Item 1.01. Entry into a Material Definitive Agreement.

Indenture for 3.00% Exchangeable Senior Notes due 2017

On October 12, 2010, SL Green Realty Corp.'s (the "Company") operating partnership, SL Green Operating Partnership, L.P. ("SL Green OP"), completed its previously announced offering (the "Offering") of \$345.0 million aggregate principal amount of its 3.00% Exchangeable Senior Notes due 2017 (the "Notes"), including \$45.0 million aggregate principal amount of the Notes issued pursuant to an option granted to Citigroup Global Markets Inc., the initial purchaser of the Notes (the "Initial Purchaser"), to cover over-allotments, to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended. The Notes are unconditionally guaranteed (the "Guarantee") by Reckson Operating Partnership, L.P. ("Reckson"), a wholly-owned subsidiary of SL Green OP. Net proceeds from the Offering of the Notes, after underwriting discounts and SL Green OP's estimated fees and expenses, are expected to be approximately \$336.5 million.

The Notes were issued pursuant to an indenture, dated as of October 12, 2010 (the "Indenture"), among SL Green OP, as issuer, Reckson, as guarantor, the Company and The Bank of New York Mellon, as trustee (the "Trustee"). The Notes mature on October 15, 2017 (the "Maturity Date"). The Notes bear interest at a rate of 3.00% per annum, computed on the basis of a 360-day year composed of twelve 30-day months, and interest on the Notes will be payable on April 15 and October 15 of each year, beginning on April 15, 2011.

The Notes and the Guarantee will be the senior unsecured obligations of SL Green OP and Reckson, respectively, and rank pari passu with all of SL Green OP's and Reckson's respective senior indebtedness and senior to all of SL Green OP's and Reckson's respective existing and future subordinated indebtedness. The Notes and the Guarantee will be structurally subordinated to all existing debt of the Company's subsidiaries (other than SL Green OP and Reckson), including their respective guaranties under SL Green OP's senior unsecured credit facility. The Notes will effectively be junior to all of SL Green OP's and Reckson's existing and future secured debt.

The Notes are redeemable by SL Green OP, in whole or in part, at any time to the extent necessary to preserve the qualification of the Company as a real estate investment trust, or "REIT," for U.S. federal income tax purposes. The holders of the Notes have the option to require SL Green OP, upon the occurrence of certain designated events, to repurchase all of their Notes, in whole or in part, for cash at a purchase price equal to 100% of the principal amount of the Notes plus accrued and unpaid interest.

The Notes are exchangeable for cash and, if applicable, shares of common stock, par value \$0.01 per share, of the Company. If settled in stock, the Company will deliver shares of its common stock to satisfy any future exchange of the Notes. The initial conversion price will be approximately \$85.81 per share of common stock which represents approximately a 30% conversion premium over the last reported sale price of the Company's common stock on October 5, 2010, which was \$66.01 per share.

The Indenture provides for customary events of default. In the case of an event of default arising from specified events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs and is continuing, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

2

The description of the Indenture contained in this report is qualified in its entirety by reference to the complete text of the Indenture, a copy of which is filed as Exhibits 4.1 to this report and incorporated herein by reference.

Registration Rights Agreement

On October 12, 2010, SL Green OP, Reckson and the Company entered into a registration rights agreement (the "Registration Rights Agreement") with the Initial Purchaser, on behalf of the purchasers of the Notes, related to the shares of the Company's common stock issuable upon exchange of the Notes. The Registration Rights Agreement requires the Company to, among other things: (i) file a shelf registration statement, or a prospectus supplement under an existing shelf registration statement, with the Securities and Exchange Commission, on or prior to the 90th day after the first date of original issuance of the Notes, covering the resale of the shares of the Company's common stock, if any, issuable upon exchange of the Notes; and (ii) use its commercially reasonable efforts to keep the applicable shelf registration statement effective until the earlier of (a) the 35th trading day immediately following the Maturity Date and (b) the date on which there are no longer any notes or "restricted" exchange shares of the Company's common stock outstanding.

Upon the occurrence and continuance of customary events of registration default, additional interest will accrue on the Notes at a rate of 0.25% per annum on the principal amount of the Notes, with respect to the first 90-day period immediately following the occurrence of such a registration default, and at a rate of 0.50% per annum on the principal amount of the Notes from and after the 91st day following such a registration default. In no event will additional interest exceed 0.50% per annum and no additional interest will be paid on Notes that have been exchanged for the Company's common stock. Additional interest will accrue from and including the day immediately following such a registration default to but excluding the earlier of (i) the day on which the registration default is cured and (ii) the date the applicable shelf registration statement is no longer required to be kept effective for the Company's common stock.

The description of the Registration Rights Agreement contained in this report is qualified in its entirety by reference to the complete text of the Registration Rights Agreement, a copy of which is filed as Exhibits 10.1 to this report and incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The description of the Indenture above under Item 1.01 is incorporated by reference herein.

The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited; *provided that* upon initial issuance the aggregate principal amount of Notes outstanding shall not exceed \$345,000,000, *except* as provided in Section 2.06. The Issuer may, without the consent of the Holders of Notes, issue additional Notes (the “**Additional Notes**”) from time to time in the future with the same terms and conditions, except for any difference in the issue price and interest accrued prior to the issue date of the Additional Notes, and the same CUSIP number as the Notes originally issued under this Indenture (the “**Initial Notes**”) in an unlimited principal amount, *provided that* such Additional Notes must be part of the same issue as and fungible with the Initial Notes for United States federal income tax purposes. The Initial Notes and any such Additional Notes will constitute a single series of debt securities, and in circumstances in which this Indenture provides for the Holders of Notes to vote or take any action, the Holders of Initial Notes and the Holders of any such Additional Notes will vote or take that action as a single class.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends, endorsements or changes as the officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required by the Custodian or the Depositary or as may be required for the Notes to be tradable on any other market developed for trading of securities pursuant to Rule 144A or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the Notes may be listed, or to conform to usage, or to indicate any special limitations or restrictions to which any particular Notes are subject.

So long as the Notes are eligible for book-entry settlement with the Depositary, or unless otherwise required by law, or otherwise contemplated by Section 2.05(c), all of the Notes will be represented by one or more Notes in global form registered in the name of the Depositary or the nominee of the Depositary (a “**Global Note**”). The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (which shall be not less than twenty (20) calendar days after the receipt by the Trustee of such notice, unless the Trustee shall consent to an earlier date), and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit on or prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this clause provided. Thereupon the Trustee shall fix a special record date for the payment of such Defaulted Interest which shall be not more than fifteen (15) calendar days and not less than ten (10) calendar days prior to the date of the proposed payment, and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment (unless, the Trustee shall consent to an earlier date). The Trustee shall promptly notify the Issuer of such special record date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the special record date therefor to be mailed, first-class postage prepaid, to each Holder at its address as it appears in the Note Register, not less than ten (10) calendar days prior to such special record date (unless, the Trustee shall consent to an earlier date). Notice of the proposed payment of such Defaulted Interest and the special record date therefor having been so mailed, such

13

Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such special record date and shall no longer be payable pursuant to the following clause (b) of this Section 2.03.

(b) The Issuer may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange or automated quotation system on which the Notes may be listed or designated for issuance, and upon such notice as may be required by such exchange or automated quotation system, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Section 2.04. *Execution of Notes.* The Notes shall be signed in the name and on behalf of the Issuer by the manual or facsimile signature of an Officer of the Issuer. Only such Notes as shall bear thereon a certificate of authentication substantially in the form set forth on the form of Note attached as

Exhibit A hereto, executed manually or by facsimile by the Trustee (or an authenticating agent appointed by the Trustee as provided by Section 8.11), shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee (or such an authenticating agent) upon any Note executed by the Issuer shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered hereunder and that the Holder is entitled to the benefits of this Indenture.

In case any Officer who shall have signed any of the Notes shall cease to be such Officer before the Notes so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Issuer, such Notes nevertheless may be authenticated and delivered or disposed of as though the person who signed such Notes had not ceased to be such Officer, and any Note may be signed on behalf of the Issuer by such persons as, at the actual date of the execution of such Note, shall be the proper Officers, although at the date of the execution of this Indenture any such person was not such an Officer.

Whenever any Notes are so surrendered for exchange, the Issuer shall execute, and upon receipt thereof the Trustee shall authenticate and deliver, the Notes which the Noteholder making the exchange is entitled to receive bearing registration numbers not contemporaneously outstanding.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

All Notes presented or surrendered for registration of transfer or for exchange, redemption, or repurchase shall (if so required by the Issuer or the Note Registrar) be duly endorsed, or be accompanied by a written instrument or instruments of transfer in form satisfactory to the Issuer and the Note Registrar, duly executed by the Noteholder thereof or its attorney duly authorized in writing.

No service charge shall be made to any Holder for any registration of transfer or exchange of Notes, but the Issuer may require payment by the Holder of a sum sufficient to cover any transfer or similar tax that may be imposed in connection with any registration of transfer or exchange of Notes.

In the event of any redemption in part, the Issuer shall not be required to: (i) issue or register the transfer or exchange of any Note during a period beginning at the opening of business 15 days before any selection of Notes for redemption and ending at the close of business on the earliest date on which the relevant notice of redemption is deemed to have been given to all Holders of Notes to be so redeemed, or (ii) register the transfer or exchange of any Note so selected for redemption, in whole or in part, *except* the unredeemed portion of any Note being redeemed in part.

(b) The following provisions shall apply with respect to the registration of any proposed transfer of a Note to any Accredited Investor which is not a QIB:

(i) The Notes Registrar shall register the transfer of any Note if the proposed transferee has delivered to the Notes Registrar (x) an Accredited Investor Certificate and (y) an opinion of counsel acceptable to the Issuer and such other certifications and evidence as the Issuer may reasonably require in order to determine that such transfer is being made in compliance with the Securities Act.

(ii) If the proposed transferor is an Agent Member holding a beneficial interest in a Global Note, upon receipt by the Notes Registrar of (x) the documents required by paragraph (i) above and (y) instructions given in accordance with the Depository’s and the Notes Registrar’s procedures, the Notes Registrar shall reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall authenticate and deliver,

15

one or more AI Global Note or, upon the written request of the Issuer to the Trustee, one or more certificated Notes, of like tenor and amount.

(c) The following provisions shall apply only to Global Notes:

(i) Each Global Note authenticated under this Indenture shall be registered in the name of the Depository or a nominee thereof and delivered to such Depository or a nominee thereof or Custodian therefor, and each such Global Note shall constitute a single Note for all purposes of this Indenture.

(ii) Notwithstanding any other provision in this Indenture, no Global Note may be exchanged in whole or in part for Notes registered, and no transfer of a Global Note in whole or in part may be registered, in the name of any Person other than the Depository or a nominee thereof unless (1) the Depository (x) has notified the Issuer that it is unwilling or unable to continue as Depository for such Global Note or (y) has ceased to be a clearing agency registered under the Exchange Act, and a successor depository has not been appointed by the Issuer within ninety (90)

calendar days, (2) an Event of Default has occurred and is continuing or (3) the Issuer, in its sole discretion, determines at any time that the Notes shall no longer be represented by a Global Note and any Global Note exchanged pursuant to clause (iii) below may be exchanged in whole or from time to time in part as directed by the Issuer. Any Global Note exchanged pursuant to clause (1) or (2) above shall be so exchanged in whole and not in part. Any Note issued in exchange for a Global Note or any portion thereof shall be a Global Note; *provided* that any such Note so issued that is registered in the name of a Person other than the Depository or a nominee thereof shall not be a Global Note.

(iii) Notes issued in exchange for a Global Note or any portion thereof pursuant to clause (ii) above shall be issued in definitive, fully registered form, without interest coupons, shall have an aggregate principal amount equal to that of such Global Note or portion thereof to be so exchanged, shall be registered in such names and be in such authorized denominations as the Depository shall designate and shall bear any legends required hereunder. Any Global Note to be exchanged in whole shall be surrendered by the Depository to the Trustee, as Note Registrar. With regard to any Global Note to be exchanged in part, either such Global Note shall be so surrendered for exchange or, if the Trustee is acting as Custodian for the Depository or its nominee with respect to such Global Note, the principal amount thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and make available for delivery the Note issuable on such exchange to or upon the written order of the Depository or an authorized representative thereof.

(iv) In the event of the occurrence of any of the events specified in clause (ii) above, the Issuer will promptly make available to the Trustee a reasonable supply of certificated Notes in definitive, fully registered form, without interest coupons.

(v) Neither any members of, or participants in, the Depository (“**Agent Members**”) nor any other Persons on whose behalf Agent Members may act shall have

16

any rights under this Indenture with respect to any Global Note registered in the name of the Depository or any nominee thereof, and the Depository or such nominee, as the case may be, may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or such nominee, as the case may be, or impair, as between the Depository, its Agent Members and any other Person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a Holder of any Note.

(vi) At such time as all interests in a Global Note have been redeemed, repurchased, exchanged, or canceled for Notes in certificated form, such Global Note shall, upon receipt thereof, be canceled by the Trustee in accordance with standing procedures and instructions existing between the Depository and the Custodian. At any time prior to such cancellation, if any interest in a Global Note is redeemed, repurchased, exchanged, or canceled for Notes in certificated form, the principal amount of such Global Note shall, in accordance with the standing procedures and instructions existing between the Depository and the Custodian, be appropriately reduced, and an endorsement shall be made on such Global Note, by the Trustee or the Custodian, at the direction of the Trustee, to reflect such reduction.

(d) Every Note (and all securities issued in exchange therefor or in substitution thereof) that bears or is required under this Section 2.05(d) to bear the legend set forth in this Section 2.05(d) (the “**Restricted Notes Legend**”), and any Common Stock that bears or is required under this Section 2.05(d) to bear the Common Stock legend set forth in this Section 2.05(d) (the “**Common Stock Legend**”) (collectively, the “**Restricted Notes**”) shall be subject to the restrictions on transfer set forth in this Section 2.05(d) (including those set forth in the legends below) unless such restrictions on transfer shall be waived by written consent of the Issuer, and the Holder of each such Restricted Note, by such Holder’s acceptance thereof, agrees to be bound by all such restrictions on transfer. As used in this Section 2.05(d), the term “**transfer**” means any sale, pledge, loan, transfer or other disposition whatsoever of any Restricted Note or any interest therein.

Until the Maturity Date for the Notes any certificate evidencing a Note shall bear a legend in substantially the following form, or unless otherwise agreed by the Issuer in writing, with written notice thereof to the Trustee:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE NOTE EVIDENCED HEREBY, EXCEPT (A) TO THE ISSUER, SL GREEN REALTY CORP. OR A SUBSIDIARY OF THE ISSUER OR OF SL GREEN REALTY CORP.; (B) TO A PERSON THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER (AS DEFINED IN

17

RULE 144A ADOPTED UNDER THE SECURITIES ACT) THAT IS PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ANOTHER QUALIFIED INSTITUTIONAL BUYER AND TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, ALL IN COMPLIANCE WITH RULE 144A (IF AVAILABLE) OR (C) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION UNDER THE SECURITIES ACT (INCLUDING, WITHOUT LIMITATION, TO ACCREDITED INVESTORS).

Until the expiration of the holding period applicable to sales thereof under Rule 144(k) under the Securities Act (or any successor provision), any stock certificate representing shares of Common Stock issued upon exchange of any Note shall bear a Common Stock Legend unless such Common Stock has been sold pursuant to a registration statement that has been declared effective under the Securities Act (and that continues to be effective at the time of such transfer) or pursuant to Rule 144 under the Securities Act or any similar provision then in force, or unless otherwise agreed by the Issuer in writing, with written notice thereof to the Trustee:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT AS SET FORTH IN THE FOLLOWING

SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER AGREES (1) THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THE NOTE EVIDENCED HEREBY, EXCEPT (A) TO THE ISSUER, SL GREEN REALTY CORP. OR A SUBSIDIARY OF THE ISSUER OR OF SL GREEN REALTY CORP.; (B) UNDER A REGISTRATION STATEMENT THAT HAS BEEN DECLARED EFFECTIVE UNDER THE SECURITIES ACT; (C) TO A PERSON THE SELLER REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER (AS DEFINED IN RULE 144A ADOPTED UNDER THE SECURITIES ACT) THAT IS PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF ANOTHER QUALIFIED INSTITUTIONAL BUYER AND TO WHOM NOTICE IS GIVEN THAT THE TRANSFER IS BEING MADE IN RELIANCE ON RULE 144A, ALL IN COMPLIANCE WITH RULE 144A (IF AVAILABLE); OR (D) UNDER ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT; AND (2) THAT IT WILL, PRIOR TO ANY TRANSFER OF THIS NOTE, FURNISH TO THE TRANSFER AGENT AND THE ISSUER SUCH CERTIFICATIONS, LEGAL OPINIONS OR OTHER INFORMATION AS MAY BE REQUIRED TO CONFIRM THAT SUCH TRANSFER IS BEING MADE PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any such shares of Common Stock as to which such restrictions on transfer shall have expired in accordance with their terms or as to which the conditions for removal of the Common Stock Legend set forth therein have been satisfied may, upon surrender of the certificates representing such shares of Common Stock for exchange in accordance with the procedures of the transfer agent for the Common Stock, be exchanged for a new certificate or certificates for a

18

like number of shares of Common Stock, which shall not bear the Common Stock Legend required by this Section 2.05(d).

(e) By its acceptance of any Note bearing the Restricted Notes Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Restricted Notes Legend and agrees that it will transfer such Note only as provided in this Indenture and as permitted by applicable law.

(f) Any Restricted Notes purchased or owned by the Issuer or any Affiliate thereof may not be resold by the Issuer or such Affiliate unless registered under the Securities Act or resold pursuant to an exemption from the registration requirements of the Securities Act in a transaction which results in such Notes or Common Stock, as the case may be, no longer being "restricted securities" (as defined under Rule 144).

(g) The Trustee, the Issuer, and the Company shall have no responsibility or obligation to any Agent Members or any other Person with respect to the accuracy of the books or records, or the acts or omissions, of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any Agent Member or other Person (other than the Depository) of any notice (including any notice of redemption or selection of Global Notes for redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Noteholders and all payments to be made to Noteholders under the Notes shall be given or made only to or upon the order of the registered Noteholders (which shall be the Depository or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through the Depository subject to the customary procedures of the Depository. The Trustee may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its Agent Members.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Agent Members in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.06. *Mutilated, Destroyed, Lost or Stolen Notes.* In case any Note shall become mutilated or be destroyed, lost or stolen, the Issuer in its discretion may execute, and upon its written request and receipt of such new Note the Trustee or an authenticating agent appointed by the Trustee shall authenticate and make available for delivery, a new Note, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Note, or in lieu of and in substitution for the Note so destroyed, lost or stolen. In every case, the applicant for a substituted Note shall furnish to the Issuer, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or connected with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the

19

Issuer, to the Trustee and, if applicable, to such authenticating agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Following receipt by the Trustee or such authenticating agent, as the case may be, of satisfactory security or indemnity and evidence, as described in the preceding paragraph, the Trustee or such authenticating agent may authenticate any such substituted Note and make available for delivery such Note. Upon the issuance of any substituted Note, the Issuer may require the payment by the Holder of a sum sufficient to cover any tax, assessment or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. In case any Note which has matured or is about to mature or has been called for redemption or has been properly tendered for repurchase on a Designated Event Repurchase Date (and not withdrawn) or is to be exchanged pursuant to this Indenture, shall become mutilated or be destroyed, lost or stolen, the Issuer may, instead of issuing a substitute Note, pay or authorize the payment of or exchange or authorize the exchange of the same (without surrender thereof except in the case of a mutilated Note), as the case may be, if the applicant for such payment or exchange shall furnish to the Issuer, to the Trustee and, if applicable, to such authenticating agent such security or indemnity as may be required by them to save each of them harmless for any loss, liability, cost or expense caused by or in connection with such substitution, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Issuer, the Trustee and, if applicable, any Paying Agent or Exchange Agent evidence to their satisfaction of the destruction, loss or theft of such Note and of the ownership thereof.

Every substitute Note issued pursuant to the provisions of this Section 2.06 by virtue of the fact that any Note is mutilated, destroyed, lost or stolen shall constitute an additional contractual obligation of the Issuer and the Guarantor, whether or not the mutilated, destroyed, lost or stolen Note shall be found

at any time, and shall be entitled to all the benefits of (but shall be subject to all the limitations set forth in) this Indenture equally and proportionately with any and all other Notes duly issued hereunder. To the extent permitted by law, all Notes shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment or exchange or redemption or repurchase of mutilated, destroyed, lost or stolen Notes and shall preclude any and all other rights or remedies notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment or exchange or redemption or repurchase of negotiable instruments or other securities without their surrender.

Section 2.07. *Temporary Notes.* Pending the preparation of Notes in certificated form, the Issuer may execute and the Trustee or an authenticating agent appointed by the Trustee shall, upon the written request of the Issuer, authenticate and deliver temporary Notes (printed or lithographed). Temporary Notes shall be issuable in any authorized denomination, and substantially in the form of the Notes in certificated form, including the Guarantee endorsed thereon, but with such omissions, insertions and variations as may be appropriate for temporary Notes, all as may be determined by the Issuer. Every such temporary Note shall be executed by the Issuer and upon the written request of the Issuer authenticated by the Trustee or such authenticating agent upon the same conditions and in substantially the same manner, and with the same effect, as the Notes in certificated form. Without unreasonable delay, the Issuer will execute and deliver to the Trustee or such authenticating agent Notes in certificated form and thereupon any or all temporary Notes may be surrendered in exchange therefor, at each office or

20

agency maintained by the Issuer pursuant to Section 5.02 and, upon receipt of the Certificated Notes, the Trustee or such authenticating agent shall authenticate and make available for delivery in exchange for such temporary Notes an equal aggregate principal amount of Notes in certificated form. Such exchange shall be made by the Issuer at its own expense and without any charge therefor. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and subject to the same limitations under this Indenture as Notes in certificated form authenticated and delivered hereunder.

Section 2.08. *Cancellation of Notes.* All Notes surrendered for the purpose of payment, redemption, repurchase, exchange or registration of transfer shall, if surrendered to the Issuer or any paying agent to whom Notes may be presented for payment (the “**Paying Agent**”) or Exchange Agent, which shall initially be the Trustee, be surrendered to the Trustee and promptly canceled by it or, if surrendered to the Trustee, shall be promptly canceled by it and no Notes shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall dispose of such canceled Notes in accordance with its customary procedures. If the Issuer shall acquire any of the Notes, such acquisition shall not operate as a redemption, repurchase, exchange or satisfaction of the indebtedness represented by such Notes unless and until the same are delivered to the Trustee for cancellation.

Section 2.09. *CUSIP Numbers.* The Issuer in issuing the Notes may use “**CUSIP**” numbers (if then generally in use), and, if so, the Trustee shall use “**CUSIP**” numbers in notices of redemption as a convenience to Noteholders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee of any change in the “**CUSIP**” numbers.

ARTICLE 3 REDEMPTION OF NOTES

Section 3.01. *Redemption of Notes.* (a) The Issuer shall have the right to redeem the Notes for cash, in whole or in part, at any time if the Issuer determines it is necessary to redeem the Notes in order to preserve the Company’s qualification as a real estate investment trust, upon the notice set forth in Section 3.02, at a redemption price (the “**Redemption Price**”) equal to 100% of the principal amount of the Notes to be redeemed plus unpaid interest, if any, accrued thereon to, but excluding, the Redemption Date; *provided, however* that if the Redemption Date falls after a Record Date and on or prior to the corresponding interest payment date, the Issuer will pay the full amount of accrued and unpaid interest, if any, on such interest payment date to the Holder of record at the close of business on the corresponding Record Date (instead of the Holder surrendering its Notes for redemption) and the Redemption Price shall be equal to 100% of the principal amount of the Notes to be redeemed. In connection with any redemption by the Issuer pursuant to this Section 3.01(a), the Issuer shall provide the Trustee with a Board Resolution received by the Trustee not fewer than five (5) Business Days prior (or such shorter period of time as may be acceptable to the Trustee) to the date the notice of redemption is to be mailed, evidencing that the Board of Directors has, in good faith, made the determination that it

21

is necessary to redeem the Notes in order to preserve the Company’s qualification as a real estate investment trust.

(b) The Issuer shall not redeem the Notes pursuant to this Section 3.01 on any date if the principal amount of the Notes has been accelerated, and such an acceleration has not been rescinded or cured on or prior to such date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Redemption Price with respect to the Notes to be redeemed).

