**Item 1.01 Entry Into A Material Definitive Agreement.**

On May 15, 2009, SL Green Realty Corp. (the "Company") completed an underwritten public offering (the "Offering") of 19,550,000 shares of its common stock, par value \$0.01 per share (the "Shares"), with Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representative of the several underwriters (the "Underwriters"). The Shares were issued and sold by the Company to the Underwriter at a public offering price of \$20.75 per Share pursuant to an underwriting agreement (the "Underwriting Agreement") dated as of May 12, 2009 by and among the Company, SL Green Operating Partnership, L.P., the operating partnership through which the Company conducts its real estate activities, and the Underwriters. The Shares include 2,550,000 shares issued and sold pursuant to the Underwriter's exercise of its over-allotment option under the Underwriting Agreement. A copy of the Underwriting Agreement is filed herewith as Exhibit 1.1.

The net proceeds to the Company from the offering after deducting underwriting discounts and commissions and expenses were approximately \$387.4 million. The Company plans to use the net proceeds from the offering for general corporate and/or working capital purposes, which may include investment opportunities, purchases of the indebtedness of its subsidiaries in the open market from time to time, and the repayment of indebtedness at the applicable maturity or put date.

**Item 7.01 Regulation FD**

On May 18, 2009, the Company issued a press release announcing the completion of the Offering, a copy of which is furnished herewith as Exhibit 99.1.

After considering the effect of the offering of 19,550,000 shares of common stock, the receipt of the expected net offering proceeds and the use of those proceeds for general corporate and/or working capital purposes, which may include investment opportunities, purchases of the indebtedness of its subsidiaries in the open market from time to time, and the repayment of indebtedness at the applicable maturity or put date, the offering will have a dilutive effect of approximately \$0.90 and \$1.00 for the low and high range or a range of \$4.35 to \$4.50 per diluted share, respectively, from the Company's previously announced forecast for funds from operations per diluted share for the year ending December 31, 2009.

**Non-GAAP Supplemental Financial Measures**

**Funds from Operations (FFO)**

FFO is a widely recognized measure of REIT performance. The Company computes FFO in accordance with standards established by the National Association of Real Estate Investment Trusts, or NAREIT, which may not be comparable to FFO reported by other REITs that do not compute FFO in accordance with the NAREIT definition, or that interpret the NAREIT definition differently than we do. The revised White Paper on FFO approved by the Board of Governors of NAREIT in April 2002 defines FFO as net income (loss) (computed in accordance with GAAP), excluding gains (or losses) from debt restructuring and sales of properties, plus real estate related depreciation and amortization and after adjustments for unconsolidated

2

partnerships and joint ventures. The Company presents FFO because it considers it an important supplemental measure of its operating performance and believes that it is frequently used by securities analysts, investors and other interested parties in the evaluation of REITs, particularly those that own and operate commercial office properties. The Company also uses FFO as one of several criteria to determine performance-based bonuses for members of its senior management. FFO is intended to exclude GAAP historical cost depreciation and amortization of real estate and related assets, which assumes that the value of real estate assets diminishes ratably over time. Historically, however, real estate values have risen or fallen with market conditions. Because FFO excludes depreciation and amortization unique to real estate, gains and losses from property dispositions and extraordinary items, it provides a performance measure that, when compared year over year, reflects the impact to operations from trends in occupancy rates, rental rates, operating costs, interest costs, providing perspective not immediately apparent from net income. FFO does not represent cash generated from operating activities in accordance with GAAP and should not be considered as an alternative to net income (determined in accordance with GAAP), as an indication of the Company's financial performance or to cash flow from operating activities (determined in accordance with GAAP) as a measure of its liquidity, nor is it indicative of funds available to fund its cash needs, including its ability to make cash distributions.

