PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS  
 (UNAUDITED)

In March 2006, we entered into a long term operating net leasehold interest in 521 Fifth Avenue — a 40-story, 460,000-square-foot office building — with an ownership group led by RFR Holding LLC, which retained fee ownership of the property. We also purchased an option to acquire fee ownership of the property in five years for \$15.0 million. Assuming we exercise our option, the total cost would be \$225.0 million. The acquisition was financed with a \$140.0 million loan and proceeds drawn under our revolving credit facility. The loan, which was for two years and bore interest at the London Interbank Offered Rate, or LIBOR, plus 162.5 basis points, was replaced in April with a five-year loan that bears interest at LIBOR plus 100 basis points.

On June 30, 2006, we completed the investment in the previously announced transaction involving 609 Fifth Avenue — a mixed-use property that includes New York City’s American Girl Store and approximately 100,000 square feet of Class A office space — in a transaction that valued the property at approximately \$182.0 million. We issued approximately 64 million preferred units in SL Green Operating Partnership, L.P., valued at \$1.00 per unit, to subsidiaries of 609 Partners, LLC, the partnership that indirectly holds the property, and acquired all of its common partnership interests. The property remains subject to a \$102.0 million mortgage loan held by Morgan Stanley Mortgage Capital, Inc. The mortgage has a fixed annual interest rate of 5.85% and will mature in October 2013.

The unaudited pro forma condensed consolidated balance sheet of SL Green Realty Corp. (the “Company”) as of June 30, 2006 has not been included in these financial statements as both 609 Fifth Avenue and 521 Fifth Avenue are included in the balance sheet of the Company at June 30, 2006. The unaudited pro forma condensed consolidated income statements for the year ended December 31, 2005 and the six months ended June 30, 2006 are presented as if the Company’s acquisition of interests in the properties located at 609 Fifth Avenue and 521 Fifth Avenue occurred on January 1, 2005 and the effect was carried forward through the year and the six month period.

The pro forma condensed consolidated financial statements do not purport to represent what our financial position or results of operations would have been assuming the completion of these acquisitions had occurred on January 1, 2005 and for the period indicated, nor do they purport to project our financial position or results of operations at any future date or for any future period. These pro forma condensed consolidated financial statements should be read in conjunction with our 2005 Annual Report on Form 10-K and our Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2006.

NOTE 1 - SUMMARY OF ACCOUNTING POLICIES

(a) Basis of Presentation

Presented herein is the statement of revenues and certain expenses related to the operation of an office building located at 521 Fifth Avenue (the "Property") in Manhattan, New York. In March 2006, SL Green Realty Corp. (the "Company") entered into a long-term operating net leasehold interest in the Property.

The accompanying financial statement has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the financial statement excludes interest income and certain expenses that may not be comparable to those expected to be incurred by the Company in the proposed future operations of the aforementioned property. Items excluded consist of interest, depreciation and amortization, and general and administrative expenses not directly related to the future operations.

(b) Use of Estimates

The preparation of the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statement of revenues and certain expenses. Actual results could differ from those estimates.

(c) Revenue Recognition

The excess of amounts so recognized over amounts due pursuant to the underlying leases amounted to \$59,472 (unaudited) for the three months ended March 31, 2006 and \$512,054 for the year ended December 31, 2005.

2008	13,036,000
2009	12,460,000
2010	9,751,000
Thereafter	26,062,000
	<u>\$88,246,000</u>

The lease agreements generally contain provisions for reimbursement of real estate taxes and operating expenses over base year amounts, as well as fixed increases in rent.

F-8

---

NOTE 4 - MANAGEMENT FEE

The Property was managed pursuant to a management agreement, which provided for fees based primarily upon gross receipts, as defined.

NOTE 5 - SIGNIFICANT TENANTS

One tenant, an operator of public schools, occupied approximately 14% of the building's square footage and accounted for approximately 18% of the rental revenue.

NOTE 6 - INTERIM UNAUDITED FINANCIAL INFORMATION

The statement of revenues and certain expenses for the three months ended March 31, 2006 is unaudited; however, in the opinion of management, all adjustments (consisting solely of normal recurring adjustments) necessary for a fair presentation of the statement of revenues and certain expenses for the interim period has been included. The results of interim periods are not necessarily indicative of the results to be obtained for a full fiscal year.