Section 3.02. *Notice of Optional Redemption; Selection of Notes.* In case the Issuer shall desire to exercise the right to redeem all or, as the case may be, any part of the Notes pursuant to Section 3.01, it shall fix a date for redemption and it or, at its written request received by the Trustee not fewer than five (5) Business Days prior (or such shorter period of time as may be acceptable to the Trustee) to the date the notice of redemption is to be mailed, the Trustee in the name of and at the expense of the Issuer, shall mail or cause to be mailed a notice of such redemption not fewer than twenty-three (23) Scheduled Trading Days nor more than sixty (60) calendar days prior to the Redemption Date to each Holder of Notes so to be redeemed in whole or in part at its last address as the same appears on the Note Register; *provided* that if the Issuer makes such request of the Trustee, it shall, together with such request, also give written notice of the Redemption Date to the Trustee; *provided further* that the text of the notice shall be prepared by the Issuer, and the Trustee may rely and shall be fully protected in relying upon such text prepared by the Issuer.

Each such notice of redemption shall specify: (i) the aggregate principal amount of Notes to be redeemed, (ii) the CUSIP number or numbers of the Notes being redeemed, (iii) the Redemption Date (which shall be a Business Day), (iv) the Redemption Price at which Notes are to be redeemed, (v) the place or places of payment and that payment will be made upon presentation and surrender of such Notes, (vi) that interest accrued and unpaid to, but excluding, the Redemption Date will be paid as specified in said notice, and that on and after said date interest thereon or on the portion thereof to be redeemed will cease to accrue, (vii) that the Holder has a right to exchange the Notes called for redemption, (viii) the Applicable Exchange Rate on the date of such notice, (ix) the time and date on which the right to exchange such Notes or portions thereof pursuant to this Indenture will expire and (x) whether the Company has

determined that it is not a “domestically controlled investment entity” as defined in Section 897 of the Internal Revenue Code and, therefore, will withhold under Section 1445 of the Internal Revenue Code unless a non-U.S. Noteholder would not be treated as having owned (under all applicable rules for direct, indirect, and constructive ownership) more than five percent of the fair market value of the Common Stock during the applicable testing period.

Without limiting the generality of the foregoing, whenever any Notes are to be redeemed, the Issuer will give the Trustee written notice of the Redemption Date, together with an Officers’ Certificate as to the aggregate principal amount of Notes to be redeemed, not fewer than 5 Business Days prior (or such shorter period of time as may be acceptable to the Trustee) to the date the notice of redemption is to be mailed.

On or prior to the Redemption Date specified in the notice of redemption given as provided in this Section 3.02, the Issuer will deposit with the Paying Agent (or, if the Issuer is

22

acting as its own Paying Agent, set aside, segregate and hold in trust as provided in Section 5.04) an amount of money in immediately available funds sufficient to redeem on the Redemption Date all the Notes (or portions thereof) so called for redemption (other than those theretofore surrendered for exchange) at the appropriate Redemption Price; *provided* that if such payment is made on the Redemption Date, it must be received by the Paying Agent by 11:00 a.m., New York City time, on such date. The Issuer shall be entitled to retain any interest, yield or gain on amounts deposited with the Paying Agent pursuant to this Section 3.02 in excess of amounts required hereunder to pay the Redemption Price. If any Note called for redemption is exchanged pursuant hereto prior to such Redemption Date, any money deposited with the Paying Agent or so segregated and held in trust for the redemption of such Note shall be paid to the Issuer or, if then held by the Issuer, shall be discharged from such trust.

If less than all of the outstanding Notes are to be redeemed, the Trustee as instructed in an Issuer Order shall select the Notes or portions thereof of the Notes in certificated form to be redeemed (in principal amounts of \$1,000 and integral multiples thereof) on a *pro rata* basis or by another method that the Trustee deems fair and appropriate. Global Notes shall be selected in accordance with the standard procedures of the Depository. If any Note selected for redemption is submitted for exchange in part after such selection, the portion of such Note submitted for exchange shall be deemed (so far as may be possible) to be the portion to be selected for redemption. The Notes (or portions thereof) so selected for redemption shall be deemed duly selected for redemption for all purposes hereof, notwithstanding that any such Note is submitted for exchange in part before the mailing of the notice of redemption.

Upon any redemption of less than all of the outstanding Notes, the Issuer and the Trustee may (but need not), solely for purposes of determining the *pro rata* allocation among such Notes that are unexchanged and outstanding at the time of redemption, treat as outstanding any Notes surrendered for exchange during the period of fifteen (15) calendar days preceding the mailing of a notice of redemption and may (but need not) treat as outstanding any Note authenticated and delivered during such period in exchange for the unexchanged portion of any Note exchanged in part during such period.

Section 3.03. *Payment of Notes Called for Redemption by the Issuer.* If notice of redemption has been given as provided in Section 3.02, the Notes or portions of Notes with respect to which such notice has been given shall, unless exchanged pursuant to the terms hereof, become due and payable on the Redemption Date and at the place or places stated in such notice at the Redemption Price, and unless the Issuer shall default in the payment of the Redemption Price, (a) such Notes will cease to be outstanding and (b) interest on the Notes or portions of Notes so called for redemption shall cease to accrue on and after the Redemption Date, and all rights of Holders of such Notes will terminate except for the right to receive the Redemption Price (or if the Notes have been surrendered for exchange, the cash and, if applicable, shares of Common Stock due upon such exchange) and, after the close of business on the second Business Day immediately preceding the Redemption Date (unless the Issuer shall default in the payment of the Redemption Price), such Notes shall cease to be exchangeable pursuant to this Indenture and, *except* as provided in Section 12.01, to be entitled to any benefit or security under this Indenture, and the Holders thereof shall have no right in respect of such Notes except the right to receive the Redemption Price thereof or, if the Notes have been tendered for exchange, the cash and, if applicable, shares of Common Stock due upon such exchange. On presentation and

23

surrender of such Notes at the place of payment specified in said notice, such Notes or the specified portions thereof shall be paid and redeemed by the Issuer at the Redemption Price, together with interest accrued thereon to, but excluding, the Redemption Date.

Upon presentation of any Note redeemed in part only, the Issuer shall execute and upon receipt of such new Note the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Issuer, a new Note or Notes, of authorized denominations, in principal amount equal to the unredeemed portion of the Notes so presented.

Section 3.04. *Sinking Fund.* There shall be no sinking fund provided for the Notes.

ARTICLE 4 REPURCHASE OF NOTES UPON A DESIGNATED EVENT

Section 4.01. *Repurchase at Option of Holders Upon a Designated Event.* (a) If there shall occur a Designated Event at any time prior to the Maturity Date, then each Noteholder shall have the right, at such Holder’s option, to require the Issuer to repurchase all of such Holder’s Notes, or any portion thereof that is a multiple of \$1,000 principal amount, in cash, on a date (the “**Designated Event Repurchase Date**”) specified by the Issuer, which may be no earlier than fifteen (15) days and no later than thirty (30) days after the date of the Issuer Designated Event Repurchase Notice related to such Designated Event, at a repurchase price equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Designated Event Repurchase Date (the “**Designated Event Repurchase Price**”); *provided, however*, that if the Designated Event Repurchase Date falls after a Record Date and on or prior to the corresponding interest payment date, the Issuer shall pay the full amount of accrued and unpaid interest, if any, on such interest payment date to the Holder of record at the close of business on the corresponding Record Date, and the Designated Event Repurchase Price will be 100% of the principal amount of the Notes to be repurchased.

(b) On or before the 20th calendar day after the occurrence of a Designated Event (such date, the “**Issuer Designated Event Repurchase Notice Date**”), the Issuer shall give or cause to be given to all Holders of record on the date of the Designated Event (and to beneficial owners as required by applicable law) a notice (an “**Issuer Designated Event Repurchase Notice**”) as set forth in Section 4.02 with respect to such Designated Event. The Issuer shall also deliver a copy of the Issuer Designated Event Repurchase Notice to the Trustee, Exchange Agent and the Paying Agent at such time as it

is given to Noteholders. In addition to the giving of such Issuer Designated Event Repurchase Notice, the Issuer shall disseminate a press release announcing the occurrence of such Designated Event or publish such information in The Wall Street Journal or another newspaper of general circulation in The City of New York or on the Company's website, or through such other public medium as the Issuer shall deem appropriate at such time.

No failure of the Issuer to give the foregoing notices and no defect therein shall limit the Noteholders' repurchase rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 4.01.

24

(c) For a Note to be repurchased at the option of the Holder pursuant to this Section 4.01(c), the Holder must deliver to the Paying Agent, prior to the close of business on the second Business Day immediately prior to the Designated Event Repurchase Date, (i) a written notice of repurchase (the "**Designated Event Repurchase Notice**") in the form set forth on the reverse of the Note duly completed specifying (A) (if the Note is certificated) the certificate number of the Note that the Holder will deliver to be repurchased or (if the Note is represented by a Global Note) that the relevant Designated Event Repurchase Notice complies with the appropriate Depository procedures, (B) the portion of the principal amount of the Note which the Holder will deliver to be repurchased, which portion must be in principal amounts of \$1,000 or an integral multiple of \$1,000 (*provided* that the remaining principal amount of Notes not subject to repurchase must be in an authorized denomination) and (C) that such Note shall be repurchased as of the Designated Event Repurchase Date pursuant to the terms and conditions specified in the Note and in this Indenture; together with (ii) such Notes duly endorsed for transfer (if the Note is certificated) or book-entry transfer of such Note (if such Note is represented by a Global Note). The delivery of such Note to the Paying Agent with, or at any time after delivery of, the Designated Event Repurchase Notice (together with all necessary endorsements) at the office of the Paying Agent shall be a condition to the receipt by the Holder of the Designated Event Repurchase Price therefor; *provided, however*, that such Designated Event Repurchase Price shall be so paid pursuant to this Section 4.01 only if the Notes so delivered to the Paying Agent shall conform in all respects to the description thereof in the Designated Event Repurchase Notice. All questions as to the validity, eligibility (including time of receipt) and acceptance of any Note for repurchase shall be determined by the Issuer, whose determination shall be final and binding absent manifest error, and the Trustee and Paying Agent may rely and shall be fully protected in relying on such determination by the Issuer.

(d) The Issuer, if so requested, shall repurchase from the Holder thereof, pursuant to this Section 4.01, a portion of a Note, if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the repurchase of all of a Note also apply to the repurchase of such portion of such Note.

(e) Notwithstanding the foregoing, no Notes may be repurchased by the Issuer pursuant to this Section 4.01 if the principal amount of the Notes has been accelerated, and such acceleration has not been rescinded or cured, on or prior to the relevant Repurchase Date (except in the case of an acceleration resulting from a default by the Issuer in the payment of the Designated Event Repurchase Price pursuant to this Section 4.01 with respect to the Notes to be repurchased).

(f) The Paying Agent shall promptly notify the Issuer of the receipt by it of any Designated Event Repurchase Notice or written notice of withdrawal thereof.

Any repurchase by the Issuer contemplated pursuant to the provisions of this Section 4.01 shall be consummated by the delivery of the consideration to be received by the Holder on the later of (x) two (2) Business Days following the time of book-entry transfer or delivery of such Note to the Paying Agent by the Holder thereof in the manner required by this Section 4.01 and (y) the Designated Event Repurchase Date with respect to such Note (*provided* the Holder has satisfied the conditions in this Section 4.01). Payment of the Designated Event Repurchase Price on the Designated Event Repurchase Date for a Note for which a Designated Event Repurchase

25

Notice has been delivered and not withdrawn is conditioned upon book-entry transfer or delivery of the Notes, together with necessary endorsements, to the Paying Agent prior to the close of business on the second Business Day prior to the Designated Event Repurchase Date.

Section 4.02. *Issuer Designated Event Repurchase Notice.* (a) In connection with any repurchase of Notes, the Issuer shall, on the applicable Issuer Designated Event Repurchase Notice Date, give written notice to Holders, as provided in Section 4.01(b), setting forth information specified in this Section 4.02.

Each Issuer Designated Event Repurchase Notice shall:

(i) state the Designated Event Repurchase Price, and the Designated Event Repurchase Date to which the relevant Issuer Designated Event Repurchase Notice relates;

(ii) state, if applicable, the circumstances constituting the Designated Event;

(iii) state that Holders must exercise their right to elect to repurchase prior to the close of business on the second Business Day immediately prior to the Designated Event Repurchase Date;

(iv) include a form of Designated Event Repurchase Notice;

(v) state the name and address of the Trustee, the Paying Agent and, if applicable, the Exchange Agent;

(vi) state that Notes must be surrendered to the Paying Agent to collect the Designated Event Repurchase Price;

(vii) state that a Holder may withdraw its Designated Event Repurchase Notice at any time prior to the close of business on the second Business Day immediately prior to the Designated Event Repurchase Date, by delivering a valid written notice of withdrawal in accordance with Section 4.03;

(viii) if the Notes are then exchangeable, state that Notes as to which the Designated Event Repurchase Notice has been given may be exchanged only if the Designated Event Repurchase Notice is withdrawn in accordance with the terms of this Indenture;

(ix) state the amount of interest accrued and unpaid per \$1,000 principal amount of Notes to, but excluding, the Designated Event Repurchase Date;

(x) state that, unless the Issuer defaults in making payment of the Designated Event Repurchase Price, interest on Notes covered by any Designated Event Repurchase Notice shall cease to accrue on and after the Designated Event Repurchase Date;

26

(xi) state the CUSIP number of the Notes, if CUSIP numbers are then in use; and

(xii) state the procedures for withdrawing a Designated Event Repurchase Notice, including a form of notice of withdrawal (as specified in Section 4.03).

An Issuer Designated Event Repurchase Notice may be given by the Issuer or, at the Issuer's Request, the Trustee shall give such Issuer Designated Event Repurchase Notice in the Issuer's name and at the Issuer's expense; *provided* that the text of the Issuer Designated Event Repurchase Notice shall be prepared by the Issuer, and the Trustee, in giving such notice, may rely and shall be fully protected in relying upon such Issuer Request and shall have no responsibility for text prepared by the Issuer.

If any of the Notes is represented by a Global Note, then the Issuer will modify such Issuer Designated Event Repurchase Notice to the extent necessary to accord with the applicable procedures of the Depository that apply to the repurchase of Global Notes, and the Trustee may rely and shall be fully protected in relying upon such text prepared by the Issuer.

(b) The Issuer will, to the extent applicable, comply with the provisions of Rule 13e-4, Rule 14e-1 (or any successor provision) and other tender offer rules under the Exchange Act that may be applicable at the time of the repurchase of the Notes, file the related Schedule TO (or any successor schedule, form or report) under the Exchange Act and comply with all other applicable federal and state securities laws in connection with the repurchase of the Notes.

Section 4.03. *Effect of Designated Event Repurchase Notice; Withdrawal.* Upon receipt by the Paying Agent of the Designated Event Repurchase Notice, the Holder of the Note in respect of which such Designated Event Repurchase Notice was given shall (unless such Designated Event Repurchase Notice is validly withdrawn in accordance with this Section 4.03) thereafter be entitled to receive solely the Designated Event Repurchase Price with respect to such Note. Such Designated Event Repurchase Price shall be paid to such Holder on the later of (x) the second Business Day following the time of book-entry transfer or delivery of such Note to the Paying Agent by the Holder thereof in the manner required by this Section 4.03 and (y) the Designated Event Repurchase Date with respect to such Note (*provided* the Holder has satisfied the conditions in Section 4.01).

Notes in respect of which a Designated Event Repurchase Notice has been given by the Holder thereof may not be exchanged pursuant to Article 15 hereof on or after the date of the delivery of such Designated Event Repurchase Notice unless such Designated Event Repurchase Notice has first been validly withdrawn.

A Designated Event Repurchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the office of the Paying Agent at any time prior to the close of business on the second Business Day immediately prior to the Designated Event Repurchase Date specifying:

(a) the name of the Holder;

27

(b) the certificate number(s) of all withdrawn Notes in certificated form or that the notice of withdrawal complies with appropriate Depository procedures with respect to all withdrawn Notes represented by a Global Note;

(c) the principal amount of Notes with respect to which such notice of withdrawal is being submitted, which must be an integral multiple of \$1,000; and

(d) the principal amount of Notes, if any, that remains subject to the original Designated Event Repurchase Notice and that has been or will be delivered for repurchase by the Issuer.

If a Designated Event Repurchase Notice is properly withdrawn, the Issuer shall not be obligated to repurchase the Notes listed in such Designated Event Repurchase Notice.

Section 4.04. *Deposit of Designated Event Repurchase Price.* (a) Prior to 11:00 a.m., New York City time, on the Designated Event Repurchase Date, the Issuer shall deposit with the Paying Agent or, if the Issuer is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 5.04 an amount of cash (in immediately available funds if deposited on the Designated Event Repurchase Date), sufficient to pay the aggregate Designated Event Repurchase Price of all the Notes or portions thereof that are to be repurchased as of the Designated Event Repurchase Date.

(b) If on the Designated Event Repurchase Date the Paying Agent holds money sufficient to pay the Designated Event Repurchase Price of the Notes that Holders have elected to require the Issuer to repurchase in accordance with Section 4.01, then, on the Designated Event Repurchase Date such Notes will cease to be outstanding, interest will cease to accrue and all other rights of the Holders of such Notes will terminate, other than the right to receive the Designated Event Repurchase Price upon delivery or book-entry transfer of the Note or, if such Notes have been timely tendered for exchange, the cash and, if applicable, shares of Common Stock due upon such exchange. This will be the case whether or not book-entry transfer of the Notes has been made or the Notes have been delivered to the Paying Agent.

Section 4.05. *Notes Repurchased in Part.* Upon presentation of any Note repurchased only in part, the Issuer shall execute and upon receipt of such new Note or Notes the Trustee shall authenticate and make available for delivery to the Holder thereof, at the expense of the Issuer, a new Note or Notes in aggregate principal amount equal to the unreurchased portion of the Notes presented (*provided* that the unreurchased portion of the Notes must be in an integral multiple of \$1,000).

Section 4.06. *Repayment to the Issuer.* Subject to Section 12.04, upon Issuer Request the Paying Agent shall return to the Issuer any cash that remains unclaimed, held by it for the payment of the Designated Event Repurchase Price; *provided* that to the extent that the aggregate amount of cash deposited by the Issuer pursuant to Section 4.04 exceeds the aggregate Designated Event Repurchase Price of the Notes or portions thereof which the Issuer is obligated to repurchase as of the Designated Event Repurchase Date then, unless otherwise agreed in writing with the Issuer, promptly after the second Business Day following the Designated Event

28

Repurchase Date the Paying Agent shall return any such excess to the Issuer, together with interest, if any, thereon.

ARTICLE 5 PARTICULAR COVENANTS OF THE ISSUER

Section 5.01. *Payment of Principal, Premium and Interest.* The Issuer covenants and agrees that it will duly and punctually pay or cause to be paid when due the principal of (including the Redemption Price upon redemption or the Designated Event Repurchase Price upon repurchase, in each case pursuant to Article 3 and Article 4), and premium, if any, and interest on each of the Notes at the places, at the respective times and in the manner provided herein and in the Notes.

Section 5.02. *Maintenance of Office or Agency.* The Issuer will maintain an office or agency in the Borough of Manhattan, where the Notes may be surrendered for registration of transfer or exchange or for presentation for payment or for exchange, redemption or repurchase and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served; *provided, however,* that the Notes may be so surrendered or presented instead to the Trustee at the Corporate Trust office at the Holder's or Issuer's option. The Issuer will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office.

The Issuer may also from time to time designate co-registrars and one or more offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby initially designates the Trustee as Paying Agent, Note Registrar, Custodian and Exchange Agent and the Corporate Trust Office shall be considered as one such office or agency of the Issuer for each of the aforesaid purposes. The provisions of Article 8 of this Indenture shall also apply to the Trustee in each of its roles as Paying Agent, Note Registrar, Custodian, and Exchange Agent, respectively.

So long as the Trustee is the Note Registrar, the Trustee agrees to mail, or cause to be mailed, at the expense of the Issuer, the notices set forth in Section 8.08(f). If co-registrars have been appointed in accordance with this Section 5.02, the Trustee shall mail such notices only to the Issuer and the Holders of Notes it can identify from its records.

Section 5.03. *Appointments to Fill Vacancies in Trustee's Office.* The Issuer, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, upon the terms and conditions and otherwise as provided in Section 8.08, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 5.04. *Provisions as to Paying Agent.* (a) If the Issuer shall appoint a Paying Agent other than the Trustee, or if the Trustee shall appoint such a Paying Agent, the Issuer will

29

cause such Paying Agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 5.04:

- (i) that it will hold all sums held by it as such agent for the payment of the principal of and premium, if any, or interest on the Notes (whether such sums have been paid to it by the Issuer or by any other obligor on the Notes) in trust for the benefit of the Holders of the Notes;
- (ii) that it will give the Trustee notice of any failure by the Issuer (or by any other obligor on the Notes) to make any payment of the principal of and premium, if any, or interest on the Notes when the same shall be due and payable; and
- (iii) that at any time during the continuance of an Event of Default, upon request of the Trustee, it will forthwith pay to the Trustee all sums so held in trust.

The Issuer shall, on or before each due date of the principal of, premium, if any, or interest on the Notes, deposit with the Paying Agent a sum (in funds which are immediately available on the due date for such payment) sufficient to pay such principal, premium, if any, or interest and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of any failure to take such action; *provided* that if such deposit is made on the due date, such deposit shall be received by the Paying Agent by 11:00 a.m. New York City time, on such date.

(b) If the Issuer shall act as its own Paying Agent, it will, on or before each due date of the principal of, premium, if any, or interest on the Notes, set aside, segregate and hold in trust for the benefit of the Holders of the Notes a sum sufficient to pay such principal, premium, if any, and

interest so becoming due and will promptly notify the Trustee of any failure to take such action and of any failure by the Issuer (or any other obligor under the Notes) to make any payment of the principal of, premium, if any, or interest on the Notes when the same shall become due and payable.

(c) Anything in this Section 5.04 to the contrary notwithstanding, the Issuer may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Issuer or any Paying Agent hereunder as required by this Section 5.04, such sums to be held by the Trustee upon the trusts herein contained and upon such payment by the Issuer or any Paying Agent to the Trustee, the Issuer or such Paying Agent shall be released from all further liability with respect to such sums.

(d) Anything in this Section 5.04 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 5.04 is subject to Section 12.02 and Section 12.03.

The Trustee shall not be responsible for the actions of any other Paying Agents (including the Issuer if acting as its own Paying Agent) and shall have no control of any funds held by such other Paying Agents.

Section 5.05. *Existence.* Subject to Article 11, each of the Issuer and the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its

30

existence and all material rights and material franchises; *provided, however*, that neither the Issuer nor the Company shall be required to preserve any such right or franchise if the Issuer or the Board of Directors, as applicable, shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer or the Company, as applicable.

Section 5.06. *Stay, Extension and Usury Laws.* The Issuer and the Company each covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer and the Company each (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.07. *Compliance Certificate.* The Issuer and the Company will deliver to the Trustee, within 120 days after the end of each fiscal year, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer of the Company as to his or her knowledge of the Issuer's and the Company's compliance with all conditions and covenants under this Indenture and, in the event of any noncompliance, specifying such noncompliance and the nature and status thereof. For purposes of this Section 5.07, such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

The Issuer will deliver to the Trustee, promptly upon becoming aware of (i) any default in the performance or observance of any covenant, agreement or condition contained in this Indenture, or (ii) any Event of Default, an Officers' Certificate specifying with particularity such default or Event of Default and further stating what action the Issuer has taken, is taking or proposes to take with respect thereto.

Any notice required to be given under this Section 5.07 shall be delivered to a Responsible Officer of the Trustee at its Corporate Trust Office.

Section 5.08. *Additional Interest Notice.* In the event that the Issuer is required to pay Additional Interest to Holders of Notes pursuant to the Registration Rights Agreement, the Issuer will provide written notice ("**Additional Interest Notice**") to the Trustee of its obligation to pay Additional Interest no later than fifteen (15) calendar days prior to the proposed interest payment date for Additional Interest, and the Additional Interest Notice shall set forth the amount of Additional Interest to be paid by the Issuer on such interest payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder of Notes to determine the Additional Interest, or with respect to the nature, extent or calculation of the amount of Additional Interest when made, or with respect to the method employed in such calculation of the Additional Interest.

31

ARTICLE 6 NOTEHOLDERS' LISTS AND REPORTS BY THE ISSUER AND THE TRUSTEE

Section 6.01. *Noteholders' Lists.* The Issuer will furnish or cause to be furnished to the Trustee:

(a) semiannually, not later than 15 days after the Record Date for interest for the Notes, a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Notes as of such Record Date, and

(b) at such other times as the Trustee may request in writing, within 30 days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than 15 days prior to the time such list is furnished, *provided, however*, that, so long as the Trustee is the Note Registrar, no such list shall be required to be furnished.