The statements above that are not historical facts are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements can be identified by the use of words such as "may," "will," "plan," "should," "expect," "anticipate," "estimate," "continue," or comparable terminology. Readers are cautioned not to place undue reliance on these forward-looking statements and are advised to consider the factors listed above together with the additional factors under the heading "Disclosure Regarding Forward-Looking Statements" and "Risk Factors" in the Company's Annual Reports on Form 10-K, as may be supplemented or amended by the Company's Quarterly Reports on Form 10-Q. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events, new information or otherwise.

Upon delivery, the Option Shares shall be registered in such names and in such denominations as the Representative shall request in writing not less than two full business days prior to the Date of Delivery. For the purpose of expediting the checking and packaging of the certificates for the Initial Shares, if any, the Company shall make any such certificates representing the Initial Shares available for inspection by the Representative in New York, New York, not later than 2:00 P.M., New York City time, on the business day prior to the Date of Delivery.

(c) It is understood that each Underwriter has authorized the Representative, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Initial Shares and the Option Shares, if any, which it has agreed to purchase. Merrill Lynch,

individually and not as representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Initial Shares or the Option Shares, if any, to be purchased by any Underwriter whose funds have not been received by the Closing Time or the relevant Date of Delivery, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

5. *Further Agreements of the Company.* The Company agrees:

(a) To prepare the Prospectus in a form approved by the Representative and to file such Prospectus pursuant to Rule 424(b) under the Securities Act not later than the Commission's close of business on the second business day following the execution and delivery of this Agreement; to make no further amendment or any supplement to the Registration Statement or to the Prospectus except as permitted herein; to advise the Representative, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Prospectus or any amended Prospectus or any Issuer Free Writing Prospectus has been filed and to furnish the Representatives with copies thereof; to advise the Representative, promptly after it receives notice thereof, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any Issuer Free Writing Prospectus, Preliminary Prospectus or the Prospectus, of the suspension of the qualification of the Shares for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus or for additional information; and, in the event of the issuance of any stop order or of any order preventing or suspending the use of any Preliminary Prospectus, or the Prospectus or any Issuer Free Writing Prospectus or suspending any such qualification, to use promptly its best efforts to obtain its withdrawal;

(b) To furnish promptly to the Representative and to counsel for the Underwriters, upon request, a conformed copy of the Registration Statement as originally filed with the Commission, and each amendment thereto filed with the Commission, including all consents and exhibits filed therewith;

The aforementioned documents furnished to the Representative and the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T; the Company will file any Issuer Free Writing Prospectus to the extent required by Rule 433 under the Securities Act;

(d) During the period beginning on the Applicable Time and ending on the later of the Closing Date or such date, as in the opinion of counsel for the Underwriters, the Prospectus is no longer required by law to be delivered in connection with sales by an Underwriter or dealer, including in circumstances where such requirement may be satisfied pursuant to Rule 172 under the Securities Act (the "Prospectus Delivery Period"), to file promptly with the Commission any amendment to the Registration Statement or the Prospectus or any supplement to the Prospectus that may, in the judgment of the Representative or counsel to the Underwriters, be required by the Securities Act or the Exchange Act or requested by the Commission;

(e) During the Prospectus Delivery Period, prior to preparing, using, authorizing, approving, referring to or filing any Issuer Free Writing Prospectus, and prior to filing with the Commission any amendment to the Registration Statement or supplement to the Prospectus pursuant to Rule 424 of the Securities Act Regulations, to furnish a copy thereof to the Representative and counsel for the Underwriters and obtain the consent of the Representative to the preparation, use, authorization, approval, reference or filing thereof;

(f) During the Prospectus Delivery Period, if, at any time after the date hereof, any event occurs as a result of which the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made at such time not misleading, the Company will (i) notify promptly the Representative so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) amend or supplement the Disclosure Package to correct such statement or omission, and subject to paragraph (e) above, file with the Commission (to the extent required) such amendments or supplements to the Disclosure Package; and (iii) supply any amendment or supplement to the Representative in such quantities as the Representative may reasonably request;

