Company believes the expectations reflected in such forward-looking statements are based on reasonable assumptions, forward-looking statements are not guarantees of results and no assurance can be given that the expected results will be delivered. Such forward-looking statements are subject to certain risks, trends and uncertainties that could cause actual results to differ materially from those expected. Among those risks, trends and uncertainties are the general economic climate, including the conditions affecting industries in which our principal tenants compete; changes in the supply of and demand for office and industrial properties in the New York Tri-State area; changes in interest rate levels; downturns in rental rate levels in our markets and our ability to lease or re-lease space in a timely manner at current or anticipated rental rate levels; the availability of financing to us or our tenants; changes in operating costs, including utility costs; repayment of debt owed to the Company by third parties (including FrontLine Capital Group); risks associated with joint ventures; and other risks associated with the development and acquisition of properties, including risks that development may not be completed on schedule, that the tenants will not take occupancy or pay rent, or that development or operating costs may be greater than anticipated. For further information on factors that could impact Reckson, reference is made to Reckson's filings with the Securities and Exchange Commission. Reckson is subject to the reporting requirements of the Securities and Exchange Commission and undertakes no responsibility to update or supplement information contained in this supplemental package that subsequently becomes untrue.

CORPORATE INFORMATION

CORPORATE PROFILE

Reckson Associates Realty Corp. is a self-administered and self-managed real estate investment trust (REIT) that is one of the largest publicly traded owners, developers and managers of Class A office and industrial properties in the New York Tri-State area.

Through a predecessor entity, Reckson commenced operations in 1958 and grew steadily by acquiring, developing and redeveloping Class A office and industrial properties throughout Long Island. In June 1995, Reckson successfully completed its initial public offering. Subsequently, the Company expanded from its Long Island base and established operating divisions in Westchester, Connecticut, New Jersey and New York City. By transporting the formula that built its success on Long Island to the other Tri-State area markets, Reckson is now positioned as the premier real estate franchise in the New York Tri-State area.

Today, Reckson owns 182 properties comprised of approximately 20.6 million square feet located throughout the New York Tri-State area markets. These properties are comprised of 13.8 million square feet of office space and 6.8 million square feet of industrial space. The Company has a total market capitalization in excess of \$3.4 billion and has generated a total return to its initial Class A common shareholders of approximately 195% for the period June 2, 1995 through September 30, 2001.

Reckson is a fully integrated real estate operating company specializing in the acquisition, leasing, financing, property and asset management, design and development and construction of Class A office and industrial properties in the New York Tri-State area.