Section 6.02. *Preservation and Disclosure of Lists.* Every Holder of Notes, by receiving and holding the same, agrees with the Issuer and the Trustee that neither the Issuer nor the Trustee nor any Authenticating Agent nor any Paying Agent nor any Note Registrar shall be held accountable by reason of the disclosure of any information as to the names and addresses of the Holders of Notes in accordance with TIA Section 312, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under TIA Section 312(b).

Section 6.03. *Reports by Trustee.* The Trustee shall transmit to the Holders of Notes such reports concerning the Trustee and its actions under this Indenture as may be required by TIA Section 313 at the times and in the manner provided by the TIA, which shall initially be not less than every twelve months commencing on January 1, 2011 and may be dated as of a date up to 75 days prior to such transmission. A copy of each such report shall, at

the time of such transmission to Holders of Notes, be filed by the Trustee with each stock exchange, if any, upon which any Notes are listed, with the Commission and with the Issuer. The Issuer will notify the Trustee when any Notes are listed or delisted on any stock exchange.

Section 6.04. *Reports by Issuer.* The Issuer will:

(a) deliver to the Trustee, within 15 days after the Issuer actually files the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; documents that are filed with the Commission via the EDGAR system, or any successor system thereto, will be deemed filed with the Trustee as of the time such documents are filed via such system;

(b) file with the Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations;

32

(c) transmit by mail to the Holders of Notes, within 30 days after the filing thereof with the Trustee, in the manner and to the extent provided in TIA Section 313(c), such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (a) and (b) of this Section 6.04 as may be required by rules and regulations prescribed from time to time by the Commission;

(d) until the Maturity Date, provide upon request the information required by Rule 144A(d)(4) to each Noteholder and to each beneficial owner and prospective purchaser of Notes and of any shares of Common Stock delivered upon exchange of the Notes, unless such information has been furnished to the Commission pursuant to Section 13 or 15(d) of the Exchange Act; and

(e) be deemed, for purposes of this Section 6.04, to have furnished or delivered reports to the Noteholders if (i) such reports are filed with the Commission via the EDGAR filing system and (ii) such reports are currently available. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

ARTICLE 7 REMEDIES OF THE TRUSTEE AND NOTEHOLDERS ON AN EVENT OF DEFAULT

Section 7.01. *Events of Default.* In case one or more of the following ("**Events of Default**") shall have occurred and be continuing:

(a) default in the payment of any interest on the Notes when such interest becomes due and payable that continues for a period of 30 days;

(b) default in the payment of the principal of the Notes or any Designated Event Repurchase Price or Redemption Price due with respect to the Notes, when due and payable;

(c) failure to deliver cash and, if applicable, Common Stock within ten (10) days after the due date upon an exchange of Notes pursuant to Article 15, together with any cash due in lieu of fractional shares;

(d) default in the performance, or breach, of any of the Issuer's other covenants or warranties in this Indenture with respect to the Notes and continuance of such default or breach for a period of 60 days after the Issuer has been given written notice as provided in Section 8.01 by the Trustee or by the Holders of at least 25% in principal amount of the Notes specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under Section 8.01;

(e) default under any bond, evidence of recourse indebtedness of the Issuer or the Guarantor, or under any mortgage, indenture or other instrument under which there may be issued or by which there may be secured or evidenced any recourse indebtedness for money

33

borrowed by the Issuer or the Guarantor (or by any Subsidiary the repayment of which the Issuer or the Guarantor has guaranteed or for which the Issuer or the Guarantor is directly responsible or liable as obligor or guarantor), whether such indebtedness now exists or shall hereafter be created, which default shall constitute a failure to pay an aggregate principal amount exceeding \$50,000,000 of such indebtedness when due and payable after the expiration of any applicable grace period and shall have resulted in such indebtedness in an aggregate principal amount exceeding \$50,000,000 becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged, or such acceleration having been rescinded or annulled, within a period of 15 days after the Issuer has been given written notice as provided in Section 8.01 by the Trustee or by the Holders of at least 10% in principal amount of the Notes specifying such default and requiring the Issuer or the Guarantor, as the case may be, to cause such indebtedness to be discharged or cause such acceleration to be rescinded or annulled and stating that such notice is a "Notice of Default" under Section 8.01;

(f) the Issuer's failure to issue notice of any event described under Section 15.01(a)(iv) of this Indenture as required under this Indenture and such failure continues for five days;

(g) the Issuer's failure to provide on a timely basis an Issuer Designated Event Repurchase Notice after the occurrence of a Designated Event as provided in Section 4.01(b);

(h) the Company, the Issuer, the Guarantor or any of its Significant Subsidiaries pursuant to or under or within meaning of any Bankruptcy Law:

(i) commences a voluntary case; or

(ii) consents to the entry of an order for relief against it in an involuntary case; or

(iii) consents to the appointment of any receiver, trustee, assignee, liquidator or other similar official under any Bankruptcy Law of it or for all or substantially of its property; or

(iv) makes a general assignment for the benefit of creditors; or

(i) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company, the Issuer, the Guarantor or any of its Significant Subsidiaries in an involuntary case; or

(ii) appoints a trustee, receiver, liquidator, custodian or other similar official of the Company, the Issuer, the Guarantor or any of its Significant Subsidiaries or for all or substantially all of its property; or

(iii) orders the liquidation of the Company, the Issuer, the Guarantor or a Significant Subsidiary;

34

and, in each case in this clause (i), the order or decree remains unstayed and in effect for 90 calendar days;

(j) the Guarantee shall for any reason cease to be, or shall for any reason be asserted in writing by the Issuer or the Guarantor not to be, in full force and effect and enforceable in accordance with its terms, except to the extent contemplated by this Indenture and the Guarantee, and the continuance of such default for a period of 60 days after the Issuer has been given written notice as provided in Section 8.01 by the Trustee or by the Holders of at least 25% in principal amount of the Notes specifying such default and requiring it to be remedied and stating that such notice is a "Notice of Default" under Section 8.01;

then, and in each and every such case (other than an Event of Default specified in Section 7.01(h) and Section 7.01(i) with respect to the Issuer or the Guarantor), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by notice in writing to the Issuer and the Company (and to the Trustee if given by Noteholders), may declare the principal amount of and premium, if any, and interest accrued and unpaid on all the Notes to be immediately due and payable, and upon any such declaration the same shall be immediately due and payable.

If an Event of Default specified in Section 7.01(h) or Section 7.01(i) occurs and is continuing, then the principal amount of and premium, if any, and interest accrued and unpaid on all the Notes shall be immediately due and payable without any declaration or other action on the part of the Trustee or any Holder of Notes.

If, at any time after the principal amount of and premium, if any, and interest on the Notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, Holders of a majority in aggregate principal amount of the Notes then outstanding on behalf of the Holders of all of the Notes then outstanding, by written notice to the Issuer and to the Trustee, may waive all defaults or Events of Default and rescind and annul such declaration and its consequences, subject in all respects to Section 7.07, if: (a) all Events of Default, other than the nonpayment of the principal amount and any accrued and unpaid interest, in each case, that have become due solely because of such acceleration, have been cured or waived; (b) interest on overdue installments of interest (to the extent that payment of such interest is lawful) and on overdue principal, which has become due otherwise than by such declaration of acceleration, has been deposited with the Trustee; and (c) the Issuer or the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances pursuant to Section 8.06. No such rescission and annulment shall extend to or shall affect any subsequent default or Event of Default, or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Issuer, the Holders of Notes, and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and

35

powers of the Issuer, the Holders of Notes, and the Trustee shall continue as though no such proceeding had been taken.

Section 7.02. *Payments of Notes on Default; Suit Therefor.* The Issuer and the Guarantor covenant that in the case of an Event of Default pursuant to Section 7.01(a) or 7.01(b), upon demand of the Trustee, the Issuer and the Guarantor will pay to the Trustee, for the benefit of the Holders of the Notes, (i) the whole amount that then shall be due and payable on all such Notes for principal and premium, if any, or interest, as the case may be, with interest upon the overdue principal and premium, if any, and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of accrued and unpaid interest at the rate borne by the Notes from the required payment date and, (ii) in addition thereto, any amounts due the Trustee under Section 8.06. Until such demand by the Trustee, the Issuer may pay the principal of and premium, if any, and interest on the Notes to the registered Holders, whether or not the Notes are overdue.

In case the Issuer or the Guarantor shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Issuer, the Guarantor

or any other obligor on the Notes and collect in the manner provided by law out of the property of the Issuer, the Guarantor or any other obligor on the Notes wherever situated the monies adjudged or decreed to be payable.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company, the Issuer or any other obligor upon the Notes or the property of the Company, the Issuer or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Issuer for the payment of overdue principal (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4)) shall be entitled and empowered, by intervention in such proceeding or otherwise: (i) to file and prove a claim for the whole amount of principal (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders of Notes allowed in such judicial proceeding, and (ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator (or other similar official) in any such judicial proceeding is hereby authorized by each Holder of Notes to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders of Notes, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee and any predecessor Trustee, their agents and counsel, and any other amounts due the Trustee or any predecessor Trustee under Section 8.06. Nothing herein contained shall be deemed to authorize

the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Note any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of Notes in any such proceeding; *provided, however*, that the Trustee may, on behalf of the Holders of Notes, vote for the election of a trustee in bankruptcy or similar official and may be a member of the creditors' committee.

All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Trustee without the possession of any of the Notes, or the production thereof at any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts owed to the Trustee or any predecessor Trustee under Section 8.06, be for the ratable benefit of the Holders of the Notes.

In any proceedings brought by the Trustee (and in any proceedings involving the interpretation of any provision of this Indenture to which the Trustee shall be a party) the Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Holders of the Notes parties to any such proceedings.

Section 7.03. *Application of Monies Collected by Trustee.* Any monies collected by the Trustee pursuant to this Article 7 shall be applied, in the following order, at the date or dates fixed by the Trustee for the distribution of such monies, upon presentation of the several Notes, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

FIRST: To the payment of costs and expenses of collection, including all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses and disbursements of the Trustee, its agents and counsel and all other amounts due the Trustee and any predecessor Trustee under Section 8.06;

SECOND: To the payment of the amounts then due and unpaid upon the Notes for principal (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the aggregate amounts due and payable on the Notes for principal (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Issuer.

The Trustee may fix a record date and payment date for any such payment to Holders.

Section 7.04. *Proceedings by Noteholders.* No Holder of any Note shall have any right by virtue of or by reference to any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture, or for the appointment of a receiver, trustee, liquidator, custodian or other similar official, or for any other

remedy hereunder, *except* in the case of a default in the payment of principal, premium, if any, or interest on the Notes, unless (a) such Holder previously shall have given to the Trustee written notice of an Event of Default and of the continuance thereof, as hereinbefore provided, (b) the Holders of at least twenty-five percent (25%) in aggregate principal amount of the Notes then outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such indemnity as it may require against the costs, liabilities or expenses to be incurred therein or thereby, (c) the Trustee for sixty (60) calendar days after its receipt of such notice, request and offer of indemnity, shall have failed to institute any such action, suit or proceeding and (d) no direction that, in the reasonable opinion of the Trustee, is inconsistent with such written request shall have been given to the Trustee by Holders of a majority in aggregate principal amount of Notes then outstanding; it being understood and intended, and being expressly covenanted by the taker and Holder of every Note with every other taker and Holder and the Trustee, that no one or more Holders of Notes shall have any right in any manner whatever by virtue of or by reference to any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder of Notes, or to obtain or seek to obtain priority over or preference to any other such Holder, or to enforce any right under this Indenture, *except* in the manner herein provided and for the equal, ratable and common benefit of all Holders of Notes (except as otherwise provided herein). For the protection and enforcement of this Section 7.04, each and every Noteholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provision of this Indenture and any provision of any Note, the right of any Holder of any Note to receive payment of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) and premium, if any, and accrued interest on such Note, on or after the respective due dates expressed in such Note or in the event of redemption or repurchase, or to institute suit for the enforcement of any such payment on or after such respective dates against the Issuer shall not be impaired or affected without the consent of such Holder.

Anything contained in this Indenture or the Notes to the contrary notwithstanding, the Holder of any Note, without the consent of either the Trustee or the Holder of any other Note, in its own behalf and for its own benefit, may enforce, and may institute and maintain any proceeding suitable to enforce, its rights of exchange as provided in Article 15.

Section 7.05. *Proceedings by Trustee.* If an Event of Default occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Notes under this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 7.06. *Remedies Cumulative and Continuing.* All powers and remedies given by this Article 7 to the Trustee or to the Noteholders shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of the Notes, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Notes to

38

exercise any right or power accruing upon any default or Event of Default occurring and continuing as aforesaid shall impair any such right or power, or shall be construed to be a waiver of any such default or any acquiescence therein, and, subject to the provisions of Section 7.04, every power and remedy given by this Article 7 or by law to the Trustee or to the Noteholders may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Noteholders.

Section 7.07. *Direction of Proceedings and Waiver of Defaults by Majority of Noteholders.* The Holders of not less than a majority in aggregate principal amount of the Notes at the time outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee; *provided* that (a) such direction shall not be in conflict with any rule of law or with this Indenture, (b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and (c) the Trustee need not take any action which might involve it in personal liability or expense for which the Trustee has not received security or indemnity satisfactory to it or be unduly prejudicial to the Holders of Notes not joining therein, it being understood that (subject to Section 8.02) the Trustee shall have no duty to ascertain whether or not such actions or forbearance are unduly prejudicial to such Holders.

The Holders of a majority in aggregate principal amount of the Notes at the time outstanding may, on behalf of the Holders of all of the Notes, waive any past default or Event of Default hereunder and its consequences subject to Section 7.01, *except* (i) a default in the payment of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4), premium, if any, or interest on the Notes, (ii) a failure by the Issuer to exchange any Notes as required by this Indenture or (iii) a default in respect of a covenant or provisions hereof which under Article 10 cannot be modified or amended without the consent of the Holders of all Notes then outstanding or each Note affected thereby.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon.

Section 7.08. *Undertaking to Pay Costs.* All parties to this Indenture agree, and each Holder of any Note by its acceptance thereof shall be deemed to have agreed, that any court may, in its discretion, require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; *provided* that the provisions of this Section 7.08 (to the extent permitted by law) shall not apply to any suit instituted by the Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than ten percent in principal amount of the Notes at the time outstanding determined in accordance with Section 9.04, or to any suit instituted by any Noteholder for the enforcement of the payment

39

of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4), or interest on any Note on or after the due date expressed in such Note or to any suit for the enforcement of the right to exchange any Note in accordance with the provisions of Article 15.

ARTICLE 8 THE TRUSTEE

Section 8.01. *Notice of Defaults.* Within 90 days after the occurrence of any default hereunder, the Trustee shall transmit, in the manner and to the extent provided in TIA Section 313(c), notice of such default hereunder actually known to a Responsible Officer of the Trustee, unless a Responsible Officer of the Trustee shall have actual knowledge that such default shall have been cured or waived; *provided, however*, that, *except* in the case of a default in the payment of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) or interest on any Note or a default with respect to the Issuer's obligation to deliver, upon exchange, cash and shares of Common Stock, if applicable, the Trustee shall be protected in withholding such notice if and so long as Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Holders of the Notes; and *provided further* that in the case of any default or breach of the character specified in Section 7.01(d), no such notice to Holders of Notes shall be given until at least 60 days after the occurrence thereof.

- (a) the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, Officers' Certificate, Issuer Request, Issuer Order, written request or order of the Issuer, certificate, statement, calculations, instrument, Opinion of Counsel, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Request, Issuer Order, or written request or order of the Issuer (other than delivery of any Note to the Trustee for authentication and delivery pursuant to Sections 2.01 and 2.04 which shall be sufficiently evidenced as provided therein) and any resolution or determination of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, require and rely upon an Officers' Certificate;
- (d) before the Trustee acts or refrains from acting, the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be

40

full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Notes pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or document, unless requested in writing so to do by the Holders of not less than a majority in aggregate principal amount of the outstanding Notes; *provided* that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of this Indenture, the Trustee may require indemnity satisfactory to it against such expenses or liabilities as a condition to proceeding; the reasonable expenses of every such examination shall be paid by the Holders or, if paid by the Trustee, shall be repaid by the Holders upon demand. The Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, relevant to the facts or matters that are the subject of its inquiry, personally or by agent or attorney;
- (g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;
- (h) the Trustee shall not be liable for any action taken, suffered or omitted by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;
- (i) in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;
- (j) the Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder;
- (k) the permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct; and
- (l) except for any event of which a Responsible Officer of the Trustee has "actual knowledge" and which event, with the giving of notice or the passage of time or both,

41

would constitute an Event of Default under this Indenture, the Trustee shall not be deemed to have notice of any default or Event of Default unless specifically notified in writing of such event by the Issuer or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding; as used herein, the term "**actual knowledge**" means the actual fact or state of knowing, without any duty to make any investigation with regard thereto.

The Trustee shall not be required to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Except during the continuance of an Event of Default, the Trustee undertakes to perform only such duties as are specifically to be performed by it as set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall not be obligated to perform any obligation hereunder and shall not incur any liability for the nonperformance or breach of any obligation hereunder to the extent that the Trustee is delayed in performing, unable to perform or breaches such obligation because of acts of God, war, terrorism, fire, floods, strikes, work stoppages, accidents, civil or military disturbances or natural catastrophes, electrical outages, equipment or transmission

failures, or other causes reasonably beyond its control, it being understood that the Trustee shall use commercially reasonable efforts consistent with accepted practices for corporate trustees to maintain performance without delay or resume performance as soon as reasonably practicable under the circumstances.

The Issuer will provide any information reasonably requested by the Trustee, the Exchange Agent, or any Paying Agent in order to comply with any applicable tax reporting requirements relating to the Notes.

All of the benefits, protections, privileges, immunities, indemnities, and rights under this Indenture that apply to the Trustee also apply to The Bank of New York Mellon, in its individual capacity and in its respective other capacities hereunder (including, without limitation, as Note Registrar, Paying Agent, Exchange Agent, and Custodian).

The Trustee may request that the Issuer and the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 8.03. *Not Responsible for Recitals or Issuance of Notes.* The recitals contained herein and in the Notes, *except* the Trustee's certificate of authentication, shall be taken as the statements of the Issuer, and neither the Trustee nor any Authenticating Agent assumes any responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes or of the Common Stock, the Common Stock Delivery Agreement, the Offering Memorandum, or the Registration Rights Agreement except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Issuer of Notes or the proceeds thereof.

42

Section 8.04. *May Hold Notes and Common Stock.* The Trustee, any Paying Agent, Exchange Agent, Note Registrar, the Custodian, Authenticating Agent or any other agent of the Issuer and their affiliates, in its individual or any other capacity, may become the owner or pledgee of Notes or Common Stock and, subject to TIA Sections 310(b) and 311, may otherwise deal with the Issuer and the Company with the same rights it would have if it were not Trustee, Paying Agent, Exchange Agent, Note Registrar, Authenticating Agent or such other agent.

Section 8.05. *Money Held in Trust.* Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer in writing.

Section 8.06. *Compensation and Reimbursement.* The Issuer, the Guarantor and the Company, jointly and severally, agree:

(a) to pay to the Trustee from time to time, and the Trustee shall be entitled to, compensation and as agreed to in writing for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(b) to reimburse each of the Trustee and any predecessor Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), *except* any such expense, disbursement or advance as shall be determined to have been caused by its own negligence or willful misconduct; and

(c) to indemnify each of the Trustee (including its officers, agents, and employees) and any predecessor Trustee for, and to hold it harmless against, any loss, claim, damage, liability or expense incurred without negligence or willful misconduct on its part, determined to have been caused by the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against or investigating any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Sections 7.01(h) or 7.01(i), the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable federal or state bankruptcy, insolvency or other similar law.

As security for the performance of the obligations of the Issuer under this Section 8.06, the Trustee shall have a lien prior to the Notes upon all property and funds held or collected by the Trustee as such, *except* funds held in trust for the payment of principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) or interest on any Notes. The provisions of this Section 8.06

43

shall survive the termination or satisfaction and discharge of this Indenture, the payment or exchange of the Notes, and the resignation or removal of the Trustee.

Section 8.07. *Corporate Trustee Required; Eligibility; Conflicting Interests.* There shall at all times be a Trustee hereunder which shall be eligible to act as Trustee under TIA Section 310(a)(1) and shall have a combined capital and surplus of at least \$50,000,000. If such corporation publishes reports of condition at least annually, pursuant to law or the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 8.07, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. Neither the Issuer nor any Person directly or indirectly controlling, controlled by, or under common control with the Issuer shall serve as Trustee. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 8.07, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 8.08. *Resignation and Removal; Appointment of Successor.*

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 8.09.

(b) The Trustee may resign at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time by Act of the Holders of a majority in principal amount of the outstanding Notes delivered to the Trustee and to the Issuer.

(d) If at any time:

(i) the Trustee shall fail to comply with the provisions of TIA Section 310(b) after written request therefor by the Issuer or by any Holder of a Note who has been a bona fide Holder of a Note for at least six months, or

(ii) the Trustee shall cease to be eligible under Section 8.07 and shall fail to resign after written request therefor by the Issuer or by any Holder of a Note who has been a bona fide Holder of a Note for at least six months, or

(iii) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer by or pursuant to a Board Resolution may remove the Trustee and appoint a successor Trustee, or (B) subject to TIA Section 315(e), any Holder of a

44

Note who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, the Issuer, by or pursuant to a Board Resolution, shall promptly appoint a successor Trustee or Trustees. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee shall be appointed by Act of the Holders of a majority in principal amount of the outstanding Notes delivered to the Issuer and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee and to that extent supersede the successor Trustee appointed by the Issuer. If no successor Trustee shall have been so appointed by the Issuer or the Holders of Notes and accepted appointment in the manner hereinafter provided, any Holder of a Note who has been a bona fide Holder of a Note for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) The Issuer shall give notice of each resignation and each removal of the Trustee and each appointment of a successor Trustee by mailing or causing to be mailed such notice to the Holders of Notes as they appear on the Note Register. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

Section 8.09. *Acceptance of Appointment By Successor.* (a) In case of the appointment hereunder of a successor Trustee, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Issuer and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Issuer or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee, and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its claim, if any, *provided* for in Section 8.06.

(b) In case of the appointment hereunder of a successor Trustee, the Issuer, the retiring Trustee and each successor Trustee shall execute and deliver an indenture supplemental hereto, pursuant to Article 10 hereof, wherein each successor Trustee shall accept such appointment and which (i) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee to which the appointment of such successor Trustee relates, (ii) if the retiring Trustee is not retiring with respect to all Notes, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (iii) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees co-trustees of the same trust and that each such Trustee shall be trustee

45

of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and upon the execution and delivery of such supplemental indenture the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trust sand duties of the retiring Trustee to which the appointment of such successor Trustee relates; but, on request of the Issuer or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder to which the appointment of such successor Trustee relates.

(c) Upon request of any such successor Trustee, the Issuer shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section 8.09, as the case may be.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 8.10. *Merger, Conversion, Consolidation or Succession to Business.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, *provided* such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case any Notes shall not have been authenticated by such predecessor Trustee, any such successor Trustee may authenticate and deliver such Notes, in either its own name or that of its predecessor Trustee, with the full force and effect which this Indenture provides for the certificate of authentication of the Trustee.

Section 8.11. *Appointment of Authenticating Agent.* At any time when any of the Notes remain outstanding, the Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to authenticate Notes issued upon exchange, registration of transfer or partial redemption or repayment thereof, and Notes so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Any such appointment shall be evidenced by an instrument in writing signed by a Responsible Officer of the Trustee, a copy of which instrument shall be promptly furnished to the Issuer. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Issuer and shall at all times be a bank or trust company or corporation organized and doing business and in good standing under the laws of the United States of America or of any state or the District of

46

Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or state authorities. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 8.11, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus asset forth in its most recent report of condition so published. In case at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 8.11, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section 8.11.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, *provided* such corporation shall be otherwise eligible under this Section 8.11, without the execution or filing of any paper or further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee and to the Issuer. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice of termination to such Authenticating Agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section 8.11, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Issuer and shall give notice of such appointment to all Holders of Notes by mailing or causing to be mailed such notice to the Holders of Notes as they appear on the Note Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent herein. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section 8.11.

The Issuer agrees to pay to each Authenticating Agent from time to time reasonable compensation including reimbursement of its reasonable expenses for its services under this Section 8.11.