(g) The Company will make generally available to its security holders as soon as practicable but no later than 60 days after the close of the period covered thereby an earnings statement (in form complying with the provisions of Section 11(a) of the Securities Act and Rule 158 of the Securities Act Regulations), which need not be certified by independent certified public accountants unless required by the Securities Act or the Securities Act Regulations, covering a twelve-month period commencing after the "effective date" (as defined in said Rule 158) of the Registration Statement;

(h) The Company will furnish to the Underwriters, from time to time during the period when the Prospectus is required to be delivered under the Securities Act or the Exchange Act such number of copies of any Preliminary Prospectus or the Prospectus (as amended or supplemented) as the Underwriters may reasonably request for the purposes contemplated by the Securities Act or the Exchange Act or the respective applicable rules and regulations of the Commission thereunder;

15

(i) For a period of five years following the Effective Date, to furnish to the Representative, upon request, copies of all materials furnished by the Company to its stockholders and all public reports and all reports and financial statements furnished by the Company to the principal national securities exchange upon which the Shares may be listed pursuant to requirements of or agreements with such exchange or to the Commission pursuant to the Exchange Act or any rule or regulation of the Commission thereunder, unless filed with the Commission and publicly available on EDGAR;

(j) Promptly from time to time to take such action as the Representative may reasonably request to qualify the Shares for offering and sale under the securities, real estate syndication or Blue Sky laws of such jurisdictions as the Representative may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Shares by the Representative;

(k) From the date of this Agreement through, and including, the 30<sup>th</sup> day after the Closing Date, not to offer, sell, contract to sell or otherwise dispose of, except as provided hereunder, any shares of Common Stock or securities of the Company that are substantially similar to the Shares, including but not limited to any securities that are convertible into or exchangeable for, or that represent the right to receive, the Common Stock or any such substantially similar securities without the prior written consent of the Representative, other than (i) the Shares, (ii) shares of Common Stock issued pursuant to employee benefit plans, qualified stock option plans, dividend reinvestment plans or other employee compensation plans existing on the date hereof, (iii) sales or offers in private placement transactions to, or in direct public placements to, sellers relating to acquisition of real property or interests therein, including mortgage or leasehold interests, or in conjunction with any joint venture transaction, made to any seller of such real property or such joint venture interest; (iv) issue any shares of Common Stock upon redemption of units of limited partnership interest in the Operating Partnership (“OP Units”), but only with respect to OP Units outstanding as of the date of this Agreement; (v) shares issued upon exchange of (A) the Operating Partnership’s 3.00% exchangeable senior notes due 2027 or (B) the Reckson Operating Partnership’s 4.00% exchangeable senior debentures due June 15, 2025 (together, the “Exchangeable Notes”); or (vi) the repurchase and retirement by the Company of any of the Exchangeable Notes for consideration of cash;

(l) To use its best efforts to effect and maintain the listing of the Shares on the NYSE;

(m) To take such steps as shall be necessary to ensure that neither the Company nor the Operating Partnership shall become an “investment company” within the meaning of such term under the Investment Company Act of 1940, as amended, and the rules and regulations of the Commission thereunder;

(n) The Company will use its best efforts to continue to meet the requirements to qualify as a REIT under the Code;

(o) Except for the authorization of actions permitted to be taken by the Underwriters as contemplated herein or in the Disclosure Package or the Prospectus, neither the Company nor the Operating Partnership will (a) take, directly or indirectly, any action designed to cause or to result in, or that might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares, and (b) until the Closing Date, (i) sell, bid for or purchase the Shares or pay any person any compensation for soliciting purchases of the Shares or (ii) pay or agree to pay to any person any compensation for soliciting another to purchase any other securities of the Company; and

(p) To retain in accordance with Rule 433(d) or (f) of the Securities Act Regulations all Issuer Free Writing Prospectuses that are not required to be filed with the Commission pursuant to the Securities Act Regulations.

Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus and any amendment or supplement to the Prospectus and any document incorporated by reference therein, all as provided in this Agreement; (d) the costs of producing and distributing this Agreement and any other related documents in connection with the offering, purchase, sale and delivery of the Shares; (e) the filing fees, if any, incident to securing any required review by the FINRA of the terms of sale of the Shares; (f) any applicable listing or other fees; (g) the fees and expenses of qualifying the Shares under the securities laws of the several jurisdictions as provided in Section 5(i) and of preparing, printing and distributing a Blue Sky Memorandum (including related reasonable fees and expenses of counsel to the Underwriters); (h) the costs of preparing certificates for the Shares; (i) all other costs and expenses incident to the performance of the obligations of the Transaction Entities under this Agreement; (j) the costs and charges of any dividend disbursing agent; (k) the costs and charges of any transfer agent and registrar; (l) any expenses incurred by the Company in connection with a “road show” presentation to potential investors, if any; (m) the fees and disbursements of the Company’s counsel and accountants; and (n) the performance of the Company’s other obligations hereunder (including, without limitation, costs incurred in closing the purchase of the Option Shares, if any); *provided* that, except as expressly provided in this Section 6, Section 10 and Section 13, the Underwriters shall pay their own costs and expenses, including the costs and expenses of their counsel, any transfer taxes on the Shares which they may sell and the expenses of advertising any offering of the Shares made by the Underwriters.

7. *Certain Agreements of the Underwriters.* The Underwriters each agree that it shall not include any “issuer information” (as defined in Rule 433) in any “free writing prospectus” (as defined in Rule 405) used or referred to by such Underwriter without the prior consent of the Company (any such issuer information with respect to whose use the Company has given its consent, “Permitted Issuer Information”); *provided* that (i) no such consent shall be required with respect to any such issuer information contained in any document filed by the Company, and not superseded or corrected by a document subsequently filed by the Company, with the Commission prior to the use of such free writing prospectus and (ii) “issuer information,” as used in this Section 7, shall not be deemed to include information prepared by or on behalf of such Underwriter on the basis of or derived from issuer information.

8. *Conditions of Underwriters’ Obligations.* The obligations of the several Underwriters hereunder are subject to the accuracy, when made and on the Closing Date and on each Date of Delivery (if any), of the representations and warranties of the Transaction Entities contained herein, to the

accuracy of the statements of the Company and the Operating Partnership and their Subsidiaries made in any certificates delivered pursuant to the provisions hereof, to the performance by each Transaction Entity of its obligations hereunder, and to each of the following additional terms and conditions:

(a) If, at the time this Agreement is executed and delivered, it is necessary for a post-effective amendment to the Registration Statement to be declared effective before the offering of the Shares may commence, such post-effective amendment shall have become effective not later than 5:30 P.M., New York City time, on the date hereof, or at such later date and time as shall be consented to in writing by you, and all filings, if any, required by Rule 424 under the Securities Act Regulations shall have been timely made; the Company shall have complied with all filing requirements applicable to any Issuer Free Writing Prospectus used or referred to after the date hereof; no stop order suspending the effectiveness of the Registration Statement or any part thereof or preventing or suspending the use of the Prospectus or any Issuer Free Writing Prospectus shall have been issued and no proceeding for that purpose shall have been instituted or, to the knowledge of the Transaction Entities, or the Representative, threatened by the Commission, and any request of the Commission for additional information (to be included in the Registration Statement or the Prospectus or otherwise) shall have been complied with to the satisfaction of the Representative.

