debt Securities"). The Registration Statement was declared effective by the Commission on March 11, 1999. On June 11, 2002, the Operating Partnership entered into an underwriting agreement and related terms agreement with regard to a public offering of \$50,000,000 aggregate principal amount of its 6.00% senior unsecured notes due 2004 (the "Notes"), on terms set forth in a Prospectus Supplement dated June 11, 2002 to the Prospectus dated June 11, 2002 (together, the "Prospectus"). The Notes will be issued pursuant to an indenture dated March 26, 1999 among the Operating Partnership, as issuer, Reckson Associates Realty Corp. (the "Company"), as guarantor, if applicable, and The Bank of New York, as trustee (the "Indenture").

In connection with rendering this opinion, we have examined the Certificate of Limited Partnership and the Amended and Restated Agreement of Limited Partnership, as amended, of the Operating Partnership and the Articles of Incorporation and the Bylaws, as amended, of the Company; records of corporate proceedings of the Company; the Registration Statement; the Indenture; the form of Notes; the Prospectus; and such other certificates, receipts, records and documents as we considered necessary for the purposes of this opinion.

Based upon the foregoing, we are of the opinion that the Notes have been duly authorized by all necessary partnership action of the Operating Partnership, and when the Notes have been duly executed, authenticated and delivered against consideration therefor as contemplated in the Prospectus, the Notes will constitute valid and legally binding obligations of the Operating Partnership and registered holders of the Notes will be entitled to the benefits of the Indenture;

provided, however, that the foregoing opinion is subject, as to enforcement, to bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting the enforcement of creditors' rights generally, and to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

We are attorneys admitted to practice in the State of New York. We express no opinion concerning the laws of any jurisdiction other than the federal laws of the United States of America, the Revised Uniform Limited Partnership Act of the State of Delaware and the laws of the State of New York.

We hereby consent to the filing with the Commission of this opinion in a Current Report on Form 8-K.

Very truly yours,

/s/ Sidley Austin Brown & Wood LLP