If an appointment is made pursuant to this Section 8.11, the Notes may have endorsed thereon, in addition to or in lieu of the Trustee's certificate of authentication, an alternate certificate of authentication substantially in the following form:

Section 8.12. *Certain Duties and Responsibilities of the Trustee.*

(a) Except during the continuance of an Event of Default:

(i) the Trustee undertakes to perform such duties and only such duties as are specifically to be performed by it as set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture, but shall not be under any duty to verify the contents or accuracy thereof.

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, *except* that:

(i) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section 8.12;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the outstanding Notes relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

48

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 8.12.

ARTICLE 9 THE NOTEHOLDERS

Section 9.01. *Action by Noteholders.* Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Notes may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that, at the time of taking any such action, the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by Noteholders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders of Notes voting in favor thereof at any meeting of Noteholders, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Noteholders. Whenever the Issuer or the Trustee solicits the taking of any action by the Holders of the Notes, the Issuer or the Trustee may fix in advance of such solicitation a date as the record date for determining Holders entitled to take such action. Such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Noteholders generally in connection therewith and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other act may be given before or after such record date, but only the Noteholders of record at the close of business on such record date shall be deemed to be Noteholders for the purposes of determining whether Holders of the requisite proportion of outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other act, and for that purpose the outstanding Notes shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Noteholders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date.

Section 9.02. *Proof of Execution by Noteholders.* Subject to the provisions of Sections 8.02 and 8.12, proof of the execution of any instrument by a Noteholder or its agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be satisfactory to the Trustee. The holding of Notes shall be proved by the registry of such Notes or by a certificate of the Note Registrar.

Section 9.03. *Absolute Owners.* The Issuer, the Trustee, any Paying Agent, any exchange agent and any Note Registrar may deem the Person in whose name such Note shall be registered upon the Note Register to be, and may treat it as, the absolute owner of such Note (whether or not such Note shall be overdue and notwithstanding any notation of ownership or other writing thereon made by any Person other than the Issuer or any Note Registrar) for the purpose of receiving payment of or on account of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3

49

and Article 4), premium, if any, and interest on such Note, for exchange of such Note and for all other purposes; and neither the Issuer nor the Trustee nor any Paying Agent nor any exchange agent nor any Note Registrar shall be affected by any notice to the contrary. All such payments so made to any Holder for the time being, or upon its order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for monies payable upon any such Note.

Section 9.04. *Issuer-owned Notes Disregarded.* In determining whether the Holders of the requisite aggregate principal amount of Notes have given any request, demand, authorization, direction, notice, consent or waiver under this Indenture or whether a quorum is present at a meeting of Noteholders, Notes that are owned by the Issuer or any other obligor upon the Notes or any Affiliate of the Issuer or any other obligor on the Notes shall be disregarded and deemed not to be outstanding for the purpose of any such determination; *provided* that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, consent, waiver or other action, only Notes which a Responsible Officer of the Trustee actually knows are

so owned shall be so disregarded. Notes so owned which have been pledged in good faith may be regarded as outstanding for the purposes of this Section 9.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Notes and that the pledgee is not the Issuer, any other obligor on the Notes or any Affiliate of the Issuer or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Issuer shall furnish to the Trustee promptly an Officers' Certificate listing and identifying all Notes, if any, known by the Issuer to be owned or held by or for the account of any of the above described Persons, and, subject to Section 8.12, the Trustee shall be entitled to accept such Officers' Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes not listed therein are outstanding for the purpose of any such determination.

Section 9.05. *Revocation of Consents; Future Holders Bound.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 9.01, of the taking of any action by the Holders of the percentage in aggregate principal amount of the Notes specified in this Indenture in connection with such action, any Holder of a Note which is shown by the evidence to be included in the Notes the Holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 9.02, revoke such action so far as concerns such Note. Except as aforesaid, any such action taken by the Holder of any Note shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Note and of any Notes issued in exchange or substitution therefor, irrespective of whether any notation in regard thereto is made upon such Note or any Note issued in exchange or substitution therefor.

ARTICLE 10 SUPPLEMENTAL INDENTURES

Section 10.01. *Supplemental Indentures Without Consent of Noteholders.* The Issuer, the Company and the Trustee may, from time to time, and at any time enter into an indenture or indentures supplemental without the consent of any Holder of the Notes hereto for any of the following purposes:

50

- (a) to evidence a successor to the Issuer as obligor, or Reckson OP as Guarantor, or to the Company under this Indenture;

- (f) to cure any ambiguity, defect or inconsistency in this Indenture;
- (g) to amend or supplement any provisions of this Indenture; *provided* that no amendment or supplement shall materially adversely affect the interests of the Holders of any Notes then outstanding; *and provided, further*, that no modification or amendment to cure any ambiguity, defect or inconsistency in the indenture or the Notes made solely to conform the indenture to the "Description of Notes" contained in the Offering Memorandum will be deemed to adversely affect the interests of the Holders of the Notes;
- (h) to add to the covenants of the Issuer, the Guarantor, or the Company for the benefit of the Holders of the Notes or to surrender any right or power conferred upon the Issuer or the Company in this Indenture or in the Notes;
- (i) to provide for Global Notes in addition to or in place of Certificated Notes, as provided in this Indenture; and
- (j) to modify this Indenture and the Notes to increase the Exchange Rate or reduce the Exchange Price; *provided* that the increase or reduction, as the case may be, is in accordance with the terms of the Notes or will not adversely affect the interests of the Holders of the Notes.

Upon an Issuer Request authorizing the execution of any supplemental indenture, the Trustee is hereby authorized to join with the Issuer and the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any supplemental indenture that affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 10.01 may be executed by the Issuer, the Company and the Trustee without the consent of the Holders of any of the Notes at the time outstanding, notwithstanding any of the provisions of Section 10.02.

Section 10.02. *Supplemental Indenture With Consent of Noteholders.* With the consent (evidenced as provided in Article 9) of the Holders of not less than a majority in

51

aggregate principal amount of the Notes at the time outstanding, the Company, the Issuer and the Trustee may, from time to time and at any time, enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or modifying in any manner the rights of the Holders of the Notes; *provided* that no such supplemental indenture shall, without the consent of the Holder of each Note so affected:

- (a) change the Stated Maturity of the principal of or any installment of interest on the Notes, reduce the principal amount of, or the rate or amount of interest on, or any premium payable on redemption of, the Notes, or adversely affect any right of repayment of the Holder of the Notes, change the place of payment, or the coin or currency, for payment of principal of or interest on any Note or impair the right to institute suit for the enforcement of any payment on or with respect to the Notes;

(b) reduce the percentage in principal amount of the outstanding Notes necessary to modify or amend this Indenture as provided in this Section 10.02, to waive compliance with certain provisions of this Indenture or certain defaults and their consequences provided in this Indenture, or to reduce the quorum or change voting requirements set forth in this Indenture;

(c) modify or affect in any manner adverse to the Holders of the Notes the terms and conditions of the obligations of the Company in respect of the payments of principal and interest;

(d) modify any of this Section 10.02 or any of the provisions relating to the waiver of certain past defaults or certain covenants, *except* to increase the required percentage to effect the action or to provide that certain other provisions may not be modified or waived without the consent of the Holders of the Notes;

(e) change the ranking of the Notes;

(f) modify the provisions of Section 4.01 in a manner adverse to the Holders of the Notes, including the Issuer's obligation to repurchase the Notes;

(g) voluntarily release, other than in accordance with the Indenture, the Guarantee of the Guarantor; or

(h) adversely affect the rights of Holders of the Notes contained in Section 15.01.

Upon an Issuer Request authorizing the execution of any supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Noteholders as aforesaid, the Trustee shall join with the Issuer and the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

52

It shall not be necessary for the consent of the Noteholders under this Section 10.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 10.03. *Effect of Supplemental Indenture.* Upon the execution of any supplemental indenture pursuant to the provisions of this Article 10, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitation of rights, obligations, duties and immunities under this Indenture of the Trustee, the Issuer and the Holders of Notes shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.04. *Notation on Notes.* Notes authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article 10 may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Issuer or the Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may, at the Issuer's expense, be prepared and executed by the Issuer, authenticated by the Trustee (or an authenticating agent duly appointed by the Trustee pursuant to Section 8.11) and delivered in exchange for the Notes then outstanding, upon surrender of such Notes then outstanding.

Section 10.05. *Evidence of Compliance of Supplemental Indenture to Be Furnished to Trustee.* Prior to entering into any supplemental indenture pursuant to this Article 10, the Trustee shall be provided with an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this Article 10 and is otherwise authorized or permitted by this Indenture.

ARTICLE 11 CONSOLIDATION, MERGER, SALE, CONVEYANCE AND LEASE

Section 11.01. *Issuer and Guarantor May Consolidate on Certain Terms.* Nothing contained in this Indenture or in the Notes shall prevent any consolidation or merger of the Issuer or the Guarantor with or into any other Person or Persons (whether or not affiliated with the Issuer or the Guarantor), or successive consolidations or mergers in which either the Issuer or the Guarantor will be the continuing entity or the Issuer or the Guarantor or its successor or successors shall be a party or parties, or shall prevent any sale, lease or conveyance, of all or substantially all of the property of the Issuer or the Guarantor, to any other Person (whether or not affiliated with the Issuer or the Guarantor) so long as the following conditions are met:

(a) the Issuer or the Guarantor, as the case may be, shall be the continuing entity, or the successor entity (if other than the Issuer or the Guarantor) formed by or resulting from any consolidation or merger or which shall have received the transfer of assets shall expressly assume (i) in the case of the Issuer, payment of the principal of and interest on all of the Notes and the due and punctual performance and observance of all of the covenants and

53

conditions in this Indenture or (ii) in the case of the Guarantor, all of the obligations of the Guarantor under its Guarantee of the Notes;

(b) if as a result of such transaction the Notes become exchangeable into common stock or other securities issued by a third party, such third party fully and unconditionally guarantees all obligations under such Notes and this Indenture;

(c) immediately after giving effect to such transaction, no Event of Default and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have occurred and be continuing; and

(d) either the Issuer or Guarantor or the successor Person, as the case may be, shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, lease or conveyance and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with this Article 11.

No such consolidation, merger, sale, lease or conveyance shall be permitted by this Section 11.01 unless prior thereto the Company shall have delivered to the Trustee an Officers' Certificate stating that the Company's obligations hereunder shall remain in full force and effect thereafter, and that all conditions precedent herein provided for relating to such transaction have been complied with.

Section 11.02. *Issuer or Guarantor Successor to Be Substituted.* Upon any consolidation by the Issuer or the Guarantor with or merger of the Issuer or the Guarantor into any other Person or any sale, lease or conveyance of all or substantially all of the properties and assets of the Issuer or the Guarantor to any Person in accordance with Section 11.01, the successor Person formed by such consolidation or into which the Issuer or the Guarantor is merged or to which such sale, lease or conveyance is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or the Guarantor, as the case may be, under this Indenture with the same effect as if such successor Person had been named as the Issuer or the Guarantor herein, as the case may be, and thereafter, *except* in the case of a lease, the predecessor Person shall be released, in the case of the Issuer, from all obligations and covenants under this Indenture and the Notes, and in the case of the Guarantor, from all of the obligations of the Guarantor under its Guarantee of the Notes.

In case of any such consolidation, merger, sale, lease or conveyance, such changes in phraseology and form (but not in substance) may be made in the Notes thereafter to be issued as may be appropriate.

ARTICLE 12 SATISFACTION AND DISCHARGE OF INDENTURE

Section 12.01. *Satisfaction and Discharge of Indenture.* This Indenture shall cease to be of further effect (except as to any surviving rights of exchange or registration of transfer or exchange of the Notes herein expressly provided for and except as provided below), and the Trustee, upon Issuer Order and demand of and at the expense of the Issuer, shall execute

54

instruments in form and substance satisfactory to the Trustee and the Issuer acknowledging satisfaction and discharge of this Indenture when:

(a) either

(i) all Notes theretofore authenticated and delivered (other than (A) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 12.04, and (B) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from such trust, as provided in Section 12.04) have been delivered to the Trustee for cancellation; or

(ii) all such Notes not theretofore delivered to the Trustee for cancellation have become due and payable, whether at Stated Maturity, or any Repurchase Date, or upon exchange (following the determination of the cash and Common Stock, if any, due upon exchange as determined pursuant to Article 15),

and the Issuer or, if applicable, the Guarantor has irrevocably (except as provided in the second proviso to Section 12.05) deposited or caused to be deposited with the Trustee, a Paying Agent or the Exchange Agent (other than the Issuer or any of its Affiliates), as applicable, as trust funds in trust cash and/or shares of Common Stock (as applicable under the terms of this Indenture) in an amount sufficient to pay and discharge the entire indebtedness on such Notes not theretofore delivered to the Trustee for cancellation, for principal (and premium, if any) and interest to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity or Redemption Date or Designated Redemption Date, as the case may be;

(b) the Issuer or the Guarantor has paid or caused to be paid all other sums payable hereunder by the Issuer and the Guarantor; and

(c) the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer to the Trustee and any predecessor Trustee under Section 8.06 and, if money shall have been deposited with and held by the Trustee pursuant to subclause (ii) of clause (a) of this Section 12.01, the provisions of Sections 2.05, 2.06, 2.07 and 4.02 and Article 15 and this Article 12 shall survive until the Notes have been paid in full.

Notwithstanding the reference to premium under subclause (ii) of clause (a) of this Section 12.01, the Issuer shall not be required to deposit pursuant thereto any premium that would be payable on the Notes only upon acceleration of the maturity thereof pursuant to Section 7.01.

Section 12.02. *Application of Trust Funds.* All money deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the

55

Persons entitled thereto, of the principal (and premium, if any), and any interest for whose payment such money has been deposited with or received by the Trustee, but such money need not be segregated from other funds except to the extent required by law. All moneys deposited with the Trustee (and held by it or any Paying Agent) for the payment of Notes subsequently exchanged shall be returned to the Issuer upon request.

Section 12.03. *Paying Agent to Repay Monies Held.* Subject to the provisions of Section 12.04 the Trustee or a Paying Agent shall hold in trust, for the benefit of the Noteholders, all money deposited with it pursuant to Section 12.01 and shall apply the deposited money in accordance with this

Indenture and the Notes to the payment of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) and interest on the Notes.

Section 12.04. *Return of Unclaimed Monies.* The Trustee and each Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal or interest that remains unclaimed for two years after a right to such money has matured; *provided, however,* that the Trustee or such Paying Agent, before being required to make any such payment, may, at the expense of the Issuer, either publish in a newspaper of general circulation in The City of New York, or cause to be mailed to each Holder entitled to such money, notice that such money remains unclaimed and that after a date specified therein, which shall be at least thirty (30) calendar days from the date of such mailing or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another person, and the Trustee and each Paying Agent shall be relieved of all liability with respect to such money.

Section 12.05. *Reinstatement.* If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article 12 by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 12 until such time as the Trustee or Paying Agent is permitted to apply all money held in trust with respect to the Notes; *provided, however,* that if the Issuer makes any payment of principal of or any premium or interest on any Notes following the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of the Notes to receive such payment from the money so held by the Trustee or Paying Agent in trust; provided, further, that, if the Issuer's obligations are revived and reinstated as herein provided, the Trustee or Paying Agent shall discharge from trust and pay to the Issuer all funds (together with the earnings thereon, if any) previously deposited therewith pursuant to Section 12.02 and thereupon the Issuer, the Trustee, any Paying Agent and the Holders of the Notes shall be restored severally and respectively to their former positions hereunder as if no satisfaction and discharge had been effected.

56

ARTICLE 13 GUARANTEE

Section 13.01. *Guarantee.*

(a) Subject to this Article 13, the Guarantor hereby fully and unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee: (i) the due and punctual payment of the principal of (and premium, if any) and interest on such Note when and as the same shall become due and payable, whether at the Stated Maturity, by acceleration, redemption, repurchase or otherwise, and the due and punctual performance of all other obligations of the Issuer to the Holders or the Trustee, all in accordance with the terms of such Note and of this Indenture and (ii) in the case of any extension of time of payment or renewal of such Note or any of such other obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at the Stated Maturity or by acceleration, redemption, repurchase or otherwise, *subject, however,* in the case of clauses (i) and (ii) above, to the limitations set forth in the next succeeding paragraph.

(b) The Guarantor and by its acceptance hereof each Holder hereby confirms that it is the intention of all such parties that the Guarantee by the Guarantor not constitute a fraudulent transfer or conveyance for purposes of the United States Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar Federal or state law. To effectuate the foregoing intention, the Holders and the Guarantor hereby irrevocably agree that the obligations of the Guarantor under its Guarantee shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of the Guarantor, result in the obligations of the Guarantor under its Guarantee not constituting such fraudulent transfer or conveyance.

(c) The Guarantor hereby agrees that its obligations hereunder shall be absolute, unconditional, irrespective of, and shall be unaffected by, the validity, regularity or enforceability of such Note or this Indenture, the absence of any action to enforce the same or any release, amendment, waiver or indulgence granted to the Issuer, the Company or any guarantor or any consent to departure from any requirement of any other guarantee of all or any of the Notes or any other circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor; *provided, however,* that, notwithstanding the foregoing, no such release, amendment, waiver or indulgence shall, without the consent of the Guarantor, increase the principal amount of such Note, or increase the interest rate thereon, or alter the Stated Maturity thereof. The Guarantor hereby waives the benefits of diligence, presentment, demand for payment, any requirement that the Trustee or any of the Holders exhaust any right or take any action against the Issuer or any other Person, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to such Note or the indebtedness evidenced thereby and all demands whatsoever, and covenants that the Guarantee will not be discharged in respect of such Note except by complete performance of the obligations contained in such Note and in such Guarantee. The Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, the Guarantor agrees to pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

57

(d) The Guarantor shall be subrogated to all rights of the Holders of the Notes upon which its Guarantee is endorsed against the Issuer in respect of any amounts paid by the Guarantor on account of such Note pursuant to the provisions of its Guarantee or this Indenture; *provided, however,* that the Guarantor shall not be entitled to enforce or to receive any payments arising out of, or based upon, such right of subrogation until the principal of (and premium, if any) and interest on all Notes issued hereunder shall have been paid in full.

(e) The Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuer for liquidation or reorganization, should the Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any part of the Issuer's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any Holder of the Notes, whether as a "voidable preference," "fraudulent transfer," or otherwise, all as though such payment or performance had

not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

Section 13.02. *Execution and Delivery of Guarantees.*

The Guarantee to be endorsed on the Notes shall include the terms of the Guarantee set forth in Section 13.01 and any other terms that may be set forth in the form established pursuant to Section 2.02. The Guarantor hereby agrees to execute its Guarantee, in a form established pursuant to Section 2.02, to be endorsed on each Note authenticated and delivered by the Trustee.

The Guarantee shall be signed in the name and on behalf of the Guarantor by the manual or facsimile signature of an Officer of the Guarantor.

In case any Officer who shall have signed a Guarantee shall cease to be such Officer before the Note on which the Guarantee is endorsed shall have been authenticated and delivered by the Trustee, such Guarantee nevertheless shall bind the Guarantor, and a Guarantee may be signed on behalf of the Guarantor by such persons as, at the actual date of the execution of such Guarantee, shall be the proper Officers, although at the date of the execution of this Indenture any such person was not such an Officer.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee endorsed thereon on behalf of the Guarantor and shall bind the Guarantor notwithstanding the fact that the Guarantee may not bear the signature of the Guarantor. The Guarantor hereby agrees that its Guarantee set forth in Section 13.01 and in the form of Guarantee established pursuant to Section 2.02 shall remain in full force and effect notwithstanding any failure to endorse a Guarantee on any Note.

58

Section 13.03. *Release of the Guarantor.*

The Guarantee will remain in effect with respect to the Guarantor until the entire principal of, premium, if any, and interest on the Notes to which the Guarantee relates shall have been paid in full or otherwise discharged in accordance with the provisions of such Notes and this Indenture and all amounts owing to the Trustee hereunder have been paid or as provided in Section 11.02; *provided, however*, that if the Notes are satisfied and discharged pursuant to Section 12.01, then upon delivery by the Issuer of an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent herein provided for relating to the release of the Guarantor from its obligations under its Guarantee and this Article 13 have been complied with, the Guarantor shall be released and discharged of its obligations under its Guarantee and under this Article 13 without any action on the part of the Trustee or any Holder, and the Trustee shall execute any documents reasonably required in order to acknowledge the release of the Guarantor from its obligations under its Guarantee endorsed on the Notes of a series and under this Article 13.

ARTICLE 14
IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

Section 14.01. *Indenture and Notes Solely Corporate Obligations.* No recourse for the payment of the principal of (including the Redemption Price or Designated Event Repurchase Price upon redemption or repurchase pursuant to Article 3 and Article 4) or, premium, if any, or interest on any Note, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Issuer, the Company or the Guarantor in this Indenture or in any supplemental indenture or in any Note, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, partner, member, manager, employee, agent, officer, director or subsidiary, as such, past, present or future, of the Company, the Issuer or any of the Company's subsidiaries or of any successor thereto, either directly or through the Company, the Issuer or any of the Company's subsidiaries or of any successor thereto, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Notes.

ARTICLE 15
EXCHANGE OF NOTES

Section 15.01. *Right to Exchange.* (a) Upon compliance with the provisions of this Indenture, on or prior to the close of business on the second Business Day immediately preceding the Maturity Date, the Holder of any Notes not previously redeemed or repurchased shall have the right, at such Holder's option, to exchange its Notes, or any portion thereof which is a multiple of \$1,000, into cash and, if applicable, Common Stock, as provided in Section 15.10, by surrender of such Notes so to be exchanged in whole or in part, together with any required funds, under the circumstances and in the manner described in this Article 15. Holders may exchange their Notes at any time on or after the 22nd Scheduled Trading Day prior to the Maturity Date until the close of business on the second Business Day immediately preceding the Maturity Date. In addition, Holders may exchange their Notes at any time prior to such 22nd Scheduled Trading Day prior to the Maturity Date only upon occurrence of one of the following events:

59

(i) *Exchange Upon Satisfaction of Market Price Condition.* A Holder may surrender any of its Notes for exchange during any calendar quarter beginning after December 31, 2010 (and only during such calendar quarter) if the Closing Sale Price of the Common Stock for at least 20 Trading Days in the period of 30 consecutive Trading Days ending on the last Trading Day of the preceding calendar quarter is more than 130% of the Exchange Price per share of Common Stock in effect on the applicable Trading Day. The Board of Directors will make appropriate adjustments, in its good faith determination, to account for any adjustment to the Exchange Rate that becomes effective, or any event requiring an adjustment to the Exchange Rate where the ex-dividend date of the event occurs, during that 30 consecutive Trading Day period.

If the Notes shall be exchangeable as a result of the occurrence of an event specified in this clause (i), the Issuer shall promptly deliver to the Trustee and the Exchange Agent (if the Trustee is not the Exchange Agent) written notice thereof.

(ii) Exchange Upon Satisfaction of Trading Price Condition. A Holder may surrender any of its Notes for exchange during the 5 consecutive Trading Day period following any 5 consecutive Trading Days in which the Trading Price per \$1,000 principal amount of Notes (as determined following a reasonable request by a Holder of the Notes) was less than 98% of the product of the Closing Sale Price of the Common Stock, *multiplied* by the Applicable Exchange Rate.

“**Trading Price**” of the Notes on any date of determination means the average of the secondary market bid quotations per \$1,000 principal amount of such Notes obtained by the Trustee for a \$5,000,000 principal amount of Notes at approximately 3:30 p.m., New York City time, on such determination date from two independent nationally recognized securities dealers the Issuer selects, which may include the Initial Purchaser; *provided* that if at least two such bids cannot reasonably be obtained by the Trustee, but one such bid can reasonably be obtained by the Trustee, then one bid shall be used. If the Trustee cannot reasonably obtain at least one bid for a \$5,000,000 principal amount of such Notes from a nationally recognized securities dealer or, in the Issuer’s reasonable judgment, the bid quotations are not indicative of the secondary market value of such Notes, then the Trading Price per \$1,000 principal amount of such Notes will be deemed to be less than 98% of the product of the Closing Sale Price of Common Stock and the Applicable Exchange Rate on such determination date.

The Trustee shall have no obligation to determine the Trading Price of the Notes unless the Issuer shall have requested such determination, and the Issuer shall have no obligation to make such request unless a Holder provides the Issuer with reasonable evidence that the Trading Price per \$1,000 principal amount of Notes would be less than 98% of the product of the Closing Sale Price of the Common Stock and the Applicable Exchange Rate, whereupon the Issuer shall instruct the Trustee to determine the Trading Price of the Notes beginning on the next Trading Day and on each successive Trading Day until the Trading Price is greater than or equal to 98% of the product of the Closing Sale Price of the Common Stock and the Applicable Exchange Rate. If the Issuer does not so instruct the Trustee after a Holder of Notes provides the Issuer with reasonable

60

evidence that the Trading Price per \$1,000 principal amount of Notes would be less than 98% of the product of the Closing Sale Price of the Common Stock and the Applicable Exchange Rate, the Trading Price of the Notes will be deemed to be less than 98% of the Closing Sale Price of the Common Stock *multiplied* by the Applicable Exchange Rate on each Trading Day the Issuer fails to do so.