(b) Subsequent to the effective date of this Agreement, there shall not have occurred (i) any material adverse change in or affecting any of the Properties or in the condition, financial or otherwise, business, prospects, operations, management, consolidated financial position, net worth, stockholders' equity or results of operations, whether or not arising from transactions in the ordinary course of business, of the Transaction Entities and the Subsidiaries and Joint Venture Entities considered as one enterprise or on the use or value of the Properties as a whole, (ii) any change or decrease specified in the letter referred to in paragraph (h) of this Section 8 which is, in the judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Shares as contemplated by the Disclosure Package and the Prospectus, (iii) any downgrading, or any notice have been given of any intended or potential downgrading or of any review for a possible change that does not indicate the direction of the possible change, in the rating accorded any securities of the Company, the

Operating Partnership or any of their Subsidiaries (other than the Reckson Operating Partnership) by any "nationally recognized statistical rating organization" as such term is defined for purposes of Rule 436(g)(2) under the Securities Act, or (iv) any event or development relating to or involving any of the Transaction Entities, Subsidiaries, Joint Venture Entities, or any partner, officer, director or trustee thereof, which makes any statement of a material fact made in the Prospectus untrue or which, in the opinion of the Transaction Entities and their counsel or the Representative and counsel for the Underwriters, requires the making of any addition to or change in the Disclosure Package or the Prospectus in order to state a material fact required by the Securities Act or any other law to be stated therein or necessary in order to make the statements therein not misleading, if amending or supplementing the Disclosure Package or the Prospectus to reflect such event or development would, in your opinion, adversely affect the market for the Shares.

(c) All corporate proceedings and other legal matters incident to the authorization, form and validity of this Agreement, the Shares, the Registration Statement, the Prospectus and any Issuer Free Writing Prospectus, and all other legal matters relating to this Agreement and the transactions contemplated hereby shall be reasonably satisfactory to counsel for the Underwriters, and the Company shall have furnished to such counsel all documents and information that they may reasonably request to enable them to pass upon such matters.

(d) Skadden, Arps, Slate, Meagher & Flom LLP shall have furnished to the Representative its written opinion and letter, as counsel to the Transaction Entities, addressed to the Underwriters and dated the Closing Date and each Date of Delivery (if any), in form and substance reasonably satisfactory to the Representative and counsel to the Underwriters, in the form set forth in Exhibit B hereto.

(f) Greenberg Traurig, LLP shall have furnished to the Representative its written opinion, as tax counsel to the Transaction Entities, addressed to the Underwriters and dated the Closing Date and each Date of Delivery (if any), in form and substance reasonably satisfactory to the Representative and counsel to the Underwriters, to the effect that:

i. Commencing with its taxable year ended December 31, 2001, the Company was organized and has been operated in conformity with the requirements for qualification and taxation as a REIT under the Code and the proposed method of operation of the Company will enable the Company to continue to meet the requirements for qualification and taxation as a REIT under the Code.

ii. The Operating Partnership is classified as a partnership and not as (a) an association taxable as a corporation or (b) a "publicly traded partnership" taxable as a corporation under Section 7704(a) of the Code.

iii. The statements contained in the Prospectus under the captions "Material United States Federal Income Tax Consequences" and "Restrictions on Ownership of Capital Stock," that describe applicable U.S. federal income tax law are correct in all material respects as of the Closing Date and each Date of Delivery (if any).

(g) The Representative shall have received from Hogan & Hartson L.L.P., counsel for the Underwriters, such opinion or opinions, dated the Closing Date and each Date of Delivery (if any), with respect to the issuance and sale of the Shares, the Registration Statement, the Prospectus and other related matters as the Representative may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(h) At the time of execution of this Agreement, the Representative shall have received from Ernst & Young LLP a letter in connection with its auditing of the financial statements of the Company, Rock-Green, Inc. ("Rock-Green") and Reckson Operating Partnership, in form and substance satisfactory to the Representative, addressed to the Underwriters and dated the date hereof (i) confirming that they are independent public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of

18

Regulation S-X of the Commission, and (ii) stating, as of the date hereof (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than three business days prior to the date hereof), the conclusions and findings of such firm with respect to the Company's, Rock-Green's and Reckson Operating Partnership's financial information and other matters ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings as contemplated in the Statement on Auditing Standards No. 72.

