**SL GREEN REALTY CORP.**

**PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
 (UNAUDITED)**

On August 17, 2007, SL Green Realty Corp. (the "Company") closed on the acquisition of Gramercy Capital Corp's ("Gramercy") 45% equity interest in the joint venture that owns One Madison Avenue in New York City (the "Property"). The Company acquired Gramercy's interest in the Property for approximately \$147.9 million (and the assumption of Gramercy's proportionate share of debt encumbering the Property of approximately \$304.6 million). The Company now owns 100% of the Property.

On August 1, 2007, an affiliate of the Company loaned approximately \$146.7 million to GKK Capital LP. This loan was to be repaid with interest at an annual rate of 5.80% on the earlier of September 1, 2007 or the closing of the purchase by the Company from Gramercy of their 45% interest in One Madison Avenue. The purchase of the 45% interest in One Madison Avenue closed on August 17, 2007 and the loan was repaid with interest on such date.

The Company owns approximately 25% of the outstanding common stock of Gramercy as well as 64.83 units of the Class B limited partner interest in Gramercy's operating partnership. Gramercy is managed by GKK Manager LLC, an affiliate of the Company. Certain executive officers of the Company are also executive officers of Gramercy. The amount of consideration paid for the Property was determined based on an appraisal of the Property and the transaction was approved by the independent directors of both Gramercy and the Company.

The pro forma condensed consolidated financial statements do not purport to represent what our financial position or results of operations would have been assuming the completion of this acquisition had occurred on April 12, 2005 and for the period indicated, nor do they purport to project our financial position or results of operations at any future date or for any future period. These pro forma condensed consolidated financial statements should be read in conjunction with our 2006 Annual Report on Form 10-K and our Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2007.

The joint venture acquired the Property on April 12, 2005.

## Revenue Recognition

Rental revenue is recognized on a straight-line basis over the term of the lease. The excess of rents recognized over amounts contractually due pursuant to the underlying leases are included in deferred rents receivable in the accompanying consolidated balance sheets. The Company establishes, on a current basis, a reserve for future potential losses, which may occur against deferred rents receivable as well as tenant receivables. The balances reflected in the accompanying consolidated balance sheets are net of such allowance.

## Income Taxes

The taxable income or loss of the Company is reported in the income tax returns of the Members and, accordingly, no tax provision is recognized in the accompanying consolidated financial statements.

## Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Simultaneous with the acquisition of the Property, the Company closed on a \$690,000 first mortgage, which bears interest at a fixed rate of 5.909% per annum.