(iii) Exchange Upon Notice of Redemption. A Holder may surrender for exchange any of the Notes called for redemption at any time prior to the close of business on the second Business Day prior to Redemption Date, even if the Notes are not otherwise exchangeable at such time. The right to exchange Notes pursuant to this clause (iii) shall expire after the close of business on the second Business Day immediately preceding the Redemption Date, unless the Issuer defaults in payment of the Redemption Price. A Holder may exchange fewer than all of its Notes so long as the Notes exchanged are an integral multiple of \$1,000 principal amount and the remaining principal amount of Notes is in an authorized denomination.

(iv) Exchange Upon Specified Transactions. If the Company elects to: (1) distribute to all holders of the Common Stock any rights, warrants or options entitling them for a period of not more than 45 days after the date of issuance thereof to subscribe for or purchase Common Stock at an exercise price per share of Common Stock less than the Closing Sale Price of the Common Stock on the Business Day immediately preceding the time of announcement of such issuance; or (2) distribute to all holders of Common Stock assets, debt securities or certain rights to purchase securities of the Issuer or the Company, which distribution (excluding for this purpose a distribution solely in the form of cash required to preserve the status of the Company as a real estate investment trust) has a per share value exceeding 15% of the average of the Closing Sale Prices of the Common Stock for the 5 consecutive Trading Days ending on the date immediately preceding the declaration date of such distribution, the Issuer must notify the Holders of Notes at least 25 Scheduled Trading Days prior to the ex-dividend date for such distribution described in clause (1) or clause (2).

Following the issuance of such notice, Holders may surrender their Notes for exchange at any time until the earlier of the close of business on the Business Day prior to the ex-dividend date or an announcement that such distribution will not take place; *provided, however*, that no adjustment to the ability of the Holders of Notes to exchange their Notes will be made if the Holders of Notes, as a result of holding the Notes, are entitled to participate at the same time as Common Stock holders participate in such transaction or distribution as if such Holders of the Notes held a number shares of Common Stock equal to the Applicable Exchange Rate, *multiplied* by the principal amount (expressed in thousands) of Notes held by such Holder, without having to exchange their Notes. The “**ex-dividend date**” means, with respect to any distribution on shares of Common Stock, the first date upon which a sale of the Common Stock does not automatically transfer the right to receive the relevant distribution from the seller of the Common Stock to its buyer.

In addition, (1) if the Company otherwise is a party to a share exchange or tender offer, liquidation, consolidation, recapitalization, reclassification, combination or

61

merger, or a sale or lease or other transfer of all or substantially all of its respective properties and assets, or a series of related transactions or events, in each case pursuant to which all of the outstanding Common Stock would be exchanged for, converted into or constitute solely the right to receive cash, securities or other property, or (2) if a Designated Event occurs, a Holder may surrender its Notes for exchange at any time from and including the date that is 25 Scheduled Trading Days prior to the anticipated effective time of the transaction or event up to and including 35 Business Days after the actual date of such transaction or event, unless such transaction or event also constitutes a Designated Event, in which case the Notes may be surrendered for exchange until the related Designated Event Repurchase Date. The Issuer will notify Holders of Notes and the Trustee as promptly as reasonably practicable following the date such transaction or event is publicly announced (but in no event less than 25 Scheduled Trading Days prior to the effective time of such transaction or event; *provided* that the Issuer shall not be required to provide such notice before such time that the Company is otherwise required by law or the rules of the exchange on which the Common Stock is listed to provide such notice).

(v) Exchange Upon Delisting of the Common Stock. A Holder may surrender for exchange any of its Notes at any time beginning on the first Business Day after the Common Stock has ceased to be listed on a U.S. national or regional securities exchange for 30 consecutive Trading Days.

(b) Whenever the Notes shall become exchangeable pursuant to this Section 15.01, the Issuer or, at the Issuer's Request, the Trustee in the name and at the expense of the Issuer, shall notify the Holders of the event triggering such exchangeability in the manner provided in Section 17.04, and the Issuer shall also publicly announce such information and publish it on the Issuer's website. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice. The text of such notice shall be prepared by the Issuer, and in giving such notice the Trustee may rely and shall be fully protected in relying upon such Issuer Request and shall have no responsibility for text prepared by the Issuer.

(c) A Note in respect of which a Holder has delivered a Designated Event Repurchase Notice exercising such Holder's right to require the Issuer to repurchase such Note pursuant to Section 4.01 may be exchanged only if such Designated Event Repurchase Notice is properly withdrawn in accordance with, and within the time periods set forth in, Section 4.03.

(d) A Holder of Notes is not entitled to any rights of a Holder of Common Stock until such time as such Holder is entitled to receive shares of Common Stock pursuant to this Article 15.

Section 15.02. *Exercise of Exchange Right; No Adjustment for Interest or Dividends.* In order to exercise the exchange right with respect to any Note in certificated form, the Issuer must receive at the office or agency of the Issuer maintained for that purpose in the Borough of Manhattan or, at the option of such Holder, the Corporate Trust Office, such Note with the original or facsimile of the form entitled "**Exchange Notice**" on the reverse thereof, duly completed and signed manually or by facsimile, together with such Notes duly endorsed for

62

transfer, accompanied by the funds, if any, required by this Section 15.02. Such notice shall also state the name or names (with address or addresses) in which the certificate or certificates for shares of Common Stock that shall be issuable on such exchange shall be issued, and shall be accompanied by transfer or similar taxes, if required pursuant to Section 15.06.

To exchange Notes held in book-entry form, a Holder must exchange by book-entry transfer to the Exchange Agent through the facilities of DTC and, if required, pay all taxes and duties, if any, and, if required, pay all funds equal to interest payable on the next interest payment date to which the holder is not entitled. The Exchange Notice for Notes held in book-entry form must comply with all applicable DTC procedures.

To exchange the Notes that are in certificated form, a Holder must (a) complete and manually sign the Exchange Notice on the reverse of the Note (or complete and manually sign a facsimile of such notice) and deliver such notice to the Exchange Agent at the office maintained by the Exchange Agent for such purpose, (b) surrender the Notes to the Exchange Agent, (c) furnish appropriate endorsements and transfer documents if required by the Exchange Agent, (d) pay any transfer or similar tax, if required and (e) pay funds equal to the interest payable on the next interest payment date to which the Holder is not entitled, if required.

The date on which the Holder satisfies all such requirements shall be deemed to be the date on which the applicable Notes shall have been tendered for exchange.

Whether the Notes to be exchanged are held in book-entry or certificated form, the Exchange Notice will require the Holder to certify that it is a qualified institutional buyer within the meaning of Rule 144A under the Securities Act.

If the Issuer is required to deliver shares of Common Stock (upon settlement in accordance with Sections 15.10 and 15.11, if applicable, on the third Business Day immediately following the last day of the Applicable Observation Period), after satisfaction of the requirements for exchange set forth above, subject to compliance with any restrictions on transfer if shares issuable on exchange are to be issued in a name other than that of the Noteholder (as if such transfer were a transfer of the Note or Notes (or portion thereof) so exchanged), and in accordance with the time periods set forth in this Article 15, the Issuer shall deliver to such Noteholder at the office or agency maintained by the Issuer for such purpose pursuant to Section 5.02, (i) a certificate or certificates for the number of full shares of Common Stock (if any) deliverable upon the exchange of such Note or portion thereof as determined by the Issuer in accordance with the provisions of Sections 15.10 and 15.11 and (ii) a check or cash in respect of any fractional interest in respect of a share of Common Stock arising upon such exchange, calculated by the Issuer as provided in Section 15.03. The cash, and, if applicable, a certificate or certificates for the number of full shares of Common Stock into which the Notes are exchanged (and cash in lieu of fractional shares) will be delivered to an exchanging Holder after satisfaction of the requirements for exchange set forth above, in accordance with this Section 15.02 and Sections 15.10 and, if applicable, 15.11.

Each exchange shall be deemed to have been effected as to any such Note (or portion thereof) on the date on which the requirements set forth above in this Section 15.02 have been satisfied as to such Note (or portion thereof) (the "**Exchange Date**"), and the Person in whose

63

name any certificate or certificates for shares of Common Stock shall be issuable upon such exchange shall be deemed to have become the holder of record of the shares represented thereby for all purposes at the close of business on the last Trading Day of the Applicable Observation Period.

Any Note or portion thereof surrendered for exchange during the period from the close of business on the Record Date for any interest payment date to the close of business on the applicable interest payment date shall be accompanied by payment, in immediately available funds or other funds acceptable to the Issuer, of an amount equal to the interest otherwise payable on such interest payment date on the principal amount being exchanged; *provided* that no such payment need be made (1) if a Holder exchanges its Notes in connection with a redemption and the Issuer has specified a Redemption Date that is after a Record Date and on or prior to the Business Day immediately succeeding the corresponding interest payment date, (2) if a Holder exchanges its Notes in connection with a Designated Event and the Issuer has specified a Designated Event Repurchase Date that is after a Record Date and on or prior to the Business Day immediately succeeding the corresponding interest payment date, (3) with respect to any exchange on or following the Record Date immediately preceding the Maturity Date, or (4) to the extent of any Defaulted Interest, if any Defaulted Interest exists at the time of exchange with respect to such Note. Except as otherwise provided above in this Article 15, no payment or other adjustment shall be made for interest accrued on any Note exchanged or for dividends on any shares issued upon the exchange of such Note as provided in this Article 15. Notwithstanding the foregoing, in the case of Notes submitted for exchange in connection with a Designated Event, such Notes shall continue to represent the right to receive the Additional Designated Event Shares, if any, payable pursuant to Section 15.11, until such Additional Designated Event Shares are so paid.

Upon the exchange of an interest in a Global Note, the Trustee (or other Exchange Agent appointed by the Issuer), or the Custodian at the direction of the Trustee (or other Exchange Agent appointed by the Issuer), shall make a notation on such Global Note as to the reduction in the principal amount represented thereby. The Issuer shall notify the Trustee in writing of any exchanges of Notes effected through any Exchange Agent other than the Trustee.

Upon the exchange of a Note, the accrued but unpaid interest attributable to the period from the issue date of the Note to the Exchange Date, with respect to the exchanged Note, shall not be deemed canceled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through delivery of cash and, if applicable, shares of Common Stock (together with the cash payment, if any in lieu of fractional shares) in exchange for the Note being exchanged pursuant to the provisions hereof.

In case any Note of a denomination greater than \$1,000 shall be surrendered for partial exchange, and subject to Section 2.04, the Issuer shall execute and upon receipt of such new Note or Notes the Trustee shall authenticate and deliver to the Holder of the Note so surrendered, without charge to the Holder, a new Note or Notes in authorized denominations in an aggregate principal amount equal to the unexchanged portion of the surrendered Note.

Section 15.03. *Cash Payments in Lieu of Fractional Shares.* No fractional shares of Common Stock or scrip certificates representing fractional shares shall be issued upon exchange

of Notes. If more than one Note shall be surrendered for exchange at one time by the same Holder, the number of full shares that shall be issuable upon exchange shall be computed on the basis of the aggregate principal amount of the Notes (or specified portions thereof to the extent permitted hereby) so surrendered and the aggregate sum of all Daily Settlement Amounts for each of the 20 Trading Days during the Applicable Observation Period (and not in respect of each Daily Settlement Amount nor some portion of the Daily Settlement Amounts for one or some portion of the 20 Trading Days during the Applicable Observation Period). If any fractional share of Common Stock would be issuable upon the exchange of any Note or Notes, the Issuer shall make a payment therefor in cash to the Holder of Notes at a price equal to the Daily VWAP of the Common Stock on the last day of the Applicable Observation Period.

Section 15.04. *Exchange Rate.* The initial Exchange Rate for the Notes is 11.6532 shares of Common Stock per each \$1,000 principal amount of the Notes, subject to adjustment as provided in Sections 15.05 and 15.11 (herein called the “**Exchange Rate**”).

Section 15.05. *Adjustment of Exchange Rate.* The Exchange Rate shall be adjusted from time to time as follows:

(a) If the Company issues Common Stock as a dividend or distribution on the Common Stock to all holders of Common Stock, or if the Company effects a share split or share combination, the Exchange Rate will be adjusted based on the following formula:

$$ER_1 = ER_0 \times OS_1 / OS_0$$

where

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the ex-dividend date for such dividend or distribution, or the effective date of such share split or share combination;

ER_1 = the new Exchange Rate in effect immediately after the open of business on the ex-dividend date for such dividend or distribution, or the effective date of such share split or share combination;

OS_0 = the number of shares of Common Stock outstanding immediately prior to giving effect to such dividend or distribution, or the effective date of such share split or share combination; and

OS_1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend or distribution, or the effective date of such share split or share combination.

Any adjustment made pursuant to this paragraph (a) shall become effective as of the open of business on (x) the ex-dividend date for such dividend or other distribution or (y) the date on which such split or combination becomes effective, as applicable. If any dividend or distribution described in this paragraph (a) is declared but not so paid or made, the new Exchange Rate shall be readjusted to the Exchange Rate that would then be in effect if such dividend or distribution had not been declared.

(b) If the Company distributes to all holders of Common Stock any rights, warrants or options entitling them for a period of not more than forty-five (45) days after the date of issuance thereof to subscribe for or purchase Common Stock, in any case at an exercise price per share of Common Stock less than the Closing Sale Price of the Common Stock on the Business Day immediately preceding the time of announcement of such issuance, the Exchange Rate will be increased based on the following formula:

$$ER_1 = ER_0 \times (OS_0 + X) / (OS_0 + Y)$$

where

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the ex-dividend date for such distribution;

ER_1 = the new Exchange Rate in effect immediately on and after the open of business on the ex-dividend date for such distribution;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the open of business on ex-dividend date for such distribution;

X = the aggregate number of shares of Common Stock issuable pursuant to such rights, warrants or options; and

Y = the number of shares of Common Stock equal to the quotient of (A) the aggregate price payable to exercise all such rights, warrants or options and (B) the average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Days ending on the Business Day immediately preceding the date of announcement for the issuance of such rights, warrants or options.

For purposes of this paragraph (b), in determining whether any rights, warrants or options entitle the holders to subscribe for or purchase Common Stock at less than the applicable Closing Sale Price of the Common Stock, and in determining the aggregate exercise or exchange price payable for such Common Stock, there shall be taken into account any consideration received by the Company for such rights, warrants or options and any amount payable on exercise or exchange thereof, with the value of such consideration, if other than cash, to be determined by the Board of Directors. If any right, warrant or option described in this paragraph (b) is not exercised or exchanged prior to the expiration of the exercisability or exchangeability thereof, the new Exchange Rate shall be readjusted to the Exchange Rate that would then be in effect if such right, warrant or option had not been so issued.

(c) If the Company distributes shares of capital stock, evidences of indebtedness or other assets or property of the Company to all holders of Common Stock, excluding:

(A) dividends, distributions, rights, warrants or options referred to in paragraph (a) or (b) above;

(B) dividends or distributions paid exclusively in cash; and

66

(C) Spin-Offs described below in this paragraph (c),

then the Exchange Rate will be increased based on the following formula:

$$ER_1 = ER_0 \times SP_0 / (SP_0 - FMV)$$

where

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the ex-dividend date for such distribution;

ER_1 = the new Exchange Rate in effect immediately on and after the open of business on the ex-dividend date for such distribution;

SP_0 = the Closing Sale Price of the Common Stock on the Trading Day immediately preceding the ex-dividend date for such distribution; and

FMV = the fair market value (as determined in good faith by the Board of Directors) of the shares of capital stock, evidences of indebtedness, assets or property distributed with respect to each outstanding share of Common Stock on the earlier of the record date or the ex-dividend date for such distribution.

provided that if “ FMV ” with respect to any distribution of shares of capital stock, evidences of indebtedness or other assets or property of the Company is equal to or greater than “ SP_0 ” with respect to such distribution, then in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of Notes shall have the right to receive on the date such shares of capital stock, evidences of indebtedness or other assets or property of the Company are distributed to holders of Common Stock, for each Note, the amount of shares of capital stock, evidences of indebtedness or other assets or property of the Company such holder of Notes would have received had such holder of Notes owned a number of shares of Common Stock equal to a fraction the numerator of which is the product of the Exchange Rate in effect immediately prior to the ex-dividend date for such distribution, and the aggregate principal amount of Notes held by such Holder and the denominator of which is one thousand (\$1,000). An adjustment to the Exchange Rate made pursuant to the immediately preceding paragraph shall become effective on the ex-dividend date for such distribution.

If the Company distributes to all holders of Common Stock capital stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company (a “**Spin-Off**”), the Exchange Rate in effect immediately following the 10th Trading Day immediately following, *and* including the effective date of the Spin-Off will be increased based on the following formula:

$$ER_1 = ER_0 \times (FMV_0 + MP_0) / MP_0$$

where

67

ER_0 = the Exchange Rate in effect immediately prior to the close of business on the 10th Trading Day immediately following, *and* including, the effective date of the Spin-Off;

ER_1 = the new Exchange Rate immediately after the close of business on the 10th Trading Day immediately following, *and* including, the effective date of the Spin-Off;

FMV_0 = the average of the Closing Sale Prices of the capital stock or similar equity interest distributed to holders of Common Stock applicable to one share of Common Stock over the first 10 consecutive Trading Days after the effective date of the Spin-Off; and

MP_0 = the average of the Closing Sale Prices of the Common Stock over the first 10 consecutive Trading Days after the effective date of the Spin-Off.

An adjustment to the Exchange Rate made pursuant to the immediately preceding paragraph will occur at the close of business on the 10th Trading Day from and including the effective date of the Spin-Off; *provided* that in respect of any exchange within the 10 Trading Days following the effective date of any Spin-Off, references within this paragraph (c) to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed between the effective date of such Spin-Off and the Exchange Date in determining the Applicable Exchange Rate. If any such dividend or distribution described in this paragraph (c) is declared but not paid or made, the new Exchange Rate shall be readjusted to be the Exchange Rate that would then be in effect if such dividend or distribution had not been declared.

(d) If the Company distributes cash to all or substantially all holders of outstanding Common Stock (excluding any dividend or distribution in connection with the liquidation, dissolution or winding up or any regular quarterly cash dividend on the Common Stock to the extent that the aggregate amount of such regular quarterly cash dividend per share of Common Stock does not exceed \$0.10 for the relevant quarterly period (\$0.10 being the “**Reference Dividend Amount**”), the Exchange Rate will be increased based on the following formula:

$$ER_1 = ER_0 \times (SP_0 - RDA) / (SP_0 - C)$$

where

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the ex-dividend date for such distribution;

ER_1 = the new Exchange Rate immediately on and after the open of business on the ex-dividend date for such distribution;

SP_0 = the average of the Closing Sale Prices of the Common Stock for the ten (10) consecutive Trading Days prior to the Business Day immediately preceding the earlier of the record date or the day prior to the ex-dividend date for such distribution;

68

RDA = the Reference Dividend Amount; and

C = the amount in cash per share that the Company distributes to holders of Common Stock.

provided that if “C” with respect to any such cash dividend or distribution is equal to or greater than “ SP_0 ” with respect to any such cash dividend or distribution, then in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of Notes shall have the right to receive on the date such cash is distributed to holders of Common Stock, for each Note, the amount of cash such holder of Notes would have received had such holder of Notes owned a number of shares of Common Stock equal to a fraction the numerator of which is the product of the Exchange Rate in effect immediately prior to the ex-dividend date for such dividend or distribution, *and* the aggregate principal amount of Notes held by such Holder and the denominator of which is one thousand (\$1,000).

An adjustment to the Exchange Rate made pursuant to this paragraph (d) shall become effective as of the open of business on the ex-dividend date for such dividend or distribution. If any dividend or distribution described in this paragraph (d) is declared but not so paid or made, the new Exchange Rate shall be readjusted to the Exchange Rate that would then be in effect if such dividend or distribution had not been declared.

The Reference Dividend amount is subject to adjustment in a manner inversely proportional to adjustments to the Exchange Rate; *provided* that no adjustment will be made to the Reference Dividend Amount for any adjustment made to the Exchange Rate under this paragraph (d).

Notwithstanding the foregoing, if an adjustment is required to be made under this paragraph as a result of a distribution that is not a quarterly dividend, the Reference Dividend Amount will be deemed to be zero.

(e) If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for Common Stock to the extent that the cash and value of any other consideration included in the payment per share of Common Stock exceeds the Closing Sale Price of the Common Stock on the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender offer or exchange offer (such date, the “**Expiration Date**”), the Exchange Rate will be increased based on the following formula:

$$ER_1 = ER_0 \times (AC + (SPI \times OS_1)) / (SP_1 \times OS_0)$$

where

ER_0 = the Exchange Rate in effect prior to the open of business on the second Trading Day immediately following the Expiration Date;

ER_1 = the new Exchange Rate in effect on and after the open of business on the second Trading Day immediately following the Expiration Date;

69

AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors) paid or payable for the Common Stock purchased in such tender or exchange offer;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the open of business on the Expiration Date;

OS_1 = the number of shares of Common Stock outstanding immediately after the open of business on the Expiration Date (after giving effect to the purchase or exchange of shares pursuant to such tender offer or exchange offer); and

SP₁ = the Closing Sale Price of the Common Stock for the Trading Day next succeeding the Expiration Date.

If the application of the foregoing formula would result in a decrease in the Exchange Rate, no adjustment to the Exchange Rate will be made. Any adjustment to the Exchange Rate made pursuant to this paragraph (e) shall become effective as of the open of business on the second day immediately following the Expiration Date. If the Company or one of its Subsidiaries is obligated to purchase Common Stock pursuant to any such tender offer or exchange offer but is permanently prevented by applicable law from effecting any such purchase or all such purchases are rescinded, the new Exchange Rate shall be readjusted to be the Exchange Rate that would be in effect if such tender offer or exchange offer had not been made.

(f) If the Company has in effect a rights plan while any Notes remain outstanding, Holders of Notes will receive, upon exchange of Notes, in addition to Common Stock, if any, rights under the Company's stockholder rights agreement unless, prior to exchange, the rights have expired, terminated or been redeemed or unless the rights have separated from the Common Stock. If the rights provided for in the rights plan adopted by the Company have separated from the Common Stock in accordance with the provisions of the applicable stockholder rights agreement so that Holders of Notes would not be entitled to receive any rights in respect of any shares of Common Stock delivered upon an exchange of Notes, the Exchange Rate will be adjusted at the time of separation as if the Company had distributed, to all holders of Common Stock, capital stock, evidences of indebtedness or other assets or property pursuant to paragraph (c) above, subject to readjustment upon the subsequent expiration, termination or redemption of the rights.

Notwithstanding the foregoing, in the event of an adjustment to the Exchange Rate pursuant to paragraphs (d) and (e) above, in no event will the Exchange Rate exceed 15.1492 shares of Common Stock per \$1,000 principal amount of Notes, subject to adjustment pursuant to paragraphs (a), (b) and (c) above.

In addition to the adjustments pursuant to paragraphs (a) through (e) above, the Issuer may increase the Exchange Rate in order to avoid or diminish any income tax to holders of Common Stock resulting from any dividend or distribution of capital stock (or rights to acquire Common Stock) or from any event treated as such for income tax purposes. The Issuer may also, from time to time, to the extent permitted by applicable law, increase the Exchange Rate by any amount for any period if the Issuer has determined that such increase would be in the best

70

interests of the Issuer or the Company. If the Issuer makes such determination, it will be conclusive and the Issuer will mail to Holders of the Notes and the Trustee a notice of the increased Exchange Rate and the period during which it will be in effect at least fifteen (15) days prior to the date the increased Exchange Rate takes effect in accordance with applicable law.

The Issuer shall not make any adjustment to the Exchange Rate if Holders of the Notes participate in the dividend, distribution or transaction that would otherwise result in an adjustment to the Exchange Rate at the same time as holders of the Common Stock and as if such Holders of Notes owned a number of shares of Common Stock equal to a fraction the numerator of which is the product of the Exchange Rate in effect on the ex-dividend date or effective date for the relevant dividend, distribution or transaction, *and* the aggregate principal amount of Notes held by such Holder and the denominator of which is one thousand (\$1,000).