(i) With respect to the letter of Ernst & Young LLP referred to in the preceding paragraph and delivered to the Representative concurrently with the execution of this Agreement (the "initial letter"), the Company shall have furnished to the Representative a letter (the "bring-down letter") of such accountants, addressed to the Underwriters and dated the Closing Date and each Date of Delivery (if any) (i) confirming that they are independent public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as of the date of the bring-down letter (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than three business days prior to the date of the bring-down letter), the conclusions and findings of such firm with respect to the financial information and other matters covered by the initial letter and (iii) confirming in all material respects the conclusions and findings set forth in the Company initial letter.

(i) The representations, warranties and agreements of the Transaction Entities in Section 1 are true and correct as of the Closing Date or the Date of Delivery (if any), as applicable; the Company has complied with all its agreements contained herein; and the conditions set forth in Sections 8(a) and (b) have been fulfilled; and

(ii) They have carefully examined the Registration Statement, the Prospectus and the Disclosure Package, and, in their opinion (A) (1) the Registration Statement, as of the Effective Date, (2) the Prospectus, as of its date and on the applicable Closing Date, or (3) the Disclosure Package, as of the Applicable Time, did not and do not include any untrue statement of a material fact and did not and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (except in the case of the Registration Statement, in the light of the circumstances under which they were made) not misleading, except, in the case of the Disclosure Package, that the price of the Shares and disclosures directly relating thereto are included in the Prospectus and (B) since the Effective Date, no event has occurred which should have been set forth in a supplement or amendment to the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus that has not been so set forth.

(k) On the Closing Date and each Date of Delivery (if any), counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Shares as herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Transaction Entities in connection with the issuance and sale of the Shares as herein contemplated shall be satisfactory in form and substance to the Representative and counsel for the Underwriters.

(l) At the date of this Agreement, the Representative shall have received a lock up agreement substantially in the form of Exhibit D hereto signed by each of the persons listed on Exhibit E hereto.

(m) The Company and the Operating Partnership shall have furnished or caused to be furnished to you such further certificates and documents as the Representative or counsel to the Underwriters shall have reasonably requested.

(n) The Shares shall have been approved for listing, upon official notice of issuance, on the NYSE.

---

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

Any certificate or document signed by any officer of the Transaction Entities or any of their Subsidiaries and delivered to the Representative, or to counsel for the Underwriters, shall be deemed a representation and warranty by the Transaction Entities to each Underwriter as to the statements made therein.

#### 9. *Effective Date of Agreement.*

This Agreement shall become effective: (i) upon the execution hereof by the parties hereto; or (ii) if, at the time this Agreement is executed and delivered, it is necessary for a post-effective amendment to the Registration Statement to be declared effective before the offering of the Shares may commence, when notification of the effectiveness of such post-effective amendment has been released by the Commission.

#### 10. *Indemnification and Contribution.*

(a) The Transaction Entities, jointly and severally, will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in (A) any Preliminary Prospectus, the Registration Statement, or the Prospectus as amended or supplemented or any amendment or supplement thereto, (B) any Issuer Free Writing Prospectus or in any amendment or supplement thereto, (C) any Permitted Issuer Information used or referred to in any "free writing prospectus" (as defined in Rule 405) used or referred to by such Underwriter and set forth on Schedule III attached hereto or (D) any "road show" (as defined in Rule 433 under the Securities Act) not constituting an Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (with respect to the Prospectus, any Preliminary Prospectus and any Issuer Free Writing Prospectus, in light

of the circumstances under which they are made) not misleading, and will reimburse such Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that none of the Transaction Entities shall be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus, the Registration Statement, any Issuer Free Writing Prospectus and the Prospectus as amended or supplemented or any such amendment or supplement, in reliance upon and in conformity with written information furnished to the Transaction Entities by any Underwriter through the Representative expressly for use therein, which information is set forth in Exhibit A hereto.

(b) Each Underwriter severally will indemnify and hold harmless each of the Transaction Entities against any losses, claims, damages or liabilities to which such Transaction Entity may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, the Registration Statement, any Issuer Free Writing Prospectus, any “road show” (as defined in Rule 433 under the Securities Act) not constituting an Issuer Free Writing Prospectus and the Prospectus as amended or supplemented, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (with respect to the Prospectus, any Preliminary Prospectus, any Issuer Free Writing Prospectus and any “road show” (as defined in Rule 433 under the Securities Act) not constituting an Issuer Free Writing Prospectus, in light of the circumstances under which they are made) not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Prospectus, the Registration Statement, any Issuer Free Writing Prospectus, any “road show” (as defined in Rule 433 under the Securities Act) not constituting an Issuer Free Writing Prospectus and the Prospectus as amended or supplemented, or any such amendment or supplement in reliance upon and in conformity with written information furnished to such Transaction Entity by an Underwriter through the Representative expressly for use therein, which information is set forth in Exhibit A hereto; and severally will reimburse the Transaction Entities for any legal or other expenses reasonably incurred by the Transaction Entities in connection with investigating or defending any such action or claim as such expenses are incurred.

20

---

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify such indemnifying party shall not relieve it from any liability which it may have to any indemnified party under such subsection except to the extent it has been materially prejudiced by such failure. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal or other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. Notwithstanding the indemnifying party’s election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include any statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 10 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall, in lieu of indemnifying such indemnified party in respect of such losses, claims, damages or liabilities (or actions in respect thereof), contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Transaction Entities on the one hand and the Underwriters on the other from the offering of the Shares to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Transaction Entities on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Transaction Entities on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Transaction Entities bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Transaction Entities on the one hand or the Underwriters on the other and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Transaction Entities and the Underwriters agree that it would not be just and equitable if contributions pursuant to this subsection (d) were determined by *pro rata* allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an

21

---

indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Underwriters shall not be required to contribute any amount in excess of the amount by which the total price at which the applicable Shares underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The indemnifying party shall not be required to indemnify the indemnified party for any amount paid or payable by the indemnified party in the settlement of any action, proceeding or investigation without the written consent of the indemnifying party, which consent shall not be unreasonably withheld, but if settled with such consent, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by Section 10 hereof, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement.

(e) The obligations of the Transaction Entities under this Section 10 shall be in addition to any liability which the Transaction Entities may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls each Underwriter within the meaning of the Securities Act; and the obligations of each Underwriter under this Section 10 shall be in addition to any liability which such Underwriter may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Transaction Entities and to each person, if any, who controls the Transaction Entities within the meaning of the Securities Act.

11. *Termination.* The obligations of the Underwriters hereunder may be terminated by notice from the Representative given to and received by the Company prior to delivery of and payment for the Shares if, prior to that time, any of the following events shall have occurred or if the Representative shall decline to purchase the Shares for any reason permitted under this Agreement:

(a) (i) Any of the Transaction Entities or any Property shall have sustained, since the date of the latest financial statements included in the Disclosure Package and the Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Prospectus or (ii) since the date of the latest financial statements included or incorporated by reference in the Disclosure Package and the Prospectus there shall have been any change in the capital stock or long-term debt of any Transaction Entity or any change, or any development involving a prospective change, in or affecting any Property or the general affairs, management, financial position, stockholders' equity or results of operations of any Transaction Entity, otherwise than as set forth or contemplated in the Disclosure Package and the Prospectus, the effect of which, in any such case described in clause (i) or (ii), is, in the judgment of the Representative, so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered on the Closing Date on the terms and in the manner contemplated in the Disclosure Package and the Prospectus;