The exchange rate will not be adjusted except as specifically set forth in this Section 15.05 and in Section 15.11. Notwithstanding anything to the contrary contained herein, and in addition to the other events set forth herein on account of which no adjustment to the Exchange Rate shall be made, the Applicable Exchange Rate shall not be adjusted for:

- (i) the issuance of any Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Issuer or those of the Company and the investment of additional optional amounts in shares of Common Stock under any plan;
- (ii) the issuance of any Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director, trustee or consultant benefit plan, employee agreement or arrangement or program of the Issuer or the Company;
- (iii) the issuance of any Common Stock pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security outstanding as of the date the Notes were first issued;
- (iv) a change in the par value of the Common Stock;
- (v) accumulated and unpaid dividends or distributions; and
- (vi) the issuance of Units by the Issuer and the issuance of the Common Stock or the payment of cash upon redemption thereof.

No adjustment in the Exchange Rate will be required unless the adjustment would require an increase or decrease of at least 1% of the Exchange Rate. If the adjustment is not made because the adjustment does not change the Exchange Rate by at least 1%, then the adjustment that is not made will be carried forward and taken into account in any future adjustment. All required calculations will be made to the nearest cent or 1/1,000th of a share, as the case may be. Notwithstanding the foregoing, on each annual anniversary of the first original issuance date of the Notes, upon redemption of the Notes, *and* on April 15, 2017, all adjustments not previously made will be made on such date.

71

Whenever the Exchange Rate is adjusted as herein provided, the Company or the Issuer shall as promptly as reasonably practicable file with the Trustee and any Exchange Agent other than the Trustee an Officers' Certificate setting forth the Exchange Rate after such adjustment and setting forth a brief statement of the facts requiring such adjustment. Promptly after delivery of such certificate, the Company or the Issuer shall prepare a notice of such adjustment of the Exchange Rate setting forth the adjusted Exchange Rate and the date on which each adjustment becomes effective and shall mail such

notice of such adjustment of the Exchange Rate to the Holders of the Notes within 20 Business Days of the Effective Date of such adjustment. Failure to deliver such notice shall not affect the legality or validity of any such adjustment.

For purposes of this Section 15.05, the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company but shall include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock.

In addition the adjustments to the Applicable Exchange Rate as set forth in this Article 15, the Exchange Rate in respect of any Notes tendered for exchange shall be increased, effective on the related Exchange Date, by 3% if such Notes are tendered for exchange during an Additional Interest Accrual Period as defined in the Registration Rights Agreement.

If any of the following events occur, namely (i) any reclassification or change of the outstanding Common Stock (other than a subdivision or combination to which Section 15.05(a) applies, or a change in par value, or from par value to no par value, or from no par value to par value), (ii) any consolidation, merger or combination of the Company with another Person, or a binding share exchange in respect of all of the outstanding Common Stock as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such the Common Stock or (iii) any sale or conveyance of all or substantially all of the properties and assets of the Company to any other Person as a result of which holders of Common Stock shall be entitled to receive stock, other securities or other property or assets (including cash) with respect to or in exchange for such the Common Stock, then the Issuer and the Company or the successor or purchasing Person, as the case may be, shall execute with the Trustee (which shall be instructed by an Issuer Order together with the Officers' Certificate and Opinion of Counsel pursuant to Section 10.05) a supplemental indenture. Such supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Section 15.05. The Issuer shall cause notice of the execution of such supplemental indenture to be mailed to each Holder of Notes within 20 Business Days after execution thereof. Failure to deliver such notice shall not affect the legality or validity of such supplemental indenture. The provisions of this paragraph shall similarly apply to successive reclassifications, changes, consolidations, mergers, combinations, sales and conveyances. If the provisions of this paragraph apply to any event or occurrence, then the provisions of Section 15.05(a) through (e) shall not apply.

Section 15.06. *Taxes on Shares Issued.* The issue of stock certificates, if any, on exchange of Notes shall be made without charge to the exchanging Noteholder for any documentary, stamp or similar issue or transfer tax in respect of the issue thereof. The Issuer shall not, however, be required to pay any such tax which may be payable in respect of any transfer involved in the issue and delivery of stock in any name other than that of the holder of

any Note exchanged, and the Issuer shall not be required to issue or deliver any such stock certificate unless and until the Person or Persons requesting the issue thereof shall have paid to the Issuer the amount of such tax or shall have established to the satisfaction of the Issuer that such tax has been paid.

Section 15.07. *Reservation of Shares, Shares to Be Fully Paid; Compliance with Governmental Requirements; Listing of Common Stock.* The Company shall provide, free from preemptive rights, out of its authorized but unissued shares or shares held in treasury, sufficient shares of Common Stock to provide for the exchange of the Notes as required by this Indenture from time to time as such Notes are presented for exchange.

The Company covenants that all shares of Common Stock which may be issued upon exchange of Notes will upon issue be fully paid and non-assessable by the Company and free from all taxes, liens and charges with respect to the issue thereof.

The Company covenants that, if any shares of Common Stock to be provided for the purpose of exchange of Notes hereunder require registration with or approval of any governmental authority under any federal or state law before such shares may be validly issued upon exchange, the Company shall, as expeditiously as possible, secure such registration or approval, as the case may be.

The Company further covenants that, if at any time the Common Stock shall be listed on The New York Stock Exchange or any other national or regional securities exchange or automated quotation system, the Company shall, if permitted by the rules of such exchange or automated quotation system, to list and keep listed, so long as the Common Stock shall be so listed on such exchange or automated quotation system, all the Common Stock issuable upon exchange of the Notes; *provided* that if the rules of such exchange or automated quotation system permit the Company to defer the listing of such Common Stock until the first exchange of the Notes in accordance with the provisions of this Indenture, the Company covenants to list such Common Stock issuable upon exchange of the Notes in accordance with the requirements of such exchange or automated quotation system at such time.

Section 15.08. *Responsibility of Trustee.* The Trustee and any other Exchange Agent shall not at any time be under any duty or responsibility to determine the Applicable Exchange Rate or whether any facts exist which may require any adjustment of the Exchange Rate, or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed, or herein or in any supplemental indenture provided to be employed, in making the same. The Trustee and any other Exchange Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any shares of Common Stock, or of any capital stock, other securities or other assets or property, which may at any time be issued or delivered upon the exchange of any Note; and the Trustee and any other Exchange Agent make no representations with respect thereto. Neither the Trustee nor any Exchange Agent shall be responsible for any failure of the Issuer or the Company to issue, transfer or deliver any shares of Common Stock or stock certificates or other securities or property or cash upon the surrender of any Note for the purpose of exchange or to comply with any of the duties, responsibilities or covenants of the Issuer or the Company contained in this Article 15. Without limiting the generality of the foregoing, neither the Trustee nor any Exchange Agent shall be under any

responsibility to determine the correctness of any provisions contained in any supplemental indenture entered into pursuant to Section 15.05 relating either to the kind or amount of shares of capital stock or other securities or other assets or property (including cash) receivable by Noteholders upon the exchange of their Notes after any event referred to in such Section 15.05 or to any adjustment to be made with respect thereto, but, subject to the provisions of Section 8.12, may accept as conclusive evidence of the correctness of any such provisions, and shall be protected in relying upon, the Officers' Certificate and Opinion of Counsel (which the Issuer shall be obligated to file with the Trustee prior to the execution of any such supplemental indenture) with respect thereto. The Trustee shall not at any time be under any duty or responsibility to determine the accuracy of the method employed in calculating the Trading Price or whether any facts exist which may require any adjustment of the Trading Price.

- (a) the Company shall declare a dividend (or any other distribution) on the Common Stock that would require an adjustment in the Exchange Rate pursuant to Section 15.05; or
- (b) the Company shall authorize the granting to the holders of all or substantially all of the Common Stock of rights or warrants to subscribe for or purchase any share of any class or any other rights or warrants; or
- (c) of any reclassification or reorganization of the Common Stock (other than a subdivision or combination of its outstanding Common Stock, or a change in par value, or from par value to no par value, or from no par value to par value), or of any consolidation, combination, merger or share exchange to which the Issuer or the Company is a party and for which approval of any stockholders of the Company is required, or of the sale or transfer of all or substantially all of the assets of the Company; or
- (d) of the voluntary or involuntary dissolution, liquidation or winding up of the Company;

the Issuer shall cause to be filed with the Trustee and to be mailed to each holder of Notes at its address appearing on the Note Register provided for in Section 2.05 of this Indenture, as promptly as possible but in any event at least ten (10) calendar days prior to the applicable date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution or rights or warrants, or, if a record is not to be taken, the date as of which the holders of Common Stock of record to be entitled to such dividend, distribution or rights are to be determined, or (y)(i) the date on which such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up is expected to become effective or occur, and the date as of which it is expected that holders of Common Stock of record shall be entitled to exchange their Common Stock for securities or other property deliverable upon such reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up and (ii) whether the Company has determined that it is not a "domestically controlled investment entity" as defined in Section 897 of the Internal Revenue Code and, therefore, will withhold under Section 1445 of the Internal Revenue Code unless the non-U.S. Noteholder would not be treated as having owned (under all applicable rules for direct, indirect, and constructive

ownership) more than five percent of the fair market value of the Common Stock during the applicable testing period. Failure to give such notice, or any defect therein, shall not affect the legality or validity of such dividend, distribution, reclassification, consolidation, merger, sale, transfer, dissolution, liquidation or winding up.

Section 15.10. *Settlement upon Exchange.* (a) Upon exchange of any Notes, subject to Sections 15.01, 15.02 and this Section 15.10, the Issuer shall satisfy its obligation upon exchange (the "**Exchange Obligation**") by payment and delivery of cash and, at the election of the Issuer, shares of Common Stock, or a combination of cash and shares of Common Stock, as described below, for each \$1,000 aggregate principal amount of Notes tendered for exchange in accordance with their terms.

- (b) Upon exchange of Notes, the Issuer will deliver, in respect of each \$1,000 principal amount of Notes tendered for exchange in accordance with their terms:
 - (i) cash and Common Stock, subject to clause (d) below with respect to all or any portion of Common Stock the Issuer elects to settle in cash, or a combination thereof, equal to the sum of the Daily Settlement Amounts for each of the 20 Trading Days during the Applicable Observation Period; and
 - (ii) an amount in cash in lieu of any fractional shares of Common Stock as provided in Section 15.03.
- (c) The Daily Settlement Amounts for each of the twenty (20) Trading Days during the Applicable Observation Period and any amount in cash to be delivered in lieu of any fractional shares of Common Stock will be determined by the Issuer promptly after the end of the Applicable Observation Period and notified in writing to the Trustee.

- (d) By the close of business on the Business Day prior to the first Scheduled Trading Day of the Applicable Observation Period, the Issuer may specify a percentage of each Daily Share Amount that will be settled in cash (the "**Cash Percentage**") and will notify the Holder of such Cash Percentage through written notice to the Trustee (the "**Cash Percentage Notice**"). With respect to any Notes called for redemption that are exchanged on or after the Issuer mails the notice of redemption, the Cash Percentage that the Issuer specifies for the Applicable Observational Period will apply to all such exchanges. If the Issuer elects to specify a Cash Percentage, (x) the amount of cash that the Issuer will deliver in lieu of all or an applicable portion of the Daily Share Amount in respect of each Trading Day in the Applicable Observation Period will equal the product of: (i) the Cash Percentage, expressed as a fraction, (ii) the Daily Share Amount for such Trading Day (assuming for this purpose the Issuer has not specified a Cash Percentage), and (iii) the Daily VWAP for such Trading Day and (y) the number of shares of Common Stock deliverable in respect of each Trading Day in the Applicable Observation Period (in lieu of the full Daily Share Amount for such Trading Day) will be a percentage of the Daily Share Amount (assuming the Issuer has not specified a Cash Percentage) equal to the product of (i) the difference between 100% and the Cash Percentage, expressed as a fraction, and (ii) the Daily Share Amount for such Trading Day.

- (e) If the Company does not specify a Cash Percentage by the close of business on the Trading Day prior to the first scheduled Trading Day of the Applicable Observation Period, the Issuer shall settle 100% of the Daily Share Amount for each Trading Day in the Applicable Observation Period with shares of Common Stock; *provided, however*, that the Issuer shall pay cash in lieu of fractional shares otherwise issuable upon exchange of such Note. The Issuer may, at its option, revoke any Cash Percentage Notice through written notice to the Trustee by the close of business on the Business Day prior to the first Scheduled Trading Day of the Applicable Observation Period.

- (f) Payment of the cash and, if applicable, delivery of shares of Common Stock pursuant to Section 15.10(b) shall be made by the Issuer on the third Business Day immediately following the last Trading Day of the Applicable Observation Period to the holder of a Note surrendered for

exchange, or such holder's nominee or nominees, and the Issuer shall deliver to the Exchange Agent or to such holder, or such holder's nominee or nominees, certificates or a book-entry transfer through the Depository for the number of full shares of Common Stock, if any, to which such holder shall be entitled as part of such Exchange Obligation.

(g) Upon exchange of Notes, the Holder must deliver to the Issuer cash equal to the amount the Issuer is required to deduct or withhold under applicable law in connection with such exchange; *provided, however*, that if the Holder does not deliver such cash, the Issuer may (or may instruct the Exchange Agent to) deduct and withhold from the consideration otherwise deliverable to such Holder the amount required to be deducted and withheld under applicable law.

Section 15.11. *Exchange Rate Adjustment After Certain Designated Events.* (a) Subject to the provisions hereof, if a Noteholder elects to exchange its Notes in connection with the occurrence of a transaction described in clause (1) or clause (2) of the definition of Designated Event and for the avoidance of doubt, subject to the proviso immediately following clause (5) thereof, the Issuer will increase the Applicable Exchange Rate for the Notes so surrendered for exchange by a number of additional shares of Common Stock (the "**Additional Designated Event Shares**") as specified below; *provided* that the Additional Designated Event Shares will only be payable as set forth below. An exchange of Notes will be deemed for these purposes to be "in connection with" such a Designated Event if the Exchange Notice is received by the Exchange Agent from and after the Effective Date of the Designated Event until the corresponding Designated Event Repurchase Date.

(b) The number of Additional Designated Event Shares will be determined by reference to the table in paragraph (e) below and is based on the date on which the Designated Event transaction becomes effective (the "**Effective Date**") and the price paid per share of Common Stock in the relevant Designated Event (in the case of a Designated Event described in the clause (1) of the definition thereof in which holders of the Common Stock receive only cash), or in the case of any other Designated Event described in clause (1) or clause (2) of the definition thereof, the average of the Closing Sale Prices of the Common Stock over the ten Trading Day period ending on the Trading Day preceding the Effective Date of such other Designated Event (the "**Stock Price**").

76

(c) The Stock Prices set forth in the first row of the table (*i.e.*, the column headers) below shall be adjusted as of any date on which the Exchange Rate of the Notes is adjusted. The adjusted Stock Prices will equal the Stock Prices applicable immediately prior to such adjustment, *multiplied* by a fraction, (i) the numerator of which is the Exchange Rate immediately prior to the adjustment giving rise to the Stock Price adjustment and (ii) the denominator of which is the Exchange Rate as so adjusted.

(d) The number of Additional Designated Event Shares will be adjusted in the same manner and for the same events as the Exchange Rate is adjusted pursuant to Section 15.05.

(e) The following table sets forth the Stock Price and number of Additional Designated Event Shares to be added to the Applicable Exchange Rate per \$1,000 principal amount of Notes:

(f) If the exact Stock Price and Effective Date are not set forth on the table above, then:

(i) if the Stock Price is between two Stock Prices in the table or the Effective Date is between two Effective Dates in the table, the Additional Designated Event Shares will be determined by a straight-line interpolation between the number of Additional Designated Event Shares set forth for the higher and lower Stock Prices and the earlier and later Effective Dates, as applicable, based on a 365-day year;

(ii) if the Stock Price is in excess of \$200.00 per share of Common Stock (the "**Make Whole Cap**") (subject to adjustment as described below) no additional Designated Event Shares will be added to the Applicable Exchange Rate; and

(iii) if the Stock Price is less than \$66.01 per share of Common Stock (the "**Make Whole Floor**") (subject to adjustment as described below) no additional Designated Event Shares will be added to the Applicable Exchange Rate.

The Make Whole Cap and Make Whole Floor shall be adjusted as of any date on which the Exchange Rate of the Notes is adjusted pursuant to Section 15.05. The adjusted Make Whole Cap or Make Whole Floor, as the case may be, shall equal the Make Whole Cap or Make Whole Floor, as the case may be, applicable immediately prior to such adjustment, *multiplied* by a

77

fraction, (i) the numerator of which is the Exchange Rate immediately prior to the adjustment giving rise to the adjustment and (ii) the denominator of which is the Exchange Rate as so adjusted.

(g) Notwithstanding anything in this Section 15.11 to the contrary, in no event will the total number of shares of Common Stock issuable upon exchange of the Notes exceed 15.1492 per \$1,000 principal amount of Notes, subject to adjustment in the same manner as the Exchange Rate pursuant to Section 15.05.

Section 15.12. *Recapitalization, Reclassifications and Changes of Common Stock.* If the Company is a party to a consolidation, merger, binding share exchange, reclassification or sale or conveyance of all or substantially all of its properties and assets, in each case pursuant to which all of the

Common Stock is exchanged for cash, securities or other property, then at the effective time of the transaction, the Daily VWAP, each Daily Settlement Amount and each Daily Exchange Value will be calculated based on the kind and amount of cash, securities or other property that a holder of such a number of shares of Common Stock equal to the Applicable Exchange Rate would have received in such transaction. For purposes of the foregoing, where a consolidation, merger or binding share exchange involves a transaction that causes shares of Common Stock to be exchanged into the right to receive more than a single type of consideration based upon any form of stockholder election, such consideration will be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Stock that affirmatively make such an election.

Section 15.13. *Calculations in Respect of Notes.* Except as otherwise specifically stated herein or in the Notes, all calculations to be made in respect of the Notes, including, but not limited to, the Exchange Price and the Exchange Rate, shall be the obligation of the Issuer. All calculations made by the Issuer or its agent as contemplated pursuant to the terms hereof and of the Notes shall be made in good faith and be final and binding on the Notes and the Holders of the Notes absent manifest error. The Issuer shall provide a schedule of calculations to the Trustee, and the Trustee shall be entitled to rely upon the accuracy of the calculations by the Issuer without independent verification. The Trustee shall forward calculations made by the Issuer to any Holder of Notes upon request.

ARTICLE 16 MEETINGS OF HOLDERS OF NOTES

Section 16.01. *Purposes for Which Meetings May Be Called.* A meeting of Holders of Notes may be called at any time and from time to time pursuant to this Article 16 to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be made, given or taken by Holders of Notes.

Section 16.02. *Call, Notice and Place of Meetings.* (a) The Trustee may at any time call a meeting of Holders of Notes for any purpose specified in Section 16.01, to be held at such time and at such place as the Trustee shall determine. Notice of every meeting of Holders of Notes, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 17.04, not less than 20 nor more than 180 days prior to the date fixed for the meeting.

78

(b) In case at any time the Issuer, pursuant to a Board Resolution, the Company, or the Holders of at least 25% in principal amount of the outstanding Notes shall have requested the Trustee to call a meeting of the Holders of Notes for any purpose specified in Section 16.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have made the first publication of the notice of such meeting within 20 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Issuer, the Company or the Holders of Notes in the amount above specified, as the case may be, may determine the time and the place for such meeting and may call such meeting for such purposes by giving notice thereof as provided in subsection (a) of this Section 16.02.

Section 16.03. *Persons Entitled to Vote at Meetings.* To be entitled to vote at any meeting of Holders of Notes, a Person shall be (a) a Holder of one or more outstanding Notes, or (b) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more outstanding Notes by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Notes shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Issuer and the Company and their respective counsel.

Section 16.04. *Quorum; Action.* The Persons entitled to vote a majority in principal amount of the outstanding Notes shall constitute a quorum for a meeting of Holders of Notes; *provided, however,* that if any action is to be taken at such meeting with respect to a consent or waiver which this Indenture expressly provides may be given by the Holders of not less than a specified percentage in principal amount of the outstanding Notes, the Persons entitled to vote such specified percentage in principal amount of the outstanding Notes shall constitute a quorum. In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Notes, be dissolved. In any other case the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at the reconvening of any such adjourned meeting, such adjourned meeting may be further adjourned for a period of not less than 10 days; at the reconvening of any meeting adjourned or further adjourned for lack of a quorum, the persons entitled to vote 25% in aggregate principal amount of the then outstanding Notes shall constitute a quorum for the taking of any action set forth in the notice of the original meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 16.02(a), *except* that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened.

Except as limited by the proviso to Section 10.02, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present as aforesaid may be adopted by the affirmative vote of the persons entitled to vote a majority in aggregate principal amount of the outstanding Notes; *provided, however,* that, *except* as limited by the proviso to Section 10.02, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the outstanding Notes may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present as aforesaid by the affirmative vote of the Holders of such specified percentage in principal amount of the outstanding Notes.

79

Any resolution passed or decision taken at any meeting of Holders of Notes duly held in accordance with this Section 16.04 shall be binding on all the Holders of Notes, whether or not present or represented at the meeting.

Notwithstanding the foregoing provisions of this Section 16.04, if any action is to be taken at a meeting of Holders of Notes with respect to any request, demand, authorization, direction, notice, consent, waiver or other action that this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage in principal amount of all outstanding Notes affected thereby:

- (i) there shall be no minimum quorum requirement for such meeting; and

(ii) the principal amount of the outstanding Notes that vote in favor of such request, demand, authorization, direction, notice, consent, waiver or other action shall be taken into account in determining whether such request, demand, authorization, direction, notice, consent, waiver or other action has been made, given or taken under this Indenture.

Section 16.05. *Determination of Voting Rights; Conduct and Adjournment of Meetings.* (a) Notwithstanding any provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Holders of Notes in regard to proof of the holding of Notes and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Notes shall be proved in the manner specified in Section 9.01 and the appointment of any proxy shall be proved in the manner specified in Section 9.01 or by having the signature of the Person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 9.01 to certify to the holding of the Notes. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 9.01 or other proof.

(b) The Trustee shall, by an instrument in writing appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Issuer, the Company or by Holders of Notes as provided in Section 16.02(b), in which case the Issuer, the Company or the Holders of Notes calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the outstanding Notes represented at the meeting.

(c) At any meeting each Holder of such Notes or proxy shall be entitled to one vote for each \$1,000 principal amount of the outstanding Notes held or represented by him; *provided, however*, that no vote shall be cast or counted at any meeting in respect of any Note challenged as not outstanding and ruled by the chairman of the meeting to be not outstanding. The chairman of the meeting shall have no right to vote, *except* as a Holder of Notes or proxy.

80

(d) Any meeting of Holders of Notes duly called pursuant to Section 16.02 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the outstanding Notes represented at the meeting, and the meeting may be held as so adjourned without further notice.

Section 16.06. *Counting Votes and Recording Action of Meetings.* The vote upon any resolution submitted to any meeting of Holders of Notes shall be by written ballots on which shall be subscribed the signatures of the Holders of Notes or of their representatives by proxy and the principal amounts and serial numbers of the outstanding Notes held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Notes shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the fact, setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 16.02 and, if applicable, Section 16.04. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Issuer and the Company and another to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

This Note is one of a duly authorized issue of Notes of the Issuer, designated as its 3.00% Exchangeable Senior Notes due 2017 (herein called the "Notes"), issued under and pursuant to an Indenture dated as of October 12, 2010 (herein called the "Indenture"), among the Issuer, the Guarantor, the Company and The Bank of New York Mellon, as trustee (herein called the "Trustee"), to which Indenture and all indentures supplemental thereto reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Issuer, the Guarantor and the Holders of the Notes. in an existing Automatic Shelf Registration Statement, if available (in either case, the “Initial Shelf Registration Statement”) for an offering to be made on a delayed or continuous basis pursuant to Rule 415 registering the resale from time to time by Holders thereof of all of the Registrable Securities (or, if registration of Registrable Securities not held by Notice Holders is not permitted by the rules and regulations of the SEC, then registering the resale from time to time by Notice Holders of their Registrable Securities). The Initial Shelf Registration Statement shall provide for the registration of such Registrable Securities for resale by such Holders in accordance with any reasonable method of distribution elected by the Holders, provided that in no event may such resales take the form of an underwritten offering of Registrable Securities without the prior agreement of the Company. In no event shall the Initial Shelf Registration Statement be filed with the SEC prior to completion of the offering of the Notes contemplated by the Purchase Agreement. If the Initial Shelf Registration Statement is not an Automatic Shelf Registration Statement or a prospectus supplement to a prospectus contained in an existing Automatic Shelf Registration Statement, the Company shall use its commercially reasonable efforts to cause the Initial Shelf Registration Statement to become effective under the Securities Act as promptly as practicable but in any event by the date (the “Effectiveness Deadline Date”) that is one hundred eighty (180) days after the Issue Date. The Company shall use its commercially reasonable efforts to keep the Initial Shelf Registration Statement (and any Subsequent Shelf Registration Statement) continuously effective under the Securities Act from the date the Shelf Registration Statement is declared effective until the earlier of (i) the thirty-fifth (35th) Trading Day immediately following the maturity date of the Notes and (ii) the date upon which there are no Notes or Registrable Securities outstanding. (b) If, for any reason, at any time during the Effectiveness Period any Shelf Registration Statement ceases to be effective under the Securities Act, or ceases to be usable for the purposes contemplated hereunder, the Company shall use its commercially reasonable efforts to promptly cause such Shelf Registration Statement to become effective or usable under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration Statement), and in any event shall, within fifteen (15) Business Days of such cessation of effectiveness or usability, (i) amend such Shelf Registration Statement in a manner reasonably expected to obtain the withdrawal of any order suspending the

6

If a Subsequent Shelf Registration Statement is filed and such Subsequent Shelf Registration Statement is not an Automatic Shelf Registration Statement or a prospectus supplement to a prospectus contained in an existing Automatic Shelf Registration Statement, the Company shall use its commercially reasonable efforts to cause such Subsequent Shelf Registration Statement to become effective under the Securities Act as promptly as practicable after such filing, but in no event later than the Subsequent Shelf Registration Statement Effectiveness Deadline Date. The Company shall use its commercially reasonable efforts to keep such Subsequent Shelf Registration Statement (or another Subsequent Shelf Registration Statement) continuously effective under the Securities Act from the date the Subsequent Shelf Registration Statement is declared effective until the earlier of (i) the thirty-fifth (35th) Trading Day immediately following the maturity date of the Notes and (ii) the date upon which there are no Notes or Registrable Securities outstanding. (c) The Company shall supplement and amend any Shelf Registration Statement if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement, if required by the Securities Act or, if necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, as reasonably requested by the Initial Purchaser or the Trustee on behalf of the Holders of the Registrable Securities covered by such Shelf Registration Statement.

(d)

(i) Each Holder of Registrable Securities agrees that, if such Holder wishes to sell Registrable Securities pursuant to a Shelf Registration Statement and related Prospectus, it will do so only in accordance with this Section 2(d) and Section 3(k). Each Holder of Registrable Securities wishing to sell Registrable Securities pursuant to a Shelf Registration Statement and related Prospectus agrees to deliver a completed and executed Notice and Questionnaire to the Company, together with any other information the Company may reasonably request, prior to any attempted or actual distribution of Registrable Securities under a Shelf Registration Statement. If a Holder becomes a Notice Holder after the 15th day before the date the Initial Shelf Registration Statement becomes effective under the Securities Act or is filed in the case of a prospectus supplement to a prospectus contained in an existing Automatic Shelf Registration Statement, the Company shall use its commercially reasonable best efforts to, after the date such Holder became a Notice Holder, and in any event, subject to clause (B) below, within the later of (x) twenty (20) Business Days after such date

7

or (y) twenty (20) Business Days after the expiration of any Suspension Period that either (I) is in effect when such Holder became a Notice Holder or (II) is put into effect within twenty (20) Business Days after the date such Holder became a Notice Holder:

(A) file with the SEC a supplement to the related Prospectus (or, if required by applicable law, a post-effective amendment to the Shelf Registration Statement or a Subsequent Shelf Registration Statement), and all other document(s), in each case as is required so that such Notice Holder is named as a selling securityholder in a Shelf Registration Statement and the related Prospectus in such a manner as to permit such Notice Holder to deliver a Prospectus to purchasers of the Registrable Securities in accordance with the Securities Act; provided, however, that, if a post-effective amendment or a Subsequent Shelf Registration Statement is required by the rules and regulations of the SEC in order to permit resales by such Notice Holder, the Company shall not be required to file more than one (1) post-effective amendment or Subsequent Shelf Registration Statement for such purpose in any ninety (90) day period;

(B) if, pursuant to Section 2(d)(i)(A), the Company shall have filed a post-effective amendment to the Shelf Registration Statement or filed a Subsequent Shelf Registration Statement, the Company shall use its commercially reasonable efforts to cause such post-effective amendment or Subsequent Shelf Registration Statement, as the case may be, to become effective under the Securities Act as promptly as practicable, but in any event by the date (the “Amendment Effectiveness Deadline Date,” in the case of a post-effective amendment, and the “Subsequent Shelf Registration Statement Effectiveness Deadline Date,” in the case of a Subsequent Shelf Registration Statement) that is ninety (90) days after the date such post-effective amendment or Subsequent Shelf Registration Statement, as the case may be, is required by this Section 2(d) to be filed with the SEC;

(C) the Company shall provide such Notice Holder a reasonable number of copies of any documents filed pursuant to clause (A) above (excluding any exhibits filed with the SEC), if requested by such Notice Holder;

(D) the Company shall notify such Notice Holder as promptly as practicable after the effectiveness under the Securities Act of any post-effective amendment or Subsequent Shelf Registration Statement filed pursuant to clause (A) above;

(E) if such Holder became a Notice Holder during a Suspension Period, or a Suspension Period is put into effect within twenty (20) Business Days after the date such Holder became a Notice Holder, the Company shall so inform such Notice Holder and shall take the actions

8

set forth in clauses (A), (B), (C) and (D) above within twenty (20) Business Days after expiration of such Suspension Period in accordance with Section 3(k);

(F) if (A) the Notes are called for redemption and the then prevailing market price of the Common Stock is above the Exchange Price or (B) the Notes are exchanged as provided for in Sections 15.01(a)(i), 15.01(a)(ii) or 15.01(a)(iv) of the Indenture, then the Company shall use its reasonable best efforts to take the actions set forth in clauses (A), (B), (C) and (D) above within five (5) Business Days of the Redemption Date or the end of the Applicable Observation Period, as applicable, or if such Notice and Questionnaire is delivered during a Suspension Period, upon expiration of the Suspension Period in accordance with Section 3(k); and

(G) if, under applicable law, the Company has more than one option as to the type or manner of making any such filing, the Company shall make the required filing or filings in the manner or of a type that is reasonably expected to result in the earliest availability of a Prospectus for effecting resales of Registrable Securities under the Securities Act.

(ii) Notwithstanding anything contained herein to the contrary, the Company shall be under no obligation to name any Holder that is not a Notice Holder as a selling securityholder in any Shelf Registration Statement or related Prospectus; provided, however, that any Holder that becomes a Notice Holder (regardless of when such Holder became a Notice Holder) shall be named as a selling securityholder in a Shelf Registration Statement or related Prospectus in accordance with the requirements of this Section 2(d) or Section 2(a), as applicable.

(e) The parties hereto agree that the Holders of Registrable Securities will suffer damages, and that it would not be feasible to ascertain the extent of such damages with precision, if:

(i) the Initial Shelf Registration Statement (which shall be an Automatic Shelf Registration Statement or a prospectus supplement to a prospectus contained in an existing Automatic Shelf Registration Statement if the Company is a Well-Known Seasoned Issuer) has not been filed with the SEC on or prior to the Filing Deadline Date;

(ii) if the Company is not a Well Known Seasoned Issuer on the Filing Deadline Date, the Initial Shelf Registration Statement has not been declared or become effective under the Securities Act on or prior to the Effectiveness Deadline Date;

(iii) the Initial Shelf Registration Statement or any Subsequent Registration Statement is filed with the SEC and is declared or becomes effective under the Securities Act but shall thereafter cease to be effective (without being

9

succeeded immediately by a new Registration Statement that is filed and immediately becomes effective under the Securities Act) or usable under the Securities Act for the offer and sale of Registrable Securities in the manner contemplated by this Agreement and (I) other than in connection with (A) a Suspension Period or (B) a suspension of the Registration Statement as a result of the filing of a post-effective amendment solely to add additional selling securityholders, the Company does not cure the lapse of effectiveness or usability within fifteen (15) Business Days by a post-effective amendment, supplement to the Prospectus or report filed under the Exchange Act or (II) the Suspension Period, when aggregated with other Suspension Periods, shall exceed the number of days permitted in Section 3(k); or

(iv) any Registration Statement or amendment thereto, at the time it becomes effective under the Securities Act, or any Prospectus relating thereto, at the time it is filed with the SEC or, if later, at the time the Registration Statement to which such Prospectus relates becomes effective under the Securities Act, shall fail to name each Holder as a selling securityholder within the time periods specified in Section 2(d)(i) in such a manner as to permit such Holder to sell its Registrable Securities pursuant to such Registration Statement and Prospectus in accordance with the Securities Act, which Holder was required, pursuant to the terms of this Agreement, to be so named (it being understood that, without limitation, naming such Holder in a manner that permits such Holder to sell only a portion of such Holder’s Registrable Securities referenced in such Holder’s Notice and Questionnaire shall be deemed to be an “Event” (as defined below) for purposes of this clause (iv)).

Each of the events of a type described in any of the foregoing clauses (i) through (iv) are individually referred to herein as an “Event,” and

- (W) the Filing Deadline Date, in the case of clause (i) above,
- (X) the Effectiveness Deadline Date, in the case of clause (ii) above,
- (Y) the date on which the duration of the ineffectiveness or unusability of the Shelf Registration Statement exceeds the number of days permitted by clause (iii) above, in the case of clause (iii) above, and
- (Z) the date the applicable Registration Statement or amendment thereto shall become effective under the Securities Act, or the date the applicable Prospectus is filed with the SEC or, if later, the time the Registration Statement to which such Prospectus relates becomes effective under the Securities Act, as the case may be, in the case of clause (iv) above,

are each herein referred to as an “Event Date.” Events shall be deemed to continue until the following dates with respect to the respective types of Events:

10

- (A) the date the Initial Shelf Registration Statement is filed with the SEC, in the case of an Event of the type described in clause (i) above;
- (B) the date the Initial Shelf Registration Statement is declared or becomes effective under the Securities Act, in the case of an Event of the type described in clause (ii) above;
- (C) the date the Initial Shelf Registration Statement or the Subsequent Shelf Registration Statement, as the case may be, becomes effective and usable again, or the date another Subsequent Shelf Registration Statement is filed with the SEC pursuant to Section 2(b) and becomes effective, in the case of an Event of the type described in clause (iii) above; or
- (D) the date a supplement to the Prospectus is filed with the SEC, or the date a post-effective amendment to the Registration Statement becomes effective under the Securities Act, or the date a Subsequent Shelf Registration Statement becomes effective under the Securities Act, which supplement, post-effective amendment or Subsequent Shelf Registration Statement, as the case may be, names as selling securityholders, in such a manner as to permit them to sell their Registrable Securities pursuant to the Registration Statement and Prospectus in accordance with the Securities Act, all Holders required as herein provided to be so named, in the case of an Event of the type described in clause (iv) above.

Accordingly, commencing on the day immediately following any Event Date and ending on (but excluding) the earlier of (i) the next date on which there are no Events that have occurred and are continuing and (ii) the date the Registration Statement is no longer required to be kept in effect (an “Additional Interest Accrual Period”), the Issuer agrees to pay, as additional interest (“Additional Interest”) and not as a penalty, an amount (the “Additional Interest Amount”) at the rate described below, payable periodically on each Additional Interest Payment Date to Record Holders, to the extent of, for each such Additional Interest Payment Date, the unpaid Additional Interest Amount that has accrued to (but excluding) such Additional Interest Payment Date (or, if the Additional Interest Accrual Period shall have ended prior to such Additional Interest Payment Date, to, but excluding, the day immediately after, the last day of such Additional Interest Accrual Period); provided, however, that any unpaid Additional Interest Amount that has accrued with respect to any Note, or portion thereof, called for Redemption on a Redemption Date, or purchased by the Issuer pursuant to a Repurchase on a Repurchase Date, as the case may be, that is after the close of business on the Record Date relating to such Additional Interest Payment Date and before such Additional Interest Payment Date, shall, in each case, be instead paid, on such Redemption Date or Repurchase Date, as the case may be, to the Holder of such Notes on such Record Date.

The Additional Interest Amount shall accrue at a rate per annum equal to one quarter of one percent (0.25%) for the ninety (90) day period beginning on the day immediately following the Event Date and thereafter at a rate per annum equal to one half of one percent (0.50%) of the

11

aggregate principal amount of the Notes of which such Record Holders were holders of record at the close of business on the applicable Record Date; provided, however, that:

- (I) unless there shall be a default in the payment of any Additional Interest Amount, no Additional Interest Amounts shall accrue as to any Note from and after the earlier of (x) the date such Note is no longer outstanding, (y) the date, and to the extent, such Note is exchanged for cash and, if applicable, shares of Common Stock in accordance with the Indenture and (z) the expiration of the Effectiveness Period;
- (II) only those Holders failing to be named as selling securityholders in the manner prescribed in Section 2(e) (iv) above shall be entitled to receive any Additional Interest Amounts that have accrued solely with respect to an Event of the type described in Section 2(e)(iv) above (it being understood that this clause (II) shall not impair any right of any Holder to receive Additional Interest Amounts that have accrued with respect to an Event other than an Event of the type described in Section 2(e) (iv) above); and
- (III) if a Note ceases to be outstanding during an Additional Interest Accrual Period for which an Additional Interest Amount would be payable with respect to such Note, then the Additional Interest Amount payable hereunder with respect to such Note shall be prorated on the basis of the number of full days such Note is outstanding during such Additional Interest Accrual Period.

Except as provided in the final paragraph of this Section 2(e), (i) the rate of accrual of the Additional Interest Amount with respect to any period shall not exceed 0.50% per annum notwithstanding the occurrence of multiple concurrent Events and (ii) following the cure of all Events requiring the payment by the Issuer of Additional Interest Amounts to the Holders pursuant to this Section or following the date the Registration Statement is no longer required to be kept

in effect, the accrual of Additional Interest Amounts shall cease (without in any way limiting the effect of any subsequent Event requiring the payment of Additional Interest Amounts by the Company). All Additional Interest Amounts shall be payable in the same manner as interest under the Indenture.

All of the Company's obligations set forth in this Section 2(e) that are outstanding with respect to any Registrable Security shall cease at the time such Registrable Security ceases to be a Registrable Security.

The parties hereto agree that the Additional Interest provided for in this Section 2(e) constitutes a reasonable estimate of the damages that may be incurred by Holders by reason of an Event, including, without limitation, the failure of a Shelf Registration Statement to be filed, become effective under the Securities Act, amended or replaced to include the names of all Notice Holders or available for effecting resales of Registrable Securities in accordance with the provisions hereof.

12

If any Additional Interest Amounts are not paid when due, then, to the extent permitted by law, such overdue Additional Interest Amounts, if any, shall bear interest, compounded semi-annually, until paid at the rate of interest payable with respect to overdue amounts on the Notes pursuant to the Indenture.

Notwithstanding any provision in this Agreement, unless there shall be a default in the payment of any Additional Interest Amount, in no event shall an Additional Interest Amount accrue to Holder of Common Stock issued upon exchange of Notes. In lieu thereof, if during an Additional Interest Accrual Period a Holder shall exchange its Notes for Common Stock, the Company shall increase the Applicable Exchange Rate by 3% for each \$1,000 principal amount of Notes exchanged.

(f) The Trustee shall be entitled, on behalf of Holders, to seek any available remedy for the enforcement of this Agreement, including for the payment of any Additional Interest Amount.

3. Registration Procedures. In connection with the registration obligations of the Company under Section 2 hereof, the Company shall:

(a) Prepare and file with the SEC a Shelf Registration Statement, Shelf Registration Statements, prospectus supplement or prospectus supplements, as applicable, in the manner provided in this Agreement and use its commercially reasonable efforts to cause each such Shelf Registration Statement to become effective under the Securities Act and remain effective under the Securities Act as provided herein; provided, that, before filing any Shelf Registration Statement or Prospectus or any amendments or supplements thereto with the SEC, the Company shall furnish to the Initial Purchaser and counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) copies of all such documents proposed to be filed with the SEC and shall use reasonable efforts to reflect in such documents, when filed with the SEC, such comments as the Initial Purchaser or such counsel reasonably shall propose within three (3) Business Days of the delivery of such copies to the Initial Purchaser and such counsel. Each Registration Statement that is or is required by this Agreement to be filed with the SEC shall be filed on Form S-3 (or a prospectus supplement to a Form S-3) if the Company is then eligible to use Form S-3 for the purposes contemplated by this Agreement, or, if the Company is not then so eligible to use Form S-3, shall be on Form S-11 or another appropriate form that is then available to the Company for the purposes contemplated by this Agreement. Each such Registration Statement that is filed on Form S-3 shall constitute an Automatic Shelf Registration Statement (or a prospectus supplement to an Automatic Shelf Registration Statement) if the Company is then eligible to file an Automatic Shelf Registration Statement on Form S-3 for the purposes contemplated by this Agreement. If, at the time any Registration Statement is filed with the SEC, the Company is eligible, pursuant to Rule 430B(b), to omit, from the prospectus that is filed as part of such Registration Statement, the identities of selling securityholders and amounts of securities to be registered on their behalf, then the Company shall prepare and file such Registration Statement in a manner as to permit such omission and to allow for the subsequent filing of such information in a prospectus pursuant to Rule 424(b) in the manner contemplated by Rule 430B(d).

13

(b) Prepare and file with the SEC such amendments and post-effective amendments to each Shelf Registration Statement as may be necessary to keep such Shelf Registration Statement or Subsequent Shelf Registration Statement continuously effective until the expiration of the Effectiveness Period; cause the related Prospectus to be supplemented by any required Prospectus supplement and, as so supplemented, to be filed with the SEC pursuant to Rule 424; and comply with the provisions of the Securities Act applicable to it with respect to the disposition of all securities covered by each Shelf Registration Statement during the Effectiveness Period in accordance with the intended methods of disposition by the sellers thereof set forth in the applicable Notice and Questionnaires, the information from which is included in such Shelf Registration Statement as so amended or such Prospectus as so supplemented.

(c) If the third anniversary of the initial effective date of any Registration Statement (within the meaning of Rule 415(a)(5) under the Securities Act) shall occur at any time during the Effectiveness Period, to the extent required pursuant to Rule 415(a)(5) under the Securities Act in order to permit the Registrable Securities to continue to be offered, file with the SEC, prior to such third anniversary, a new Registration Statement or prospectus supplement covering the Registrable Securities, in the manner contemplated by, and in compliance with, Rule 415(a)(6), and use its commercially reasonable efforts to cause such new Registration Statement to become effective or prospectus supplement to be filed under the Act on or prior to such third anniversary. No later than twenty (20) business days prior to the filing of such new Registration Statement or prospectus supplement, the Company shall provide notice of the filing to Notice Holders and request that each such Notice Holder deliver an updated Notice and Questionnaire if such Notice Holder wants to be named as a Notice Holder in such new Registration Statement or prospectus supplement. Each such new Registration Statement or prospectus supplement, if any, shall be deemed, for purposes of this Agreement, to be a Subsequent Shelf Registration Statement.

(d) If, at any time during the Effectiveness Period, any Registration Statement shall cease to comply with the requirements of the Securities Act with respect to eligibility for the use of the form on which such Registration Statement was filed with the SEC (or if such Registration Statement constituted an Automatic Shelf Registration Statement at the time it was filed with the SEC and shall thereafter cease to constitute an Automatic Shelf Registration Statement, or if the Company shall have received, from the SEC, a notice, pursuant to Rule 401(g)(2) under the Securities Act, of objection to the use of the form on which such Registration Statement was filed with the SEC), (i) promptly give notice to the Notice Holders and counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) and to the Initial Purchaser and (ii) promptly file with the SEC a new Registration Statement under the Securities Act, or a post-effective amendment to such Registration Statement, to effect compliance with the Securities Act. The Company shall use its commercially reasonable efforts to cause such new Registration Statement or post-effective amendment to become effective under the Securities Act as soon as practicable, but subject to compliance with Section 3(a) hereof, and shall promptly give notice of such

(e) As promptly as practicable during the Effectiveness Period, give notice to the Notice Holders, the Initial Purchaser and counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders):

(i) when any Prospectus, Prospectus supplement, Shelf Registration Statement or post-effective amendment to a Shelf Registration Statement has been filed with the SEC and, with respect to a Shelf Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act.

(ii) of any request, following the effectiveness of a Shelf Registration Statement under the Securities Act, by the SEC or any other governmental authority for amendments or supplements to such Shelf Registration Statement or the related Prospectus or for additional information,

(iii) of the issuance by the SEC or any other governmental authority of any stop order suspending the effectiveness of any Shelf Registration Statement or the initiation or threatening of any proceedings for that purpose,

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose,

(v) after the effective date of any Shelf Registration Statement filed with the SEC pursuant to this Agreement, of the occurrence of (but not the nature of or details concerning) a Material Event, and

(vi) of the determination by the Company that a post-effective amendment to a Shelf Registration Statement or a Subsequent Shelf Registration Statement will be filed with the SEC, which notice may, at the discretion of the Company (or as required pursuant to Section 3(k)), state that it constitutes a Suspension Notice, in which event the provisions of Section 3(k) shall apply.

(f) Use its commercially reasonable efforts to (i) prevent the issuance of, and, if issued, to obtain the withdrawal of, any order suspending the effectiveness of a Shelf Registration Statement and (ii) obtain the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction in which they have been qualified for sale, in either case at the earliest practicable moment, and provide prompt notice to each Notice Holder and the Initial Purchaser, and counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders), of the withdrawal or lifting of any such order or suspension.

(g) If requested in writing by the Initial Purchaser or any Notice Holder, as promptly as practicable incorporate in a Prospectus supplement or a post-effective amendment to a Shelf Registration Statement such information as counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) shall determine to be required to be included therein by applicable law and make any required filings of such

Prospectus supplement or such post-effective amendment; provided, however, that the Company shall not be required to take any actions under this Section 3(g) that, in the written opinion of counsel for the Company, are not required to be included therein by applicable law.

(h) As promptly as practicable, furnish to each Notice Holder (but only upon such Notice Holder's request), counsel for the Holders (but only upon such counsel's request) and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) and the Initial Purchaser, without charge, at least one (1) conformed copy of each Shelf Registration Statement and each amendment thereto, including financial statements but excluding schedules, all documents incorporated or deemed to be incorporated therein by reference and all exhibits (unless requested in writing to the Company by such Notice Holder, such counsel or the Initial Purchaser).

(i) During the Effectiveness Period, deliver to each Notice Holder, counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) and the Initial Purchaser, in connection with any sale of Registrable Securities pursuant to a Shelf Registration Statement, without charge, as many copies of the Prospectus or Prospectuses relating to such Registrable Securities (including each preliminary prospectus) and any amendment or supplement thereto as such Notice Holder or the Initial Purchaser may reasonably request; and the Company hereby consents (except during such periods that a Suspension Notice is outstanding and has not been revoked) to the use of such Prospectus and each amendment or supplement thereto by each Notice Holder, in connection with any offering and sale of the Registrable Securities covered by such Prospectus or any amendment or supplement thereto in the manner set forth therein.

(j) Prior to any public offering of the Registrable Securities pursuant to a Shelf Registration Statement, use its commercially reasonable efforts to register or qualify or cooperate with the Notice Holders in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any Notice Holder reasonably requests in writing (which request may be included in the Notice and Questionnaire); use its commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the Effectiveness Period in connection with such Notice Holder's offer and sale of Registrable Securities pursuant to such registration or qualification (or exemption therefrom) and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Registrable Securities in the manner set forth in the relevant Shelf Registration Statement and the related Prospectus; provided, however, that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified; (ii) take any action that would subject it to general service of process in suits, other than those arising out of the offering or sale of Registrable Securities or arising in connection with this Agreement, in any jurisdiction where it is not now so subject; or (iii) take any action that would subject it to taxation in any jurisdiction where it is not then so subject.

(k) Upon the occurrence or existence of any pending corporate development, public filings with the SEC or any other material event (a “Material Event”) that, in the

16

reasonable discretion of the Company, makes it appropriate to suspend the availability of any Shelf Registration Statement and the related Prospectus:

(i) subject to the next sentence, as promptly as practicable, prepare and file, if necessary pursuant to applicable law, a post-effective amendment to such Shelf Registration Statement or a supplement to such Prospectus or any document incorporated therein by reference or file any other required document that would be incorporated by reference into such Shelf Registration Statement and Prospectus so that such Shelf Registration Statement does not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and so that such Prospectus does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, and, in the case of a post-effective amendment to a Shelf Registration Statement, subject to the next sentence, use its commercially reasonable efforts to cause it to become effective under the Securities Act as promptly as practicable, and

(ii) give notice (without notice of the nature or details of such events) to the Notice Holders and counsel for the Holders and for the Initial Purchaser (or, if applicable, a single separate counsel for the Holders) and to the Initial Purchaser that the availability of the Shelf Registration Statement is suspended (a “Suspension Notice”) (and, upon receipt of any Suspension Notice, each Notice Holder agrees (x) not to sell any Registrable Securities pursuant to such Shelf Registration Statement until such Notice Holder’s receipt of copies of the supplemented or amended Prospectus provided for in clause (i) above or until such Notice Holder is advised in writing by the Company that the Prospectus may be used and (y) to hold such Suspension Notice in confidence).

The Company will use its commercially reasonable efforts to ensure that the use of the Prospectus may be resumed as soon as, in the reasonable discretion of the Company, such suspension is no longer appropriate. Except in the case of a suspension of the availability of the Shelf Registration Statement and the related Prospectus solely as the result of the filing of a post-effective amendment or supplement to the Prospectus to add additional selling securityholders therein, the period during which the availability of the Shelf Registration Statement and any Prospectus may be suspended (the “Suspension Period”) without the Company incurring any obligation to pay Additional Interest pursuant to Section 2(e) shall not exceed forty-five (45) days in the aggregate in any ninety (90) day period or ninety (90) days in the aggregate in any three hundred and sixty (360) day period, provided, that, if the event triggering the Suspension Period relates to a proposed or pending material business transaction, the disclosure of which the board of directors of the Company determines in good faith would be reasonably likely to impede the ability to consummate the transaction or would otherwise be seriously detrimental to the Company and its subsidiaries taken a whole, the Company may extend the Suspension Period from forty-five (45) days to sixty (60) days in any ninety (90) day period or from ninety (90) days to one hundred and twenty (120) days in any three hundred and sixty (360) day period. The

17

Effectiveness Period shall be extended by the number of days from and including the date of the giving of the Suspension Notice to and including the date on which the Notice Holder received copies of the supplemented or amended Prospectus provided in clause (i) above, or the date on which it is advised in writing by the Company that the Prospectus may be used and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such Prospectus.

(l) Make reasonably available for inspection during normal business hours by Initial Purchasers for the Notice Holders and any underwriters participating in any disposition pursuant to any Shelf Registration Statement and any broker-dealers, attorneys and accountants retained by such Notice Holders or any such underwriters, all relevant financial and other records and pertinent corporate documents and properties of the Company and its subsidiaries, and cause the appropriate officers, directors and employees of the Company and its subsidiaries to make available for inspection during normal business hours all relevant information reasonably requested by such Initial Purchasers for the Notice Holders, or any such underwriters, broker-dealers, attorneys or accountants in connection with such disposition, in each case as is customary for similar “due diligence” examinations; provided, however, that such persons shall, at the Company’s request, first agree in writing with the Company that such person will not engage in any transaction involving securities of the Company in violation of applicable law (including, without limitation, federal securities laws prohibiting trading on the basis of material non-public information) and that any information that is reasonably and in good faith designated by the Company in writing as confidential at the time of delivery of such information shall be kept confidential by such persons and shall be used solely for the purposes of exercising rights under this Agreement, unless (i) disclosure of such information is required by court or administrative order or is necessary to respond to inquiries of governmental or regulatory authorities, (ii) disclosure of such information is required in the reasonable opinion of counsel by law (including any disclosure requirements pursuant to federal securities laws in connection with the filing of any Shelf Registration Statement or the use of any Prospectus referred to in this Agreement) or necessary in the reasonable opinion of counsel to defend or prosecute a claim brought against or by any such persons (e.g., to establish a “due diligence” defense), (iii) such information becomes generally available to the public other than as a result of a disclosure or failure to safeguard by any such person or (iv) such information becomes available to any such person from a source other than the Company and such source is not bound by a confidentiality agreement or is not otherwise under a duty of trust to the Company; provided further, that the foregoing inspection and information gathering shall, to the greatest extent possible, be coordinated on behalf of all the Notice Holders and the other parties entitled thereto by the counsel, referred to in Section 5, for the Holders in connection with Shelf Registration Statements.

In the event that an Initial Purchaser or Holder has been requested pursuant to, or required by, applicable law, regulation, or valid legal process to disclose any such information, such person will not disclose any information to the extent permitted by applicable law until such person first notifies the Company promptly so that the Company may (i) seek a protective order or other appropriate remedy, (ii) consult with the party receiving such request with respect to taking steps to resist or narrow the scope of such request or (iii) in its sole discretion, waive compliance with the terms of this paragraph (l) (and if the Company seeks such an order, such person will use its commercially reasonable efforts to provide such cooperation as the Company

18

shall reasonably request); thereafter, disclosure of information may occur only as allowed herein. In the event that no such protective order or other remedy is obtained, or that the Company waives compliance with the terms of this Agreement, and that such person is nonetheless legally compelled to disclose such information, such person will furnish only that portion of the information that is legally required, based on the advice of counsel, and will give the Company notice of the information to be disclosed as far in advance of its disclosure as practicable in light of the circumstances and exercise all reasonable efforts at the Company's request and expense to obtain reliable assurance that confidential treatment will be accorded such information.

(m) Comply in all material respects with all applicable rules and regulations of the SEC; and make generally available to its securityholders earnings statements (which need not be audited) satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act), which statements shall cover a period of twelve (12) months commencing on the first day of the first fiscal quarter of the Company commencing after the effective date of each Shelf Registration Statement (within the meaning of Rule 158(c) under the Securities Act), and which statements shall be so made generally available to the Company's securityholders as follows: (i) with respect to an earnings statement which will be contained in a report on Form 10-K (or any other form as may then be available for such purpose), such earnings statement shall be made so generally available no later than the due date by which the Company is required, pursuant to the Exchange Act (subject to any applicable extensions under Rule 12b-25 thereunder), to file such report with the SEC; and (ii) with respect to an earnings statement which will be contained in any combination of reports on Form 10-K or Form 10-Q (or any other form(s) as may then be available for such purpose), such earnings statement shall be made so generally available no later than the due date by which the Company is required, pursuant to the Exchange Act (subject to any applicable extensions under Rule 12b-25 thereunder), to file the last of such reports which together constitute such earnings statement.

(n) Cooperate with each Notice Holder to facilitate the timely preparation and delivery of certificates representing Registrable Securities sold pursuant to a Shelf Registration Statement, which certificates shall not bear any restrictive legends, and cause such Registrable Securities to be in such denominations as are permitted by the Indenture and registered in such names as such Notice Holder may request in writing at least three (3) Business Days prior to any sale of such Registrable Securities.

(o) Provide a CUSIP number for all Registrable Securities covered by a Shelf Registration Statement not later than the effective date of the Initial Shelf Registration Statement and provide the Trustee and the transfer agent for the Common Stock with certificates for the Registrable Securities that are in a form eligible for deposit with The Depository Trust Company.

(p) Cooperate and assist in any filings required to be made with the Financial Industry Regulatory Authority, Inc. ("FINRA").

(q) To the extent reasonable and customary, cooperate with the requests, if any, of Holders of a majority of the Registrable Securities being sold in order to expedite or facilitate the disposition of such Registrable Securities.

19

(r) Cause the Covered Security to be listed on the New York Stock Exchange.

4. Holder's Obligations. Each Holder agrees, by acquisition of the Registrable Securities, that no Holder of Registrable Securities shall be entitled to sell any of such Registrable Securities pursuant to a Shelf Registration Statement or to receive a Prospectus relating thereto, unless such Holder has furnished the Company with a Notice and Questionnaire as required pursuant to Section 2(d) hereof (including the information required to be included in such Notice and Questionnaire) and the information set forth in the next sentence. Each Notice Holder agrees promptly to furnish to the Company all information required to be disclosed in order to make the information previously furnished to the Company by such Notice Holder not misleading and any other information regarding such Notice Holder and the distribution of such Registrable Securities as the Company may from time to time reasonably request. Any sale of any Registrable Securities by any Holder shall constitute a representation and warranty by such Holder that the Holder Information of such Holder furnished in writing by or on behalf of such Holder to the Company does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements in such Holder Information, in the light of the circumstances under which they were made, not misleading. Furthermore, if the Company is required to file a Subsequent Registration Statement upon expiration of effectiveness of the Registration Statement naming a Notice Holder, it shall be under no obligation to include such Notice Holder if such Notice Holder does not deliver an updated Notice and Questionnaire upon request by the Company therefore pursuant to Section 3(c) hereof.

5. Registration Expenses. The Company shall bear all fees and expenses incurred in connection with the performance by the Company of its obligations under Section 2 and Section 3 of this Agreement whether or not any of the Shelf Registration Statements are filed or declared effective under the Securities Act. Such fees and expenses ("Registration Expenses") shall include, without limitation, (i) all registration and filing fees and expenses (including, without limitation, fees and expenses (x) with respect to filings required to be made with FINRA and (y) of compliance with federal securities laws and state securities or Blue Sky laws (including, without limitation, reasonable fees and disbursements of counsel for the Holders in connection with Blue Sky qualifications of the Registrable Securities under the laws of such jurisdictions as the Notice Holders of a majority of the Registrable Securities being sold pursuant to a Shelf Registration Statement may designate, subject to Section 3(j) hereof)), (ii) all printing expenses (including, without limitation, expenses of printing Prospectuses), (iii) all duplication and mailing expenses relating to copies of any Shelf Registration Statement or Prospectus delivered to any Holders hereunder, (iv) all fees and disbursements of counsel for the Company, (v) all fees and disbursements of the Trustee and its counsel and of the registrar and transfer agent for the Common Stock and (vi) Securities Act liability insurance obtained by the Company in its sole discretion. In addition, the Company shall pay the internal expenses of the Company (including, without limitation, all salaries and expenses of officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the fees and expenses incurred in connection with the listing by the Company of the Registrable Securities on any securities exchange or quotation system on which similar securities of the Company are then listed and the fees and expenses of any person, including, without limitation, special experts, retained by the Company. If the Company shall, pursuant to Rule 456(b), defer payment of any registration fees due under the Securities Act with respect to any Registration Statement, the Company agrees that it shall pay the fees applicable to such Registration Statement within the

20

time required by Rule 456(b)(1)(i) (without reliance on the proviso to Rule 456(b)(1)(i)) and in compliance with Rule 456(b) and Rule 457(r). In addition and notwithstanding the foregoing, the Company shall pay the reasonable fees and disbursements of only one counsel for the Holders in connection with the Shelf Registration Statement.

6. Indemnification, Contribution.

(a) The Company and the Issuer agree to indemnify, defend and hold harmless the Initial Purchaser, each Holder, each person (a “Controlling Person”), if any, who controls the Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act and the respective officers, directors, partners, employees, representatives and agents of the Initial Purchaser, the Holders or any Controlling Person (each, a “Holder Indemnified Party”), from and against any loss, damage, expense, liability, claim or any actions in respect thereof (including the reasonable cost of investigation) which such Holder Indemnified Party may incur or become subject to under the Securities Act, the Exchange Act or otherwise, insofar as such loss, damage, expense, liability, claim or action arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in any Shelf Registration Statement or Prospectus, including any document incorporated by reference therein, or in any amendment or supplement thereto or in any preliminary prospectus, or arises out of or is based upon any omission or alleged omission to state a material fact required to be stated in any Shelf Registration Statement or in any amendment or supplement thereto or necessary to make the statements therein not misleading, or arises out of or is based upon any omission or alleged omission to state a material fact necessary in order to make the statements made in any Prospectus or in any amendment or supplement thereto or in any preliminary prospectus, in the light of the circumstances under which such statements were made, not misleading, and the Company and the Issuer shall reimburse, as incurred, the Holder Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, damage, expense, liability, claim or action in respect thereof; provided, however, that the Company and the Issuer shall not be required to provide any indemnification pursuant to this Section 6(a) in any such case insofar as any such loss, damage, expense, liability, claim or action arises out of or is based upon (i) any untrue statement or omission or alleged untrue statement or omission of a material fact contained in, or omitted from, and in conformity with information furnished in writing by or on behalf of an Initial Purchaser or a Holder to the Company expressly for use in, any Shelf Registration Statement or any Prospectus or (ii) a disposition, pursuant to a Shelf Registration Statement, of Registrable Securities by a Holder Indemnified Party during a Suspension Period, provided such Holder Indemnified Party received, prior to such disposition, a Suspension Notice with respect to such Suspension Period; provided further, however, that this indemnity agreement will be in addition to any liability which the Company and the Issuer may otherwise have to such Holder Indemnified Party.

(b) Each Holder, severally and not jointly, agrees to indemnify, defend and hold harmless the Company, the Issuer, each of their respective directors, officers, employees, representatives, agents and any person who controls the Company or the Issuer within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each, a “Company Indemnified Party”) from and against any loss, damage, expense, liability, claim or any actions in respect thereof (including the reasonable cost of investigation) which such

21

Company Indemnified Party may incur or become subject to under the Securities Act, the Exchange Act or otherwise, insofar as such loss, damage, expense, liability, claim or action arises out of or is based upon (A) any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information (the “Holder Information”) furnished in writing by or on behalf of such Holder to the Company expressly for use in, any Shelf Registration Statement or Prospectus, or arises out of or is based upon any omission or alleged omission to state a material fact in connection with such Holder Information, which material fact was not contained in such Holder Information, and which material fact was either required to be stated in any Shelf Registration Statement or Prospectus or necessary to make such Holder Information not misleading, (B) a sale, by such Holder pursuant to a Shelf Registration Statement in or with respect to which such Holder is named as a selling securityholder, of Registrable Securities during a Suspension Period, provided that the Company shall have theretofore provided such Holder a Suspension Notice in accordance with Section 3(k), or (C) a public sale of Registrable Securities by such Holder without delivery, if required by the Securities Act, of the most recent applicable Prospectus provided to such Holder by the Company pursuant to Section 3(i) or Section 2(d)(i)(C), provided the Company shall have theretofore provided such Holder with copies of such Prospectus in a timely manner so as to permit such delivery; and, subject to the limitation set forth in the immediately preceding clause, each Holder shall reimburse, as incurred, the Company and the Issuer for any legal or other expenses reasonably incurred by the Company and the Issuer or any such controlling person in connection with investigating or defending any loss, damage, expense, liability, claim or action in respect thereof. This indemnity agreement will be in addition to any liability which such Holder may otherwise have to the Company and the Issuer or any of its controlling persons. In no event shall the liability of any selling Holder of Registrable Securities hereunder be greater in amount than the dollar amount of the proceeds received by such Holder upon the sale, pursuant to the Shelf Registration Statement, of the Registrable Securities giving rise to such indemnification obligation.

(c) If any action, suit or proceeding (each, a “Proceeding”) is brought against any person in respect of which indemnity may be sought pursuant to either Section 6(a) or Section 6(b), such person (the “Indemnified Party”) shall promptly notify the person against whom such indemnity may be sought (the “Indemnifying Party”) in writing of the institution of such Proceeding and the Indemnifying Party shall assume the defense of such Proceeding; provided, however, that the omission to so notify such Indemnifying Party shall not relieve such Indemnifying Party from any liability which it may have to such Indemnified Party or otherwise unless and to the extent such failure to give notice results in the loss or compromise of any material rights or defenses of the Indemnifying Party. The Indemnifying Party shall be entitled to appoint counsel (including local counsel) of the Indemnifying Party’s choice at the Indemnifying Party’s expense to represent the Indemnified Party in any action for which indemnification is sought (in which case the Indemnifying Party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the Indemnifying Party, retained by the Indemnified Party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the Indemnified Party. Notwithstanding the Indemnifying Party’s election to appoint counsel (including local counsel) to represent the Indemnified Party in an action, the Indemnified Party shall have the right to employ separate counsel (including local counsel), and the Indemnifying Party shall bear the reasonable fees, costs and expenses of such separate counsel (it being

22

understood, however, that such Indemnifying Party shall not be liable for the expenses of more than one separate counsel in any one Proceeding or series of related Proceedings together with reasonably necessary local counsel representing the Indemnified Parties who are parties to such action) if (i) the use of counsel chosen by the Indemnifying Party to represent the Indemnified Party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the Indemnified Party and the Indemnifying Party and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it and/or other Indemnified Parties that are different from or additional to those available to the Indemnifying Party; (iii) the Indemnifying Party shall not have employed counsel satisfactory to the Indemnified Party to represent the Indemnified Party

within sixty (60) days after notice of the institution of such action; or (iv) the Indemnifying Party shall authorize the Indemnified Party to employ separate counsel at the expense of the Indemnifying Party. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending or threatened action in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party unless such settlement (i) includes an unconditional release of such Indemnified Party from all liability on any claims that are the subject matter of such action, (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an Indemnified Party, and (iii) does not include any undertaking or obligation to act or to refrain from acting by the Indemnified Party.

(d) If the indemnification provided for in this Section 6 is unavailable to an Indemnified Party under Section 6(a) or Section 6(b), or insufficient to hold such Indemnified Party harmless, in respect of any losses, damages, expenses, liabilities, claims or actions referred to therein, then each applicable Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, damages, expenses, liabilities, claims or actions (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Issuer, on the one hand, and by the Holders or the Initial Purchaser, on the other hand, from the offering of the Registrable Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company and the Issuer, on the one hand, and of the Holders or the Initial Purchaser, on the other hand, in connection with the statements or omissions which resulted in such losses, damages, expenses, liabilities, claims or actions, as well as any other relevant equitable considerations. The relative fault of the Company and the Issuer, on the one hand, and of the Holders or the Initial Purchaser, on the other hand, shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission relates to information supplied by the Company and the Issuer or by the Holders or the Initial Purchaser and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, damages, expenses, liabilities, claims and actions referred to above shall be deemed to include any reasonable legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any Proceeding.

(e) The Company, the Issuer, the Holders and the Initial Purchaser agree that it would not be just and equitable if contribution pursuant to this Section 6 were determined by

23

pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in Section 6(d) above. Notwithstanding the provisions of this Section 6, no Holder shall be required to contribute any amount in excess of the amount by which the total price at which the Registrable Securities giving rise to such contribution obligation and sold by such Holder were offered to the public exceeds the amount of any damages which it has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Holders' respective obligations to contribute pursuant to this Section 6 are several in proportion to the respective amount of Registrable Securities they have sold pursuant to a Shelf Registration Statement, and not joint. The remedies provided for in this Section 6 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnity and contribution provisions contained in this Section 6 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Holder or the Initial Purchaser or any person controlling any Holder or Initial Purchaser, or the Company or the Issuer, or the Company's or the Issuer's officers or directors or any person controlling the Company or the Issuer and (iii) the sale of any Registrable Security by any Holder.

7. Information Requirements.

(a) The Company covenants that, if at any time before the end of the Effectiveness Period it is not subject to the reporting requirements of the Exchange Act, it will cooperate with any Holder of Registrable Securities and take such further action as any Holder of Registrable Securities may reasonably request in writing (including, without limitation, making such representations as any such Holder may reasonably request), all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemptions provided by Rule 144, Rule 144A and Regulation S under the Securities Act and customarily taken in connection with sales pursuant to such exemptions. Upon the written request of any Holder, the Company shall deliver to such Holder a written statement as to whether the Company has complied with the reporting requirements of the Exchange Act, unless such a statement has been included in the Company's most recent report filed with the SEC pursuant to Section 13 or Section 15(d) of Exchange Act. Notwithstanding the foregoing, nothing in this Section 7 shall be deemed to require the Company to register any of its securities (other than the Common Stock) under any section of the Exchange Act.

(b) The Company shall file the reports required to be filed by it under the Exchange Act and shall comply with all other requirements set forth in the instructions to Form S-3 in order to allow the Company to be eligible to file registration statements on Form S-3. The Company shall use its commercially reasonable efforts to remain eligible, pursuant to Rule 430B(b), to omit, from the prospectus that is filed as part of a Registration Statement, the identities of selling securityholders and amounts of securities to be registered on their behalf.

8. Miscellaneous.

(a) Remedies. The Company, the Issuer and the Guarantor acknowledge and agree that any failure by the Company, the Issuer or the Guarantor to comply with their obligations under this Agreement may result in material irreparable injury to the Initial Purchaser and the Holders for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of any such failure, the Initial Purchaser or any Holder may obtain such relief as may be required to specifically enforce the Company's, the Issuer's and the Guarantor's obligations under this Agreement. The Company, the Issuer and the Guarantor further agree to waive the defense in any action for specific performance that a remedy at law would be adequate. Notwithstanding the foregoing two sentences, this Section 8(a) shall not apply to the subject matter referred to in and contemplated by Section 2(e).

(b) No Conflicting Agreements. The Company, the Issuer and the Guarantor are not, as of the date hereof, a party to, nor shall they, on or after the date of this Agreement, enter into, any agreement with respect to the Company's securities that conflicts with the rights granted to the Holders

in this Agreement. The Company, the Issuer and the Guarantor represent and warrant that the rights granted to the Holders hereunder do not in any way conflict with the rights granted to the holders of the Company's, the Issuer's and the Guarantor's securities under any other agreements. The Company, the Issuer and the Guarantor will not take any action with respect to the Registrable Securities which would adversely affect the ability of any of the Holders to include such Registrable Securities in a registration undertaken pursuant to this Agreement. The Company represents and covenants that it has not granted, and shall not grant, to any of its securityholders (other than the Holders in such capacity) the right to include any of the Company's securities in any Shelf Registration Statement filed pursuant to this Agreement; provided that nothing shall prevent the use of a Shelf Registration Statement by the Company to register such other transactions as may be permitted under the Securities Act.

(c) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, unless the Company has obtained the written consent of Holders of a majority of outstanding Registrable Securities; provided, however, that, no consent is necessary from any of the Holders in the event that this Agreement is amended, modified or supplemented for the purpose of curing any ambiguity, defect or inconsistency that does not adversely affect the rights of any Holders. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Securities whose securities are being sold pursuant to a Shelf Registration Statement and that does not directly or indirectly affect the rights of other Holders of Registrable Securities may be given by Holders of at least a majority of the Registrable Securities being sold by such Holders pursuant to such Shelf Registration Statement; provided, however, that the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the immediately preceding sentence. Each Holder of Registrable Securities outstanding at the time of any such amendment, modification, supplement, waiver or consent or thereafter shall be bound by any such amendment, modification, supplement, waiver or consent effected pursuant to this Section 8(c), whether or not any notice, writing or marking indicating such amendment,

25

modification, supplement, waiver or consent appears on the Registrable Securities or is delivered to such Holder.

(d) Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand delivery, by telecopier, by courier guaranteeing overnight delivery or by first-class mail, return receipt requested, and shall be deemed given (A) when made, if made by hand delivery, (B) upon confirmation, if made by telecopier, (C) one (1) Business Day after being deposited with such courier, if made by overnight courier or (D) on the date indicated on the notice of receipt, if made by first-class mail, to the parties as follows:

(e) Majority of Registrable Securities. For purposes of determining what constitutes Holders of a majority of Registrable Securities, as referred to in this Agreement, a majority shall constitute a majority in aggregate principal amount of Registrable Securities; provided that, for such purposes, a Holder of shares of Common Stock that constitute Registrable Securities and issued upon exchange of the Notes shall be deemed to hold an aggregate principal amount of the Notes (in addition to the principal amount of the Notes then held by such Holder, if any) so exchanged.

(f) Approval of Holders. (g) Third Party Beneficiaries. The Holders shall be third party beneficiaries to the agreements made hereunder between the Company, the Issuer and the Guarantor, on the one hand, and the Initial Purchaser, on the other hand, and shall have the right to enforce such agreements directly to the extent they may deem such enforcement necessary or advisable to protect their rights or the rights of Holders hereunder. The Trustee shall be entitled to the rights granted to it pursuant to this Agreement.

(h) Successors and Assigns. Any person who purchases any Notes or Covered Security from the Initial Purchaser or from any Holder shall be deemed, for purposes of this Agreement, to be an assignee of the Initial Purchaser or such Holder, as the case may be. This Agreement shall inure to

the benefit of and be binding upon the respective successors and assigns of each of the parties hereto and shall inure to the benefit of and be binding upon each Holder of any Notes or Covered Security.

(l) Severability. If any term, provision, covenant or restriction of this Agreement is held to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby, and the parties hereto shall use their best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by law.

(m) Entire Agreement. This Agreement is intended by the parties hereto as a final expression of their agreement and is intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein and the registration rights granted by the Company with respect to the Registrable Securities. Except as provided in the Purchase Agreement, there are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein, with respect to the registration rights granted by the Company with respect to the Registrable Securities. This Agreement supersedes all prior agreements and undertakings among the parties with respect to

such registration rights. No party hereto shall have any rights, duties or obligations other than those specifically set forth in this Agreement.