(b) Subsequent to the execution and delivery of this Agreement there shall have occurred any of the following: (i) trading in securities generally on the New York Stock Exchange or the American Stock Exchange or in the over-the-counter market, or trading in any securities of the Company on any exchange or in the over-the-counter market, shall have been suspended or minimum or maximum prices shall have been established on any such exchange or such market by the Commission, FINRA or such exchange or by any other regulatory body or governmental authority having jurisdiction, (ii) a banking moratorium shall have been declared by Federal or New York state authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States has occurred, (iii) the United States shall have become engaged in hostilities, there shall have been an escalation in hostilities

involving the United States or there shall have been a declaration of a national emergency or war by the United States, or (iv) there shall have occurred any other calamity or crisis or any change or development involving a prospective substantial change in general economic, political or financial conditions (or the effect of international conditions on the financial markets in the United States shall be such) as to make it, in the sole judgment of the Representative impracticable or inadvisable to proceed with the public offering or delivery of the Shares being delivered on the Closing Date on the terms and in the manner contemplated in the Disclosure Package and the Prospectus; or

(c) The Transaction Entities shall have failed at or prior to the Closing Date or any Date of Delivery to have performed or complied with any of their agreements herein contained and required to be performed or complied with by them hereunder at or prior to the Closing Date or such Date of Delivery.

12. *Reimbursement of Underwriters' Expenses.* If (a) the Company shall fail to tender the Shares for delivery to the Underwriters by reason of any failure, refusal or inability on the part of the Transaction Entities to perform any agreement on their part to be performed, or because any condition specified in Sections 11(a) or (c) hereof required to be fulfilled by the Transaction Entities is not fulfilled, the Transaction Entities will reimburse the Underwriters for all reasonable out-of-pocket expenses (including reasonable fees and disbursements of counsel) incurred by the Underwriters in connection with this Agreement and the proposed purchase of the Shares, and upon demand the Transaction Entities shall pay the full amount thereof to the Underwriters.

13. *No Fiduciary Obligation.* The Transaction Entities acknowledge and agree that in connection with this offering, sale of the Shares or any other services the Underwriters may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Underwriters: (i) no fiduciary or agency relationship between the Transaction Entities and any other person, on the one hand, and the Underwriters, on the other, exists with respect to the offering of the Shares or the transactions contemplated by this Agreement; (ii) the Underwriters are not acting as advisor, expert or otherwise, to the Transaction Entities including, without limitation, with respect to the determination of the public offering price of the Shares, and such relationship between the Transaction Entities, on the one hand, and the Underwriters, on the other with respect to the offering of the Shares or the transactions contemplated by this Agreement, is entirely and solely commercial, based on arms-length negotiations; (iii) any duties and obligations that the Underwriters may have to the Transaction Entities shall be limited to those duties and obligations specifically stated herein; and (iv) the Underwriters and its affiliates may have interests that differ from those of the

Transaction Entities. The Transaction Entities hereby waive any claims that the Transaction Entities may have against the Underwriters with respect to any breach of fiduciary duty in connection with the offering of the Shares or the transactions contemplated by this Agreement.

14. *Research Analyst Independence.* The Transaction Entities acknowledge that the Underwriters' research analysts and research departments are required to be independent from its investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters' research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Transaction Entities and/or the offering of the Shares that differ from the views of their investment banking divisions. The Transaction Entities hereby waive and release, to the fullest extent permitted by law, any claims that the Transaction Entities may have against the Underwriters with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Transaction Entities by such Underwriters' investment banking divisions. The Transaction Entities acknowledge that each Underwriter is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the companies which may be the subject of the transactions contemplated by this Agreement.

15. *Default by One or More of the Underwriters.* If one or more of the Underwriters shall fail at Closing Time or a Date of Delivery to purchase the Securities which it or they are obligated to purchase under this Agreement (the "Defaulted Securities"), the Representative shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representative shall not have completed such arrangements within such 24-hour period, then:

(i) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to

23

---

purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(ii) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement or, with respect to any Date of Delivery which occurs after the Closing Time, the obligation of the Underwriters to purchase and of the Company to sell the Option Securities to be purchased and sold on such Date of Delivery shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of a Date of Delivery which is after the Closing Time, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Option Securities, as the case may be, either the Representative or the Company shall have the right to postpone Closing Time or the relevant Date of Delivery, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 15.

16. *Notices, etc.* All statements, requests, notices and agreements hereunder shall be in writing, and:
